Section D Achievements and performance

Section D Achievements and performance

Summary of the main achievements of the charity during the year

Unfortunately, due to Covid restrictions we were unable to organise any fundraising activities for this particular year. We also had a family bereavement (our father passed away) and had to take care of our elderly mother who required extensive surgery, as well. Due to these circumstances we forced to put all plans on hold.

However, we focussed our time on developing future plans and relationships and that will benefit VCF in the future e.g. brainstorming initiatives with existing beneficiaries and exploring potential new avenues for the charity, such as Blood Cancer UK.

VCF is determined to continue supporting other key blood cancer organisations that require urgent financial support in order to keep pace with their projects.

Section E Financial review

Brief statement of the charity's policy on reserves

We have sufficient reserves in place to support VCF for the coming years.

Details of any funds materially in deficit

No funds materially in deficit.

You may choose to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
