Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

The objects of the CIO are for the public benefit to relieve those needs of adults with disabilities which arise from social isolation on the grounds of disability by working to assist such people to maximise their potential, develop friendships and relationships, reducing their loneliness and isolation and facilitating their full participation in society.

As the CIO has not been activated, no activities have taken place. The initial elected Trustees are aware of the Charity Commission guidance on public benefit.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

Summary of the main achievements of the charity during the year

Due to the Covid pandemic the opportunity to deliver the Love4Life intended services were thwarted and as such the CIO has not been activated and sits purely as a shell CIO at this stage. Once the ability for vulnerable adults to interact and socialise freely without the risk of infection returns within the community at large, we will reconsider our decision on when best to activate the CIO. It has not been possible since March 2020 for Love4Life to develop as our intended beneficiaries were at risk and hence it was prudent to delay the timings of activation.
