

2021 Annual Report to PTFA

Trustees

By Lisa Lewis

2020-2021 has been our second year as a PTFA and has seen us become dormant in fundraising due to the COVID pandemic.

Despite this we have still managed to raise £864.08 through the school lottery. easy fundraising and also Xmas for schools.

We provided Christmas presents for all of the children in school and also repaid the enterprise loan to Virgin.

Our next target is to raise enough money to resurface the whole of the playground, before installing activity boards and murals to brighten it up and provide our children with something to expand their minds as well as aiding healthy bodies. The quote for resurfacing came in at just under £40,000. Quite expensive but not unachievable (in time).

Once we are out of lockdown and are able to invite people into school again, we plan to have regular family activity nights (quizzes, race nights etc) along with discos and pop up shops, Summer and Christmas fayres,

Attached you will find a copy of the accounts for 2020-2021 and it is clear that the COVID pandemic has set us back massively in our endeavours to raise the playground money.

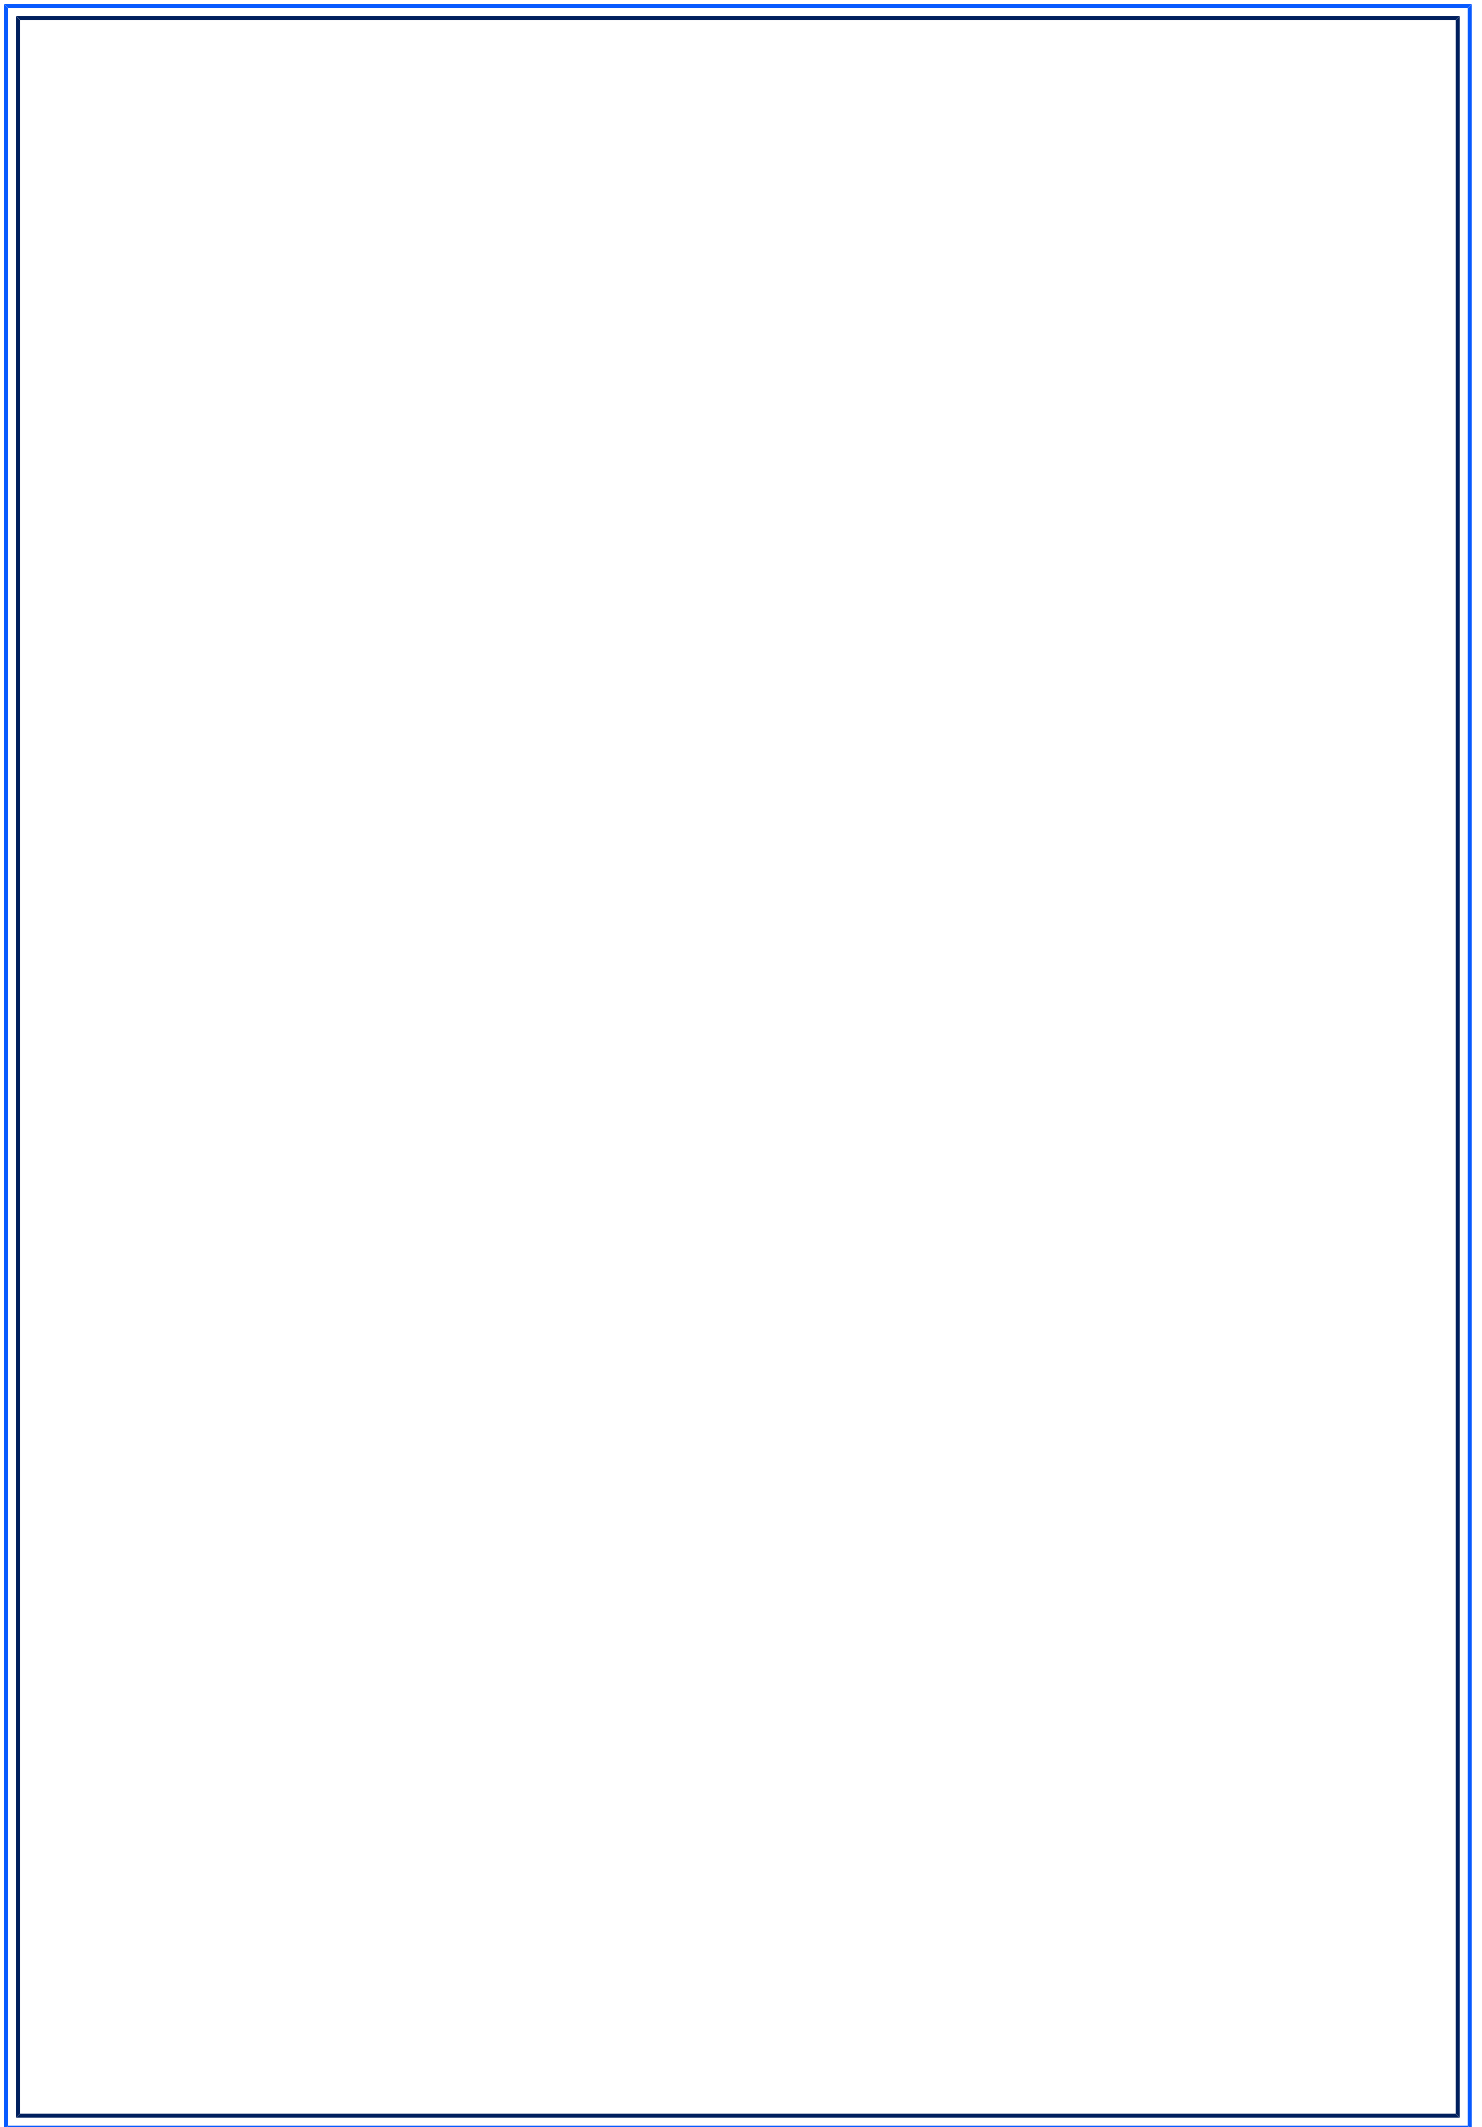

All members are eager to get started again and can't wait for this very testing time to come to an end.

All meetings are postponed until after COVID restrictions are lifted.
