

## **UNIFICATION OF CHERUBIM & SERAPHIM CHURCHES EUROPE CHAPTER**

### **TRUSTEES REPORT FOR THE YEAR ENDED 31<sup>ST</sup> OCTOBER 2025**

It is with great pleasure that the Trustees of our esteem organisation is presenting our financial report after the successful celebration of the centenary anniversary of our church last September. Maybe as a result, our revenue derived from member churches contributions at £4,100 for the year ended 31<sup>st</sup> October 2025 is 11% lower than that of the previous year. Nevertheless, we appreciate your efforts in contributing toward both centenary celebration and your annual dues. The Lord will replenish you mightily as we look forward to you for more improvements in the years ahead.

Meanwhile, we appreciate the executives of the Unification for their hard work and dedication for the success of the centenary anniversary celebrations as well as moving the Europe Chapter forward. The good Lord will continue to renew your strength and reward you as you strive to take the Unification to a higher level.

We wish to seize this opportunity to remind member churches that have arrears of annual dues to pay up, as we as we have a lot of projects lined up for execution. On our part, we remain committed to honouring our obligations to both the national and international ecumenical groups to which we belong.

The Unification remains in close relationship with our national and international partners, who joined us to celebrate our centenary anniversary. Meetings with these partners are held from time to time both online and in-person where information on best practices are shared. Not the least, we are in regular contact with our roots in Nigeria, our home country.

We had our monthly prayer meetings as well as our quarterly administrative meetings, both online in the year under review. We also held our end of year service as well as revival service attended by member churches. The Prophets and Prophetesses monthly prayer meetings online were also held during the year under review. The Army of Salvation Brigade and Bible College were not left out in regular meetings for continued development and improvements.

The Trustees and Executive Committee of the Unification will continue to work for the growth and progress of the CIO in the coming year to enhance the attainment of the objectives of the Unification. We commend this report to our member churches and other stakeholders.
