Statement explaining the policy for holding reserves stating why they are held	Para 1.22	<p>The reserves that we have set aside provide financial stability and the means for the development of our principal activity. We intend to maintain our reserves at a level which is at least equivalent to the remainder years for each enrolled girl in school in a way that does not hinder completion of their secondary education. Therefore, if there are 4 enrolled girls in school, then reserves will be 4 X tuition fees per year X remainder academic years in school. We do not add the upcoming cost for the academic year in reserves and also pad projected upcoming costs with a contingency amount that rolls back into contingency should it not be spent. We intend to use the reserves in the following manner in 3- 5 years (based on the remainder duration of the girls education):</p> <ul style="list-style-type: none"> <li>a. Tuition fees and associated school costs</li> <li>b. Enrichment programs</li> <li>c. Emergency situations completely outside of any forecasted scenario e.g. COVID-19 pandemic</li> </ul> <p>The Board regularly on an annual basis reviews the amount of reserves that are required to ensure that they are adequate to fulfil our continuing obligations.</p>

Reasons for holding zero reserves	Para 1.22	
Details of fund materially in deficit	Para 1.24
