### Achievements and Performance

	SORP reference	
--	----------------	--

Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.

Para 1.20

The main achievements this year have been:

- Organising and training Volunteers
- Running workshops
- Never alone Campaign
- School Workshops
- Production of Material
- Fund raising – we raised donations, of £5282 in the year

Due to COVID it been challenging for charities and the community. However as a charity we are flexible and responsive. As the pandemic hit we set up Sakoon in the Community (SIK) to support vulnerable residents with grocery and prescription collections.

Due to unprecedented times we all had to think differentially and embrace the new world of social distancing and hands, face and space. As Breast Cancer Charity during Brest Cancer awareness month, we did an Instagram take over, My Insta Story were each day we would interview South Asian Woman Cancer survivors focussing on their journey and stories. Story telling was powerful in encouraging dialogue at a community level.

During the pandemic we partnered with Slough CVS and piloted a be-friending service. It was noted that South Asian women felt extremely isolated trying to combat their Cancer Diagnosis during lock down and the taboos as a Community they face. We submitted a bid to Berkshire Community Foundation and was successful in securing £2500 to maintain our back office function, develop our new website and we held 3 volunteer meetings and held a beautiful afternoon tea at Burnham Beeches Hotel in celebration of Volunteers Week. All of our images are captured on our Facebook and Instagram pages. We have developed a new website with information videos and a commercial page for selling items our shop [www.sakoonthroughcancer.org](http://www.sakoonthroughcancer.org) and created a newsletter with a sign up database.

We engaged on a number of talks to raise awareness with business and community. The talks range from Woman ESOL classes, Asian Woman Resource Centres and wider community events. Following on from October Breast Cancer awareness sessions online we developed the Big

		Conversation a loose woman style informal chat online with speakers and topics.
