

UNIFICATION OF CHERUBIM & SERAPHIM CHURCHES EUROPE CHAPTER

TRUSTEES' REPORT FOR THE YEAR ENDED 31ST DECEMBER 2024

As Trustees we appreciate member churches of the Unification who contributed their membership subscriptions £4625 to the coffers of the Unification in the year under review. Although this is a significant drop of 47% from last year's contribution, we continue to count on your support despite the economic constraints.

We thank immensely, all the churches which have defied all odds to continue to fulfil their yearly financial obligations to the Unification's purse. The Lord will continue to bless you for your unwavering commitment.

We also appreciate the Executives of the Unification for their hard work and dedication in order to get the Europe Chapter up and running. The Lord will continue to strengthen you in your resolve to make the Unification even stronger.

We appeal to member churches who have not been able to meet their obligations to rise up to the challenge as the Europe Chapter of the Unification is committed to our obligations with National and International partners to which we cannot afford to fail.

The Unification continues with its close association with our National and International Ecumenical partners in meetings held online and in-person where information on best practices are shared despite the financial constraints. We also share regular communication with our roots in our home front Nigeria.

Our online monthly Prayer Meetings and Quarterly Administrative Meetings were held during the year under review. There was an Ordination Service held during the year at our Headquarters branch wherein deserving male and female ministers were ordained. We also held the end of year thanksgiving and revival service which all member churches were expected to attend.

The online prayer meetings of our Prophets and Prophetesses were held during the year. The Army of Salvation Brigade and the Bible College met virtually. All other groups met regularly to conduct revival services and community initiative works on unity strategies to ensure that everyone participates.

The Executive Committee and Trustees of the Unification will continue to work for the growth and progress of the CIO in the coming year to further bolster the objectives of the Unification. We commend this Report to our Member Churches and other Stakeholders.

For and on behalf of the Trustees
