Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

Our prime objective is to support certain sections of the community that are less fortunate, with some aid which will hopefully give the family much needed relief. We target those who meet our set criteria in order to receive aid from us in that they must be either: elderly, widowed, orphaned, disabled or sick, isolated or in acute poverty.

Each of the beneficiaries who receives aid from the charity are surveyed and records updated by our project team leaders and local volunteers.

Below is a summary of the main activity undertaken for the public benefit in relation to our Objects:

Food Kits

Food Kits are distributed to the deprived and underprivileged, elderly, widows, poorly and the needy.

These Food Kit provisions are enough for a family of up to five to live on for five/six weeks.

As well as Food Kits, some token cash amount may also be given so that other items of need which are not included in our Food Kits can be purchased.

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

The charity is not currently engaged in grant making or programme related investment.

We are extremely grateful to all our volunteers (and Project Team members) who have been responsible for undertaking, conducting and co-ordinating surveys throughout our distribution areas ahead of the Trustee visit to India this year.

This has helped the charity to ensure that the beneficiaries meet our criteria for assistance and that they are the rightful recipients for our distribution.

Summary of the main achievements of the charity during the year

We were fortunate that one of the Trustees had a period of stay in India during November 2023 to personally oversee the charity work and undertake the distribution themselves and by hand and in person.

The Trustee was able to visit Surat (in the state of Gujarat) to distribute the aid to the people in need

The charity has identified a supervisor in this district/state. The supervisor with their own respective and dedicated volunteers undertake the surveys of their area identifying those who meet our set criteria in receiving the aid from the charity.

Below is a summary of the main achievement of the charity during the year:

Food Kits

Our main charity work has been the distribution of Food Kits to those struggling households who face great difficulties in making ends meet.

The charity has been able to distribute Food Kits within this district/state.
