

ST NEOTS INCLUSIVE PLAYPARK FOUNDATION

CHARITY NO.1188062

FINANCIAL REPORT 1/10/22 TO 30/9/23

Apart from small fund raising from book sales and charity buckets , the charity has continued to act as an influencer via local press and radio to encourage the development of Inclusive Play Facilities in St Neots.

As a result , discussions have been ongoing with the Town Council. The Council is now undertaking a review of all Play Areas in the town and we have been invited to participate. Not all Play Areas are owned by the Town Council , but are controlled by The Huntingdon District Council, and we have now been invited to join discussions over the future of Play Areas in the town.

It is our hope that in due course we shall be in a position to contribute financially to the establishment of inclusive play areas in the town.
