Section B Structure, governance and management

Description of the charity's trusts

Type of governing document (eg. trust deed, constitution)	Constitution adopted 21/03/2019
How the charity is constituted (eg. trust, association, company)	Unincorporated association
Trustee selection methods (eg. appointed by, elected by)	Appointed or reappointed by current trustees by vote annually at the Annual General Meeting usually held late June/ early July.

Additional governance issues (Optional information)

You **may choose** to include additional information, where relevant, about:

- policies and procedures adopted for the induction and training of trustees;
- the charity's organisational structure and any wider network with which the charity works;
- relationship with any related parties;
- trustees' consideration of major risks and the system and procedures to manage them.

Although the charity is an independent organisation, it exists solely to support the BRIT School. All net funds raised are used to benefit the school community, typically through capital expenditure projects or targeted programme support.

The charity receives proposals from the school annually, which are reviewed and approved by the trustees before any funds are allocated.

The trustees, who are parents of students at the school, serve on a voluntary basis and receive no remuneration. Meetings are held as required to discuss and plan future fund raising events. Additionally, parents of students volunteer to help with fund raising events on an ad-hoc basis.

Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

The object of the association is to advance the education of pupils in the school by:

1. Developing effective relationships between the staff, parents and others associated with the school.
2. Engaging in activities or providing facilities or equipment which supports the school and pupils

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

During the year, the charity supported The BRIT School through a range of fundraising activities, including two main events specifically held for parents, as well as the sale of refreshments (e.g. snacks and beverages) at school performances and events across the various strands.

The funds raised were used to support the school by providing additional resources, equipment or facilities that enhance students' education, wellbeing and wider school experience. These activities also helped to strengthen relationships within the school community, in line with the charity's stated objectives.

The trustees confirm they have had due regard to the Charity Commission's guidance on public benefit when planning and reviewing the charity's activities and objectives.

Additional details of objectives and activities (Optional information)

The charity is hugely grateful to all of the parent volunteers who give their time to support our events throughout the year. Their involvement, whether helping to organise or support strand events or open days, is vital to the success of our fund raising events.

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

Summary of the main achievements of the charity during the year

The charity organised two main fundraising events during the year, both of which were well attended and supported by parents of the school. These events include either a silent auction or online raffle which include prizes donated by parents, alumni and friends of the school. In addition, the charity provided refreshments at a number of school events including open days and student performances throughout the year.

Funds raised were used to support key projects within the school. For example, this year we have contributed to 'BRIT Fit', an ongoing fitness and well being initiative, originally launched with funding from the charity and supported annually since. We have also funded refurbishment of a ventilation system to enable an additional food outlet to be available to the students.

Section E

Financial review

Brief statement of the charity's policy on reserves

As at 31/08/25 the charity held a balance of £3864 in line with the £3000 reserves policy previously agreed by former trustees.
As we have no fixed overheads other than for modest annual insurance, the trustees will review whether a lower reserve level would be more proportionate to the charity's operational needs.

Details of any funds materially in deficit

Not applicable

Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.

The charity's principal source of income continues to be fund raising activities organised for and by the school community.
The charity does not hold any investments beyond standard bank accounts and has not adopted an ethical investment policy as this is not applicable to the current financial structure.

Set out on pages

(remember to include the page numbers of additional sheets)

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended 31/08/2025.

Responsibilities and basis of report

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

- trustees' consideration of major risks and the system and procedures to manage them.

Although the charity is an independent organisation, it exists solely to support The BRIT School. All net funds raised are used to benefit the school community, typically through capital expenditure projects or targeted programme support. The charity receives proposals from the school annually, which are reviewed and approved by the trustees before any funds are allocated.

The trustees, who are parents of students at the school, serve on a voluntary basis and receive no remuneration. Meetings are held as required to consider these proposals and to plan fundraising events, ensuring that funds are used effectively and in line with the charity's objectives. The structure is designed to maintain independence while working closely with the school to ensure alignment with its needs.

Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

The object of the association is to advance the education of pupils in the school by:

1. Developing effective relationships between the staff, parents and others associated with the school.
2. Engaging in activities or providing facilities or equipment which support the school and advance the education of pupils.

During the year, the charity supported The BRIT School through a range of fundraising activities, including two main fundraising events specifically held for parents, as well as the sale of refreshments (e.g. snacks and beverages) at school performances and events across the various strands.

The funds raised were used to support the school by providing additional resources, equipment or facilities that enhance students' education, wellbeing and wider school experience. These activities also helped to strengthen relationships within the school community, in line with the charity's stated objectives.

The trustees confirm that they have had due regard to the Charity Commission's guidance on public benefit when planning and reviewing the charity's activities and objectives.

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

The charity is enormously grateful to all of the parent volunteers who generously give their time to support our events throughout the year. Their involvement, whether helping to organise or support strand events or open days, is vital to the success of our fundraising efforts and building relationships. Without their valuable energy and commitment, many of these events simply would not be possible. All volunteer support is given freely, with no remuneration, and is deeply appreciated by the trustees and the school.

Section D

Achievements and performance

Summary of the main achievements of the charity during the year

The charity organised two main fundraising events during the year, both of which were well attended and supported by parents of the school. These events include either a silent auction or an online raffle. In addition, the charity provided refreshments at a number of school events, including open days and student performances across the year. Funds raised from the activities were used to support key projects within the school. This included contributing to 'BRIT Fit', an ongoing fitness and wellbeing initiative originally launched with funding from the charity and supported annually since. The charity also funded the purchase of a new school oven, enhancing catering provision for students.

Section E

Financial review

Brief statement of the charity's policy on reserves

As at 31st August 2024, the charity held a balance of £886 in its general current account, which is used for day-to-day income and expenditure. An additional £3,107 is held in a separate 'Gold' account, in line with a £3000 reserves policy previously agreed by former trustees.

The charity does not have fixed overheads, other than for modest annual insurance, or regular financial commitments, and does not anticipate unexpected costs. However, a modest reserve is maintained to enable the pre-purchase of stock and supplies for fundraising events if required.

The trustees intend to review the current reserves policy to determine whether a lower reserve level would be more proportionate to the charity's operational needs.

A small historical cash balance of £26 is held securely, awaiting banking, but is not in active use, as the charity has not operated using cash since prior to 2023.

Details of any funds materially in deficit

Not applicable

Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.

The charity's principal source of income continues to be fundraising activities organised for and by the school community. As detailed above, expenditure during the year was directed toward supporting projects that enhance pupils' education and wellbeing in line with the charity's objectives. The charity does not hold any investments beyond standard bank accounts and has not adopted an ethical investment policy, as this is not applicable to its current financial structure.
