Summary of the objects of the charity set out in its governing document

To provide free-of-charge education services, workshops and seminars, for the relief of those in need by reason of them being parents, families or carers of disabled, severely or terminally ill children, seeking to alleviate personal health related issues that may arise from their caring roles.

As the charity's ability to provide support during the pandemic 2020/21 was limited, the focus has been on building a relationship with The Rainbow Trust, providing health and well-being advice, support and seminars to members of various teams. This was facilitated through one-to-one sessions as well as group workshops via Zoom.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

Summary of the main achievements of the charity during the year

As the charity ability to provide support during the pandemic 2020/21 has limited we focused on building a relationship with The Rainbow Trust that provided health and well-being advice, support and seminars to members of various teams. This was facilitated solely through one-to-one sessions as well as group workshops via Zoom.
