**TRUSTEES' REPORT
FOR THE YEAR ENDED 30 APRIL 2021**

The Board of Trustees, who are the trustees for charity law purposes, submit their annual report of Redemption Faith Worship Centre for the year ended 30 April 2021. The Board of Trustees confirms that the annual report of the Charity comply with current statutory requirements, the requirements of the Charity's governing document and the provisions of the Statement of Recommended Practice (SORP) 'Accounting and Reporting by Charities (revised 2005)'.

Structure, governance and management

The 3 Trustees are:

1. Errol Johnson
2. Amette Swain
3. Mildred Ramsay

The Trustees play a primary role in ensuring good governance and functioning of the foundation. The Board's role, functions and responsibilities are quite clearly defined.

The Charity currently has a dedicated team of Advisory board members in the UK who have helped to secure financial support and contribute to the future planning of the organisation.

Governing document:

Redemption Faith Worship Centre is a Charitable Incorporated Organisation registered on 31 January 2020.

Recruitment and appointment of trustees:

The members of the General Trustee Board are trustees for the purposes of charity law. New trustees may be appointed by resolution of a meeting of the trustees.

Much of the charity's work focuses upon the promotion of the Christian religion and the running and maintenance of its places of worship.

The General Trustee Board seeks to ensure that the needs of this group are appropriately reflected through the diversity of the trustee body. To enhance the potential pool of trustees, the charity has, through selective advertising and networking with voluntary organizations active in the sector, sought to identify those who would be willing to become members of the charity and use their own experience to assist the charity.

Risk Management:

We are committed to a policy of identifying, monitoring and managing the risks that might adversely affect the activities in which we are involved. In this context, risk is defined as the potential to fail to achieve charity objectives and for loss, financial and reputational, inherent in the environment in which we operate in the nature of the transactions undertaken.

The principle risk of the charity has been its dependence on voluntary income. Trustees have initiated various processes to mitigate such risk, so that the charity has sufficient reserve in the event of adverse condition(s).

The trustees have also examined other operational and business risks which they face and confirm that they have taken steps to mitigate the significant risks.

**TRUSTEES' REPORT
FOR THE YEAR ENDED 30 April 2021**

Plans for future periods:

The Charity plans to develop various fundraising strategy to include mass marketing. Besides mass marketing and events, the charity is aiming to achieve its targets through securing donations from willing individuals. A development board may be created to help include other avenues of fundraising to be included in the yearly programme.
