2024 - 2025 Annual Report

Our Objectives remain the same

To advance the conservation of both the Grey and Common seals seen around South Devon, through awareness, engagement and education.

To protect the globally rare Grey seals and the uncommon to our shores Common seals, whilst recording each sighting, adding to each seals life timeline.

Our surveying continues, increasing our knowledge and understanding of these amazing creatures. Seeing individual seals we've known return year on year is fascinating and increases our enthusiasm to learn more. This in turn, means we are best placed to advise on concerns of seals locally, who are often just resting in busy locations.

Our Trustees

Sarah Greenslade. Lee Allen. Christopher Berry. Jeanette Sanders.

There has been no change to the Trustees in place throughout the year. Our CRB certificates are in date and insurances in place to ensure the safety of both Trustees and volunteers.

We have increased our team of volunteers in this period, which has proved to be invaluable.

Achievements throughout the year

We've had another busy year, held many talks, and attended numerous events, taking part in educational workshops and engaging with people at festivals, fetes and fairs.

We were invited back to Greenway, the home of Agatha Christie, where we've held talks in Agatha's Boat House – this has to be one of our favourite locations to hold a talk, and we always have a fantastic amount of people turn up, right on the banks of the River Dart, where much of our surveying takes place.

We have also held talks across South Devon, from a talk at Hope Cove on the beach to Starcross Fishing & Cruising Club, we cover a large area of the South West coastline sharing our knowledge and our stories.

We took part in over 400 seal surveys, responded to numerous calls from members of the public, and attended a number of BDMLR Marine Mammal call outs.

Talks & presentations held throughout this period have been presented to:

South West Marine Fest Conference

South West Marine Ecosystems report and Conference

Hope Cove
National Trust Greenway
Brixham Soroptimist
Yestival Festival
Maidencombe Beach Cafe Talk
Devon Sea Swim
United Reform Church
Dittisham Ladies Club
Starcross Fishing and Cruising Club
BDMLR / The Seal Project Quiz and Talk Night

We were incredibly fortunate to receive funding from our local community on behalf of the Coop Local Community Fund, along with 'Coffee Cup' Donations from both the Breakwater Bistro and the Guardhouse Cafe.

We had a crazy idea about a remote access camera to monitor offshore rocks, which the logistics were a little challenging, so our idea took longer than anticipated to realise.

Cash at bank @ 31/03/2025 £7546

Boat fees and merchandise purchases, along with monthly fees for both insurance and our new website increased, but our merchandise sales do well and despite having no online shop we have great support from both new and local supporters, many of whom purchase from us regularly.

Overview

We've had another great year of doing all we can to raise awareness of these amazing creatures. Our team is expanding, our knowledge increases and we are frequently being called on for advice which we are always happy to give.

We incredibly appreciate all the support we receive. From donations, cups of tea whilst we are watching over a seal, to 'thank you's' for our time.

Many thanks

Sarah Greenslade

Note 2**2.2 INCOME****Recognition of income**

These are included in the Statement of Financial Activities (SoFA) when:

- the charity becomes entitled to the resources;
- it is more likely than not that the trustees will receive the resources;
- the monetary value can be measured with sufficient reliability.

Offsetting

There has been no offsetting of assets and liabilities, or income and expenses, unless required or permitted by the FRS 102 SORP or FRS 102.

Grants and donations

Grants and donations are only included in the SoFA when the general income recognition criteria are met (5.10 to 5.12 FRS102 SORP).

In the case of performance related grants, income must only be recognised to the extent that the charity has provided the specified goods or services as entitlement to the grant only occurs when the performance related conditions are met (5.16 FRS 102 SORP).

Legacies

Legacies are included in the SoFA when receipt is probable, that is, when there has been grant of probate, the executors have established that there are sufficient assets in the estate and any conditions attached to the legacy are either within the control of the charity.

Government grants

The charity has received government grants in the reporting period.

Tax reclaims on donations and gifts

Gift Aid receivable is included in income when there is a valid declaration from the donor. Any Gift Aid amount recovered on a donation is considered to be part of that gift and is treated as an addition to the same fund as the initial donation unless the charity has a separate fund for Gift Aid.

Contractual income and performance related grants

This is only included in the SoFA once the charity has provided the related goods or services or met the performance related conditions.

Donated goods

Donated goods are measured at fair value (the amount for which the asset could be exchanged) unless impractical to do so.

The cost of any stock of goods donated for distribution to beneficiaries is deemed to be the fair value of those gifts at the time of their receipt and they are recognised on receipt. In the reporting period in which the stocks are distributed, they are recognised as income.

Donated goods for resale are measured at fair value on initial recognition, which is the expected proceeds from sale less the expected costs of sale, and recognised in 'Income from other trading activities' with the corresponding stock recognised in the balance sheet.

Goods donated for on-going use by the charity are recognised as tangible fixed assets and included in the SoFA as incoming resources when receivable.

Gifts in kind for use by the charity are included in the SoFA as income from donations when receivable.

Donated services and facilities

Donated services and facilities are included in the SoFA when received at the value of the gift to the charity provided the value of the gift can be measured reliably.

Donated services and facilities that are consumed immediately are recognised as income with an equivalent amount recognised as an expense under the appropriate heading in the SoFA.

Support costs

The charity has incurred expenditure on support costs.

Volunteer help

The value of any voluntary help received is not included in the accounts but is described in the trustees' annual report.

Income from interest, royalties and dividends	This is included in the accounts when receipt is probable and the amount receivable can be measured reliably.

Membership subscriptions which gives a member the right to buy services or other benefits are recognised as income earned from the provision of goods and services as income from charitable activities.
Settlement of insurance claims	Insurance claims are only included in the SoFA when the general income recognition criteria are met (5.10 to 5.12 FRS102 SORP) and are included as an item of other income in the SoFA.
Investment gains and losses	This includes any realised or unrealised gains or losses on the sale of investments and any gain or loss resulting from revaluing investments to market value at the end of the year.

2.3 EXPENDITURE

Liability recognition	Liabilities are recognised where it is more likely than not that there is a legal or constructive obligation committing the charity to pay out resources and the amount of the obligation can be measured with reasonable certainty.
Governance and support costs	Support costs have been allocated between governance costs and other support. Governance costs comprise all costs involving public accountability of the charity and its compliance with regulation and good practice. Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, eg allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their
Grants with performance conditions	Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SoFA once the recipient of the grant has provided the specified service or output.
Grants payable without performance conditions	Where there are no conditions attaching to the grant that enables the donor charity to realistically avoid the commitment, a liability for the full funding obligation must be recognised.
Redundancy cost	The charity made no redundancy payments during the reporting period.
Deferred income	No material item of deferred income has been included in the accounts.
Creditors	The charity has creditors which are measured at settlement amounts less any trade discounts
Provisions for liabilities	A liability is measured on recognition at its historical cost and then subsequently measured at the best estimate of the amount required to settle the obligation at the reporting date
Basic financial instruments	The charity accounts for basic financial instruments on initial recognition as per paragraph 10.7 FRS102 SORP. Subsequent measurement is as per paragraphs 11.17 to 11.19, FRS102 SORP.

Investments held for resale or pending their sale and cash and cash equivalents with a maturity date of less than 1 year are treated as current asset investments

Stocks and work in progress

Stocks held for sale as part of non-charitable trade are measured at the lower or cost or net realisable value.

Goods or services provided as part of a charitable activity are measured at net realisable value based on the service potential provided by items of stock.

Work in progress is valued at cost less any foreseeable loss that is likely to occur on the contract.

Debtors

Debtors (including trade debtors and loans receivable) are measured on initial recognition at settlement amount after any trade discounts or amount advanced by the charity. Subsequently, they are measured at the cash or other consideration expected to be

The Seal Project

2023 – 2024 Annual Report

Our Objectives

To advance the conservation of both the Grey and Common seals seen around South Devon, through awareness, engagement and education.

To protect the globally rare Grey seals and the uncommon to our shores Common seals, whilst recording each and every sighting, adding to each seals life timeline.

Through our ongoing surveying around the South Devon coastline we are building up an ever increasing picture of these amazing creatures. We know many of them through not only their individual fur patterns, but by their behaviour and routines. Many seals will return to a location, almost to the day, year on year, to either pup, socialise or moult.

Our knowledge of these seals has proved invaluable for concerns from locals, visitors, local harbour authorities and marinas, tourist boats and other local businesses. We can easily put minds at rest about the behaviour of seals, who are often just resting in visible locations, from the location or a photograph. We will and do respond to calls and concerns, carrying out surveys almost 365 days a year.

Our Trustees

Sarah Greenslade. Lee Allen. Christopher Berry. Jeanette Sanders.

There has been no change to the Trustees in place throughout the year. Our CRB certificates are in date and insurances in place to ensure the safety of both Trustees and volunteers.

Achievements throughout the year

We took part in almost 300 seal surveys, responded to numerous calls from members of the public, attended over 30 BDMLR Marine Mammal call outs, attended over 70 meetings in person and online, representing ourselves at around 50 events, with the support of our volunteers. Our talks and presentations were very successful, and we were excited to be asked by the Devon Seaweed Company to utilise part of their new store at the Dartington Cider Press complex in Totnes. This was a fantastic opportunity for us, and a great way to raise awareness.

2023 was again a great year for us at the Devon County Show. This is always a highlight for us and a great way to gain new opportunities for talks and presentations, showcasing our knowledge and our seal stories.

We were incredibly excited to be asked to hold talks at the Agatha Christie's house at Greenway, in South Devon, at her private boathouse. This location on the banks of the river Dart is an amazing place from which to hold talks and has been incredibly successful. We have been asked back again later in 2024 and 2025.

We also volunteer with the RSPCA Wildlife Rescue Centre in Taunton, which gave us the opportunity to assist them with seal releases over the winter months.

Talks & presentations held throughout this period have been presented to:

- Phab Torbay
- Brixham Rainbows & Brixham Brownies
- National Trust Greenway
- Dartmouth & Kingswear Society
- The staff at RSPCA West Hatch Taunton
- South Devon Saving Species Conference
- Brixham Sea Rangers

- The Happy Hub
- South West Marine Fest Conference
- South West Marine Ecosystems report and Conference
- Totnes Air Cadets
- Devon Dumplings Ladies Group
- Celebrate Start Bay Festival
- Dartmouth Regatta
- Yes!tival Music Festival
- With school presentations given to Cockington, Furzeham, Galmpton & Eden Park Primary Schools

Financial Review

We were incredibly fortunate to gain the funding from our local community on behalf of the Coop Local Community Fund for the third year in a row, to which we received the sum of £2200.

Cash at bank @ 31/03/2024 £3592

Boat fees and merchandise purchases, along with set up costs for our stand at the Devon County Show increased our spending during the year, but our merchandise sales do well and despite having no online shop we have great support from both local and overseas supporters, many of whom purchase from us regularly. This support is always appreciated.

Overview

This has been another successful year for us in which we do all we can to raise awareness of these amazing creatures.

Our knowledge and understanding of these seals is unrivalled and we will do all we can to continue this work, whilst learning more every day, and gaining further insights into these creatures as both a species and as individual characters.

Many thanks

Sarah

THE SEAL PROJECT

England & Wales - Charity number 1187703

Accounts

The Seal Project (1187703) 2022-2023 Annual Report

Our Objectives

To advance the conservation of the Grey and Common seals seen within the South Devon area.

To raise awareness through education & information to protect these both endangered Grey seals and uncommon Common seals whilst recording each sighting adding their seal life stories.

Through our ongoing surveying around the South Devon coastline we are building up an ever increasing picture of these amazing creatures. We know many of these seals well and over period of years can identify them through their individual fur patterns, by their behaviour and routines.

Our knowledge of these seals has proved invaluable for concerns from locals, and visitors to harbour authorities and marinas. We can easily put minds at rest about concerns, often merely sleeping or resting seals in highly visible locations.

Our Trustees

The following oversee the running of the Charity, CRB certificates are in date & insurances in place to ensure the safety of both Trustees & volunteers.

Sarah Greenslade, Lee Allen, Christopher Berry & Jeanette Sanders

Achievements

Once again we've had a busy year. The weather conditions stopped many surveys from taking place, either because of the rain, or wind. Sunny days and high seas don't make boat surveys with cameras easy. However we still achieved many surveys, recording seals we know well along with some new faces both young and older!

Our highlight of this year has to be being asked to take part in BBC's Countryfile. We, as both as The Seal Project, and as BDMLR (British Divers Marine Life Rescue) Marine Mammal Medics, were all on an episode entitled 'Brixham'. We were so proud of this! Between our Trustees and our volunteers we represented 3 Charities we volunteer for on one episode of this well known TV programme, alongside other locally represented groups.

Once again we've been busy with talks and presentations. Our biggest event being the Devon County Show. Its a 3 day event, which always brings us great contacts and this year we proudly unveiled our new logo created by a student from Stover School. Where better to unveil our winning entry!

Our consistent surveys, talks, visibility and knowledge are proving our reputation and we are proud of this.

Throughout 2022-23 we have taken part in almost 200 seal surveys, responded to 53 calls from members of the public, attended 22 BDMLR Marine Mammal Medic call outs, and attended 76 meetings and represented ourselves at 43 events, with the amazing support of 15 volunteers, including DofE Students. We have been so well supported by so many.

In this year we've presented to the following:

Fishcombe Cove Cafe, Dartmouth Yacht Club, Brixham Yacht Club, Kingsbridge Natural History Society, Kingskerswell Natural History Society, Dart Mansonic Lodge, Totnes BSAC, Shores of South Devon AGM, Teignmouth School, Galmpton Primary School, Churston Grammar School, Torbay V Arthritis, Furzeham Primary School, Dartmouth Regatta Family Weekend, Stover School, South West Marine Fest Webinar, Folk Inspired Marldon Christmas Tree Farm event and have also taken part in events with the Wild Planet Trust, #OperationSeabird, Conservation Chat UK, English Riviera Geopark & Brixham Town Council and been involved with Torbay Cleaner Coasts Initiative, Torbay Marine Forum, Seal Alliance & Seal Research Trust, BDMLR alongside others.

Financial Review

The Coop Local Community fund again supported us for a second year, and we incredibly appreciate this. Its fantastic to know we have such community support.

We were also fortunate enough to be granted funding by Dartmouth Town Council to enable us to monitor the Dartmouth/ South Hams/ River Dart locations with more ease.

We had a number of items purchased in this financial year. A Gazebo which has proved its worth. We've attended a number of weather affected events but our sturdy purchase has been rock solid and given we had this printed black to help our seal skeletons stand out against the background, we had to ensure they were safe inside the gazebo no matter what the conditions were, and they are!

Surveying on the sea means lots of salt water spray. This is a massive nightmare for our camera equipment, and without this kit we cannot record all we do. so keeping the camera equipment safe is key. We waited for Ocean Covers to be able to fit us in at a great price for a bespoke canopy t our survey boat, to which they kindly sponsored us too, and designed this perfectly for protection with maximum visibility panels, to ensure monitoring was never compromised. This has proved invaluable. We can now survey out of the wind, protected from the sea and sun, spray, rain, wind and heat - and our camera equipment remains clean, cool and dry.

Our logo needed refreshing, so with the help of the pupils at Stover School we launched a logo competition. The perfect place to launch the winner of this competition this was at the Devon County Show 2023. This required new leaflets, signage and clothing, which was very successfully received, and we are very pleased with our bright new look.

This did all come at once, but we have worked hard to sell our merchandise, raise donations and most of all, raise awareness. We will keep doing all we do to ensure the seals are safe and to ensure this remains so. Our aim is always to ensure we protect the seals, which we do well, and we are always grateful that we are respected and appreciated amongst our community.

Many thanks

Sarah

The Seal Project

2021-2022 Annual Report

REGISTERED CHARITY NO 1187703 26 GOLDEN CLOSE, BRIXHAM TQ5 9QT

Objectives

To advance the conservation of the Grey seal population with the South Devon area. This now also includes the less locally seen Common Seals who we know are increasingly seen here in South Devon.

To raise awareness through education & information to protect these both endangered and unusual seals whilst recording each and every sighting adding this to each seals life timeline.

From our surveying we can sometimes pinpoint when seals will return to a location, almost to the day. We know this through regular surveying and understanding our individual seals well.

Knowing these seals locally we can inspire and enthuse both the young and old giving each seal its true-life story, which we can continually add to. Seals can live to over 20 years plus, so our few years of recording is giving us so much data on otherwise little recorded seals. Without us, they don't get seen with a past or a future. Which is why we thrive on what we do and what we learn about each individual seal.

Trustees

The following oversee the running of the Charity, CRB certificates are in date & insurances in place to ensure the safety of both Trustees & volunteers.

Sarah Greenslade, Lee Allen, Christopher Berry & Jeanette Sanders

Achievements

We started this new financial year by being asked to front the Seal Alliance, DEFRA backed 'Watching Seals Well' campaign which was launched on the BBC 'Breakfast' programme on 2nd April 2021.

Sarah & Chris took part not only as The Seal Project but also as part of British Divers Marine Life Rescue, of which we are all members, and Chris is the Devon Area Co-Ordinator for. This was a fantastic audience for us.

Our year brought about some changes and we learnt to be resilient, and to be confident in our capabilities. We know this has served us well going forward. Throughout the year we proved we are good at what we do. We've made some great connections with amazing people & we know our seals.

Our surveying is constant and ongoing, both on land and by boat. This gives us a fantastic coverage of the coastline. With the help of some great volunteers, we did some fantastic surveying, monitoring disturbance as well as adding to our data. Our expanding knowledge of individual seals is fascinating and gives us quite an insight into the behaviours of returning known seals. This data is shared with the Seal Research Trust (Cornwall Seal Group Research Trust).

We are now monitoring not only the Globally rare Grey seals, but also the uncommon to this area Common Seals, we have been able to identify and record them including a pup born within the South Devon area.

Our determination to record as much as we can gives us so much to do, but in turn helps us discover things we wouldn't otherwise learn and we wish to share this as best we can.

We've taken part in a number of talks online, Seal Alliance Sharepoint, Conservation Chat UK Webinar, Coop Community Events, and the G7 Youth Summit, to name a few.

and in person we've attended the following, with a number of other events also undertaken:

Dartmouth Food Festival Schools Day
Fishcombe Cove Cafe (twice)
South Devon Coasteering AGM
Stoke Gabriel Boating Association
Galmpton Primary School

The Devon County show
Brixham Ladies Forum
Rotary of Brixham
Yes! Brixham The Edge
Chudleigh Primary School

We've had students from various Universities & schools volunteering with us, one of whom is still part of the team even though she's graduated & overseas, along with others, some of whom have taken part as their Duke of Edinburgh placements.

Financial Review

The Coop Local Community fund has been our main supporter, we were accepted for our second year of funding, having had £3640.23 raised for our first year. This was absolutely amazing & we are incredibly grateful for their support. They nominated us for invites to the Duchess of Cambridge's Christmas Service at Westminster Abbey. We were overwhelmed to be chosen so Sarah & Lee went to the service which was aired on the BBC on Christmas Eve.

Donations were also raised by 365 Sea Swim Challenge. We received an amount of £1165.14 for the previous year's swimmers, which included our own Sarah who raised £130. Sea swimmers, who swim various challenges raise funds for their chosen charities as well as the 365 Sea Swim Challenge Legacy fund Charities (The Seal Project & Shoalstone Seawater Pool).

Cash in the bank at 31/03/2022 £6131

We are well supported by an amazing network of groups and people. We love presenting talks to schools, groups & clubs and as we continue to learn we gain more knowledge we can share. Working together with others is key. We are all striving to protect the amazing wildlife around our shores, and we are getting recognised locally for the knowledge we have.

We will continue to do all we can to monitor, protect & record these amazing creatures whilst engaging the public of all ages about the fascinating life on our doorstep.

Many thanks

Sarah

**CHARITY COMMISSION
FOR ENGLAND AND WALES**

Trustees' Annual Report for the period

From 20/02/2020 Period start date To 31/03/2021 Period end date

Charity name: The Seal Project Charity registration number: 1187703

Objectives and Activities

	SORP reference	
Summary of the purposes of the charity as set out in its governing document	Para 1.17	To advance the conservation of the Grey seal population in the Torbay and surrounding area of Devon, In particular but not exclusively by developing research and providing appropriate protection of Grey seals.
Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts.	Para 1.17 and 1.19	To advance the education and inform the general public for the public benefit about grey seals. In particular but not exclusively by providing and delivering educational packages to schools and colleges. To raise awareness of the globally rare species through talks and presentations we aim to reduce the negative impact factors which threaten the seals welfare. Much of this is done through regular monitoring and surveying of these seals.
Statement confirming whether the trustees have had regard to the guidance issued by the Charity Commission on public benefit	Para 1.18	We have successfully held talks, presentations and been asked to attend events to showcase our knowledge of these creatures.

Achievements and Performance

Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	Through regular surveys & monitoring of the grey seals we can clearly identify individuals. We have achieved this by recording all seal sighting and registering each individual seal, giving it a name and number. In doing this we have added vast data not only to our own database, but to that of Cornwall Seal Group Research Trust, with whom we share our data. They previously only held a small number of recorded seals within the South Devon area, but with almost daily surveys, from both land and sea we have significantly increased this data. This in turn gives us an insight into the distances seals can travel enabling us to learn more about these globally rare species. As a result of this we can talk with clarity about easily recognised returning seals, giving them a voice. We are learning more about the behaviours of these creatures. In turn this gives us a different angle to other conservation groups when talking about the seals. Knowing even a small timeline on a seal creates part of a life story which gives the public an understanding they wouldn't otherwise have. This makes them more inclined to get involved with the project and volunteer with us, from sending in seal sighting photos or volunteering to help survey or manage data, taking leaflets and putting up signage.

Achievements against objectives set	Para 1.41	We have access to a Survey boat which has enabled us to cover over 40kms of the South Devon coastline. This has increased our surveying areas and therefore increased our knowledge of seals. We have also been able to monitor other wildlife and reported incidents against other marine mammals.
Performance of fundraising activities against objectives set	Para 1.41	Through a £5,000 donation to the project, we were able to consider running a survey boat. This has proved vital for monitoring seals, especially if entangled or under disturbance. We have not only been able to monitor wildlife but record human disturbance issues regarding jet skis in restricted areas. Other talks have raised funds, but as a new project we were just making inroads to future events when Covid 19 began. Many of these talks and assemblies were delayed but we took part in numerous on line webinars. The few talks we had done gave us a wider social media and local presence and as a result we raised funds through selling merchandise both purchased and donated, and funds were also raised over the Christmas period with online adoptions of seals.

Financial Review

Review of the charity's financial position at the end of the period	Para 1.21	Many of our costs in the first year were set up costs for merchandise and clothing along with boat costs.

Accounting policies

2.2 INCOME

Recognition of income

These are included in the Statement of Financial Activities (SoFA) when:

- the charity becomes entitled to the resources;
- it is more likely than not that the trustees will receive the resources;
- the monetary value can be measured with sufficient reliability.

Yes*

Offsetting

There has been no offsetting of assets and liabilities, or income and expenses, unless required or permitted by the FRS 102 SORP or FRS 102.

Yes*

Grants and donations

Grants and donations are only included in the SoFA when the general income recognition criteria are met (5.10 to 5.12 FRS102 SORP).

Yes*

In the case of performance related grants, income must only be recognised to the extent that the charity has provided the specified goods or services as entitlement to the grant only occurs when the performance related conditions are met (5.16 FRS 102 SORP).

Yes*

Legacies

Legacies are included in the SOFA when receipt is probable, that is, when there has been grant of probate, the executors have established that there are sufficient assets in the estate and any conditions attached to the legacy are either within the control of the charity or have been met.

Yes*

Government grants

The charity has received government grants in the reporting period

Yes*

Tax reclaims on donations and gifts

Gift Aid receivable is included in income when there is a valid declaration from the donor. Any Gift Aid amount recovered on a donation is considered to be part of that gift and is treated as an addition to the same fund as the initial donation unless the donor or the terms of the appeal have specified otherwise.

Yes*

Contractual income and performance related grants

This is only included in the SoFA once the charity has provided the related goods or services or met the performance related conditions.

Yes*

Donated goods

Donated goods are measured at fair value (the amount for which the asset could be exchanged) unless impractical to do so.

Yes*

The cost of any stock of goods donated for distribution to beneficiaries is deemed to be the fair value of those gifts at the time of their receipt and they are recognised on receipt. In the reporting period in which the stocks are distributed, they are recognised as an expense at the carrying amount of the stocks at distribution.

Yes*

Donated goods for resale are measured at fair value on initial recognition, which is the expected proceeds from sale less the expected costs of sale, and recognised in 'Income from other trading activities' with the corresponding stock recognised in the balance sheet. On its sale the value of stock is charged against 'Income from other trading activities' and the proceeds from sale are also recognised as 'Income from other trading activities'.

Yes*

Goods donated for on-going use by the charity are recognised as tangible fixed assets and included in the SoFA as incoming resources when receivable.

Yes*

Gifts in kind for use by the charity are included in the SoFA as income from donations when receivable.

Yes*

Donated services and facilities

Donated services and facilities are included in the SOFA when received at the value of the gift to the charity provided the value of the gift can be measured reliably.

Yes*

Donated services and facilities that are consumed immediately are recognised as income with an equivalent amount recognised as an expense under the appropriate heading in the SOFA.

Yes*
