Message from the Chair of Trustees

After the tumultuous pandemic years of 2020 and 2021, many hoped that things would calm down in 2022. However, unfortunately 2022 was a challenging year with war and conflicts raging globally, energy crisis, record inflation and natural disasters including wildfires, droughts and flooding.

Despite all these challenges it has been another rewarding year for Smilez in serving the poor and vulnerable and delivering aids to hundreds of individuals and families. Our amazing donors have continued to support us generously through these difficult times.

During April 2022, one of our Trustees was in Bangladesh to oversee the delivery of our Ramadan Project and installation of new water wells. Earlier this year I was in Bangladesh and took the opportunity to review some of the projects Smilez has delivered since its inception, including the Houses and Water Wells we have built. I spoke to the beneficiaries of our projects and they were all overwhelmingly grateful for the positive impact we have had on their lives and on the wider community. I encourage you all to visit our YouTube channel where you can see the review videos, along with videos of all our projects.

I would like to thank all our donors and well-wishers for their continued support. I would also like to express my gratitude to all our volunteers for their commitment, enthusiasm and efforts.

For 2023, Smilez will continue to make a difference to help relieve poverty and distress.

Education scholarship 2022

20 students without the means to fund their education were provided with a scholarship to continue their education.

20 school students were nominated for their high performance. These students were from poor families who without the scholarship award would not be able to continue their education. The award was made to help pay their admission fees, textbooks and other study materials. This project was entirely funded by Gift Aid payment received from Her Majesty's Revenue and Customs (UK HMRC).

Marketing, Media and Fundraising Highlights

This year our Smilez volunteers in the UK have been busy supporting fundraising activities whilst our volunteers in Bangladesh have supported the delivery of our projects. Our marketing and media team have created several posters and videos and used our social media channels to engage with our donors.

Smilez has also been featured in many local and national print media and TV news channels for its campaigns in Bangladesh.

The Smilez UK Volunteers also took part in the Al-Noor Boat Race to raise funds for the Flood Victims in Bangladesh.

Smilez is committed to ensure we adhere to the Fundraising Regulator's Code of Fundraising Practice, data protection requirements and charity legislation to ensure that our fundraising activities are legally compliant, transparent, and reflect best practices.

Plans for 2023

Whilst this has been a successful first year for Smilez we are confident that we can achieve more by continuing to make improvements and learn from the projects we have already delivered this year.

Therefore, as well as continuing to build on our major projects initiated this year, we seek to develop further projects. In particular we are keen to diversify our areas of operation to other areas of Bangladesh and also other parts of the world. To do this we will seek to develop partnerships with trusted organisations and volunteer networks who can help us deliver projects in country.

We recognise that our donors and supporters play a fundamental part in the success of the projects delivered by Smilez. Therefore in 2023 we aim to increase our social media presence to engage more regularly with our donors and hopefully increase the number of donors and supporters.

The entire team at Smilez is looking forward to 2023 and firmly believe that we can continue to bring smiles to peoples' lives.

Statement of Trustees' Responsibilities

The Trustees are required to prepare financial statements for each financial year in compliance with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and all other applicable law which give a true and fair view of the state of affairs of the Charity and the incoming resources and application of resources, including the net income and expenditure for the year. They are also responsible for safeguarding the assets of the Charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

In preparing those financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis, unless it is inappropriate to presume that the Charity will continue to operate.

The Trustees confirm that the accounts comply with current statutory requirements.

Statement of Financial Activities

Our source of income this year was donations from the public and Gift Aid. The charity expenses have been purely related to administration fees i.e. bank transfer fees, promotional materials, website hosting. All expenses have been taken from the 25% Gift Aid donations provided by the government. This has allowed the charity to uphold its 100% donation policy.

Independent Examiner's Report

I report on the financial statement of the charity for the period ended 31st December 2022.

This report is made solely to the charity's Trustees, as a body, in accordance with section 145 and the regulations made under section 154 of the Charities Act 2011. My work has been undertaken so that I might state to the charity's trustees those matters I am required to state to them in an independent examiner's report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the charity and the charity's trustees as a body, for my work, for this report, or for the opinions I have formed.

Respective Responsibilities of Trustees and Examiner

The Trustees are responsible for the preparation of the financial statements. The Trustees consider that an audit is not required for this period under section 144(2) of the Charities Act 2011 (the Act) and that an independent examination is needed.

Having satisfied myself that the company is not subject to audit under charity or company law and is eligible for independent examination, it is my responsibility to:

- examine the financial statements under section 145 of the Act;
- follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the Act; and
- state whether particular matters have come to my attention

Basis of Independent Examiner's Report

My examination was carried out in accordance with the general directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the financial statements presented with those records. It also includes consideration of any unusual items or disclosures in the financial statements, and seeks explanations from the Trustees, concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the view given by the financial statements.

Independent Examiner's Statement

In the course of my examination, no matter has come to my attention:-

- 1) which gives me reasonable cause to believe that in any material respect the requirements:
 - to keep accounting records in accordance with Section 130 of the Act; and
 - to prepare financial statements which accord with the accounting records and comply with accounting requirements of the Act and with the methods and principles of the Statement of Recommended Practice: Accounting and Reporting by Charities have not been met; or
- 2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the financial statements to be reached.
