Summary of the main achievements of the charity during the year

We have focussed our efforts on developing relationships with a few new sponsors with mixed results. A few initially committed to helping with funding support for our next event but had to pull out due to their own financial commitments.

Despite this VCF remains focussed exploring alternative donors, one of which has pledged their support – they are a local restraint chain in Maidenhead and we are in conversation with them to arrange a charity fundraiser in 2026. All proceeds will be donated to key blood cancer organisations that require urgent financial support in order to keep pace with their projects.

Section E**Financial review**

Brief statement of the charity's policy on reserves

We continue to have sufficient reserves in place to support VCF for the coming years.

No funds materially in deficit.

Summary of the main achievements of the charity during the year

Unfortunately, due to Covid restrictions we were unable to organise any fundraising activities for this particular year. We also had a family bereavement (our father passed away) and had to take care of our elderly mother who required extensive surgery, as well. Due to these circumstances we forced to put all plans on hold.

However, we focussed our time on developing future plans and relationships and that will benefit VCF in the future e.g. brainstorming initiatives with existing beneficiaries and exploring potential new avenues for the charity, such as Blood Cancer UK.

VCF is determined to continue supporting other key blood cancer organisations that require urgent financial support in order to keep pace with their projects.

You may choose to include further statements, where relevant, about:
