FINANCIAL REPORT 1/10/23 TO 30/9/24

We are no longer fund raising.

**Discussions still ongoing with the Town Council.
Improvements have been made to one playpark but
sadly Huntingdonshire District Council have
withdrawn from discussions citing the need for a full
review of all open spaces which will no doubt result in
expenditure on consultants and no action.**

**We are however in active discussions with the Town
Council on a joint project which will meet our aims
and utilise our funds after which the Charity will be
closed.**

FINANCIAL REPORT 1/10/22 TO 30/9/23

Apart from small fund raising from book sales and charity buckets , the charity has continued to act as an influencer via local press and radio to encourage the development of Inclusive Play Facilities in St Neots.

As a result , discussions have been ongoing with the Town Council. The Council is now undertaking a review of all Play Areas in the town and we have been invited to participate. Not all Play Areas are owned by the Town Council , but are controlled by The Huntingdon District Council, and we have now been invited to join discussions over the future of Play Areas in the town.

It is our hope that in due course we shall be in a position to contribute financially to the establishment of inclusive play areas in the town.
