- relationship with any related parties;
- Trustees' consideration of major risks and the system and procedures to manage them.

Section C Objectives and activities

Summary of the objects of the charity set out in its governing document	The Principal objectives of the Charity is to help the profile of MDS, a life threatening condition that is under recognised when compared to mainstream cancer conditions, which receive greater levels of funding across the board and in particular for training and development purposes.

Scanned with CamScanner

Section D — Achievements and performance

Summary of the main achievements of the charity during the year

Unfortunately, due to Covid restrictions we were unable to organise any fundraising activities for this particular year. We also had a family bereavement (our father passed away) and had to take care of our elderly mother who required extensive surgery, as well. Due to these circumstances we forced to put all plans on hold.

However, we focussed our time on developing future plans and relationships and that will benefit VCF in the future e.g. brainstorming initiatives with existing beneficiaries and exploring potential new avenues for the charity, such as Blood Cancer UK.

VCF is determined to continue supporting other key blood cancer organisations that require urgent financial support in order to keep pace with their projects.
