Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

To advance the Christian faith throughout the UK for the public benefit, mainly but not exclusively, by holding prayer meetings, pastoral care, and/or distributing literature to enlighten others about the Christian faith.

The main activities of the charity are as follows:

Worship and pastoral care. Intervention with young people via social activities which help them to open up about issues they face, leading to solutions being secured. A food bank is currently being operated on a weekly basis which serves the general public.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

Additional details of objectives and activities (Optional information)

During the later part of 2022 the church moved to the current address temporarily (this is a hotel which we rent by the hour only on Sundays for worship and we are only allowed the space for this activity). The previous address was retrieved by the Landlord for sale. We have been struggling to find a suitable location for the church and are still viewing properties for suitability and affordability. In the mean time the food bank has also been temporarily discontinued. It will be reopened as soon as a suitable accommodation is found for the church.

All other church activities which involve the general public will return to previous status upon us finding appropriate accommodation.

Along with our accommodation issues our bishop sustained a stroke and was very ill as a result, however he has recovered to a stage where he has returned to manage the church. We also lost 2 trustees and are currently in the process of appointing new ones.

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

Section D

Achievements and performance

Summary of the main achievements of the charity during the year

Services are held on Sundays and Wednesdays and youth meetings on Fridays.

There are other activities throughout the year such as church convention, Children's day, youth conference, family fun day and other forms of get together. All these events are open to the public for free attendance.

The foodbank is operated by volunteers from the church on a weekly basis. Food is obtained from Fareshare food charity, located in Birmingham at a minimal cost, for which the church pays. Prior to our dislocation the foodbank was supporting approximately 50 people on a weekly basis.

Section E
