- the charity's organisational structure and any wider network with which the charity works;
- relationship with any related parties;
- trustees' consideration of major risks and the system and procedures to manage them.

All Trustees and persons involved with our Foundation Days have been subject to The Child Protection Policy prior to appointment and Criminal Records Bureau are carried out annually. The children who participate are accompanied by two teachers from their school and only school vehicles are used to transport them.

## Section C Objectives and activities

**Summary of the objects of the charity set out in its governing document**

The objects of the Foundation are to promote the advancement of sport and to give disadvantaged young people relief and the opportunity to participate and develop their skills and promote wellbeing.

**Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)**

Our aim is to raise funds from a Gift of Golf Day annually, and this money is then utilised to take small groups of between 10 and 15 children out of school for one day, firstly to a golf club, where they learn to hit a golf ball, putt and generally learn a little about hand-eye co-ordination. There is generally a little competition to end where they get to play against each other.

We then provide lunch, so far this has been at McDonalds, with obvious restrictions accordingly to their individual dietary restrictions.

Once lunch has been completed, we then move onto more fun with either trampolining/wall climbing or similar, followed by Crazy Golf, so they get to use what they learned in the morning.

Lastly, all of the children are provided with a medal and certificate from the Foundation to celebrate their day.

All children who participate are selected by the relevant school's Pastoral Group, who know who will benefit most from a day of fun, away from anything else that may be going in their lives.

#### **Additional details of objectives and activities (Optional information)**

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

We are very grateful for the many volunteers who have helped with the Golf Day, all either friends or family of Ricki Neil-Jones, in whose name we have this charity.

All help has been given freely and we would not be able to raise so much money, coach the children on the Foundation Days, and have time to listen and encourage them.

Without their assistance, we could never have done as much as we have.

**Summary of the main achievements of the charity during the year**

We have managed to have only three of these days so far, with Covid putting a halt to our planned programme of at least 6 Foundation Days for the year. We did however manage to give 24 children a fun day out and found that they ended their day, smiling, happy and having made new friends.

We began promoting Role Model In Sports and presented a shield from the Foundation to the first person in July 2019, but again have been prevented from taking this any further because of Covid.

We also held the Annual Gift of Golf Day in October 2020, and raised funds through paying to play, raffle, donations and auctions, all of which will help us continue to help children.

## Section E

## Financial review

### Brief statement of the charity's policy on reserves

Cash at Bank is a lump sum achieved at an event for Ricki Neil-Jones prior to his passing. Unfortunately, he was not able to use this. This will carry us forward in the event of any loss of fund-raising abilities i.e. Covid etc. and is also available for any unforeseen expenditures that may occur.

### Details of any funds materially in deficit

None

### Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.

All of the monies received go directly to providing as many Foundation Days for the children, and the only costs are those relevant to the days, for example, paying golf coaching in the morning, lunch, afternoon activities. Also, payment is made to the relevant golf club for the hire of their facilities for the Gift of Golf Day.

## Section F

## Other optional information

### FUTURE PLANNING

We anticipate holding between 6 – 10 Foundation Days each year and also to further help any child that shows an interest in golf, with membership to a golf club, equipment etc. We are also looking at extra gifts to give each child at the end of the day i.e. hat, water-bottle.

We are also looking at providing approximately 10 schools with 50 x Starter Packs each including pencil, pen, ruler, eraser and highlighter, complete with our logo and some information as to what we do, in order to further promote the Foundation.
