### Summary of the objects of the charity set out in its governing document

To advance education in the art of music for children and young people aged between 7 and 18 in Dronfield and the surrounding area for the public benefit by the provision of singing, music-making and performance opportunities.

**Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)**

We held singing sessions for children on Monday evenings at times when this was permitted. COVID lockdowns and government guidance meant that we weren't able to do this for significant periods during 2020.

We held some singing sessions on Zoom during the periods of time that we are unable to have sessions together in person.

We used IT to produce some virtual choir videos to give the children the opportunity to be able to "perform". We also live streamed a short concert at one of our Monday evening sessions.

You **may choose** to include further statements, where relevant, about:

We are very grateful to Ray Jackson (one of our volunteer adult helpers) who ran the Dronfield 10k and raised £505 to support the group.

We are also very grateful to Councillor Alex Dale of Derbyshire County Council who gave us a grant of £500 from his pot for the "Members Community Leadership Scheme". We were able to use this to purchase an amplifier and a pair of speakers that we can use to support future concerts.
