The trustees, who are the directors of the organisation, present their annual director's report together with the charity's financial statements for the year ended 31 March 2025, which are also prepared to meet the requirements of a director's report and accounts for Companies Act purposes.

The financial statements comply with the Charities Act 2011, the Memorandum and Articles of Association and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015).

Charity Trustees

The trustees who served the charity during the year were as follows:

1. Michael Oggudah
2. Grace Oggudah
3. Brigitte Graham

Structure, Governance and Management

Donate A Wig (DAW) was officially registered as a Charitable Incorporated Organisation (CIO) – Foundation on 5 March 2020. As a growing organisation, we remain committed to maintaining transparency, accountability, and operational excellence in all aspects of our work.

Trustee recruitment and appointment

The Board of Trustees consists of individuals with a deep understanding of the charity's mission and a strong commitment to its objectives. Trustees are encouraged to undergo ongoing training to enhance their knowledge in areas such as governance, fundraising, and patient support. This ensures they remain well-equipped to navigate the evolving challenges faced by the organisation. Moving

forward, DAW aims to diversify the Board by recruiting new Trustees with specialised expertise in healthcare, finance, and marketing to strengthen our strategic direction and operational efficiency.

Governance

Donate A Wig continues to be guided by a strong and accountable governance framework that supports effective leadership, transparency, and long-term sustainability. The Board of Trustees meets regularly throughout the year, alongside the Annual General Meeting (AGM), to provide strategic direction, review financial performance, and monitor the impact of our programmes.

These meetings allow the Trustees to respond proactively to emerging challenges, set ambitious but realistic goals, and ensure full compliance with Charity Commission and regulatory requirements. In keeping with our commitment to best practice and continuous improvement, the Board is exploring the introduction of specialist advisory committees. These committees will draw on expert insight to strengthen decision-making across key operational and programme areas.

Aims and Objectives

Donate A Wig was founded to support individuals affected by cancer in Africa, with a particular focus on the emotional and psychological impact of treatment. Hair loss and changes in appearance can deeply affect confidence and identity, and our work exists to restore dignity, hope, and self-worth during an incredibly challenging time.

Our core objectives are to:

- **Restore confidence and dignity**
Provide high-quality wigs, makeovers, and confidence-building workshops tailored to the individual needs of people undergoing cancer treatment.

- **Deliver holistic support**
Offer practical guidance, emotional encouragement, and compassionate care to empower patients and their families throughout their cancer journey.
- **Promote awareness and advocacy**
Raise awareness of the impact cancer has on self-image and mental wellbeing, while advocating for improved support systems for those affected.

The Trustees confirm that, in reviewing our aims and planning future activities, they have fully complied with the Charity Commission's public benefit guidance, ensuring that Donate A Wig's work continues to deliver meaningful and measurable benefit.

Achievements and Performance

During the year ending March 2025, Donate A Wig remained steadfast in its mission to serve cancer patients in Nairobi, Kenya, primarily through our valued partnerships with **Kenyatta National Hospital (KNH)** and **Texas Cancer Centre**. These institutions support a large number of underprivileged patients who face not only the financial burden of treatment, but also the emotional weight of their diagnosis.

Operating on a largely monthly basis, the charity has faced increasing demand amid limited resources. As a result, the number of wigs distributed during the year was reduced. However, this challenge also led to a renewed focus on expanding our **make-up, confidence, and self-esteem workshops**, which have been met with overwhelming positivity and impact. These sessions have helped patients reconnect with their sense of self, equipping them with renewed strength, resilience, and confidence as they navigate treatment.

Key achievements during the year include:

- Expansion of our volunteer network, improving our ability to deliver services consistently.

- Strengthened collaboration with healthcare professionals to better identify and support patients most in need.
- Increased digital presence and engagement through platforms such as Instagram (@DonateAWig), allowing us to share stories of impact, programme updates, and opportunities for community involvement.

Fundraising Activities

Throughout the year, Donate A Wig has been deeply encouraged by the generosity of both long-standing supporters and new donors. Their contributions have been vital in sustaining our programmes and ensuring continuity of care for beneficiaries.

To strengthen financial resilience and diversify income streams, the charity undertook a range of fundraising initiatives, including:

- **Crowdfunding campaigns** – Mobilising our online community to support specific projects and urgent needs.
- **Corporate partnerships** – Collaborating with values-aligned businesses to secure financial support and in-kind donations.
- **Community fundraising events** – Hosting activities such as charity walks, gala dinners, and auctions to raise both funds and awareness.

Looking ahead, the charity aims to further explore grant funding opportunities and Corporate Social Responsibility (CSR) partnerships to underpin future growth and stability.

Future Plans

s Donate A Wig looks beyond 2025, our focus is on deepening impact, expanding reach, and building a sustainable foundation for the future. Our key priorities include:

1. Expanding Geographic Reach

- Developing partnerships with additional hospitals and cancer support centres across Kenya and other African countries.
- Delivering outreach programmes in rural and underserved communities where access to support services is limited.

2. Establishing a Permanent Operational Base

- Securing a dedicated office space in Nairobi to act as a central hub for coordination and service delivery.
- Launching a dedicated helpline to offer ongoing advice, reassurance, and signposting for patients and their families.

3. Increasing Volunteer Engagement

- Recruiting and training a wider pool of volunteers, including medical professionals, counsellors, and beauty specialists.
- Partnering with universities and training institutions to provide internship and placement opportunities in social work, counselling, and healthcare.

4. Enhancing Programme Offerings

- Introducing additional services such as mental health counselling, nutritional guidance, and financial literacy workshops.
- Establishing peer support groups for patients and survivors to foster community, shared experience, and encouragement.

5. Strengthening Advocacy and Awareness

- Delivering targeted awareness campaigns to challenge stigma and misconceptions surrounding cancer within African communities.

- Working alongside policymakers and healthcare providers to advocate for improved access to cancer care and psychosocial support.

6. Diversifying Funding Sources

- Launching a donor membership programme to encourage regular giving from individuals and corporate partners.
- Exploring international partnerships with like-minded charities and organisations to share resources, expertise, and learning.

Conclusion

As Donate A Wig continues to grow and evolve, our purpose remains clear: to restore dignity, confidence, and hope to individuals facing cancer across Africa. Through strong governance, trusted partnerships, and innovative, people-centred programmes, we are committed to creating lasting and meaningful change.

We warmly invite individuals, businesses, and organisations to stand with us—through donations, volunteering, advocacy, or partnership—so that no one facing cancer has to walk their journey alone.

The trustees, who are the directors of the organisation, present their annual director's report together with the charity's financial statements for the year ended 31 March 2024, which are also prepared to meet the requirements of a director's report and accounts for Companies Act purposes.

The financial statements comply with the Charities Act 2011, the Memorandum and Articles of Association and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015).

Charity Trustees

The trustees who served the charity during the year were as follows:

1. Michael Oggudah
2. Grace Oggudah
3. Brigitte Graham

Structure, Governance and Management

Donate A Wig (DAW) was officially registered as a Charitable Incorporated Organisation (CIO) – Foundation on 5 March 2020. As a growing organisation, we remain committed to maintaining transparency, accountability, and operational excellence in all aspects of our work.

Trustee recruitment and appointment

The Board of Trustees consists of individuals with an understanding of the charity's mission and a commitment to its objectives. Trustees are encouraged to undergo ongoing training to enhance their knowledge in areas such as governance, fundraising, and patient support. This ensures they remain equipped to navigate the evolving challenges faced by the organisation. Moving forward, DAW aims to diversify the Board by recruiting new Trustees with specialised expertise in

healthcare, finance, and marketing to strengthen our strategic direction and operational efficiency.

Governance

The charity's governance structure is designed to facilitate effective decision-making and oversight. The Board of Trustees meets regularly throughout the year, in addition to the annual general meeting (AGM), to discuss strategic plans, review financial performance, and assess the impact of our programmes. These meetings provide an opportunity to address emerging challenges, set new goals, and ensure compliance with regulatory requirements. As part of our commitment to continuous improvement, we are exploring the implementation of advisory committees to provide expert insights and recommendations in key operational areas.

Aims and Objectives

Donate A Wig was established with the primary aim of supporting individuals affected by cancer in Africa by addressing the emotional and psychological challenges they face during treatment. Our core objectives include:

- **Restoring confidence and dignity** – Through the provision of high-quality wigs, makeovers, and self-esteem workshops tailored to the unique needs of individuals undergoing cancer treatment.
- **Providing holistic support** – Offering practical guidance and emotional support to empower patients and their families throughout their cancer journey.
- **Promoting awareness and advocacy** – Raising awareness about the impact of cancer on self-image and mental well-being, while advocating for greater support for those affected.

The Trustees confirm that they have adhered to the Charity Commission's public benefit guidance when reviewing the charity's aims and planning future initiatives to maximise impact and reach.

Achievements and Performance

Throughout the financial year, DAW has remained committed to delivering essential services in Nairobi, Kenya, primarily through its partnerships with Kenyatta National Hospital (KNH) and the Texas Cancer Centre. These institutions serve a significant number of underprivileged cancer patients, many of whom struggle with the financial burden of treatment and the emotional toll of illness.

Despite operating on a monthly basis, increasing demand and limited resources have posed challenges, leading to a reduction in the number of wigs distributed. However, the charity has made significant strides in expanding its makeup and confidence-building workshops, which have been met with positivity. These workshops empower patients by enhancing their self-image and emotional well-being, allowing them to face their journey with renewed strength and resilience.

Key achievements during the financial period include:

- Expanding our volunteer network to enhance service delivery.
- Strengthening relationships with healthcare providers to better identify and support those most in need.
- Increasing our online engagement and outreach through social media platforms such as Instagram (@DonateAWig), where we share success stories, updates, and encourage community involvement.

Fundraising Activities

Throughout the year, DAW has been fortunate to receive donations from long-term supporters and new contributors alike. These

donations have played an important role in sustaining our initiatives and ensuring continuity of services. To diversify our income streams and build financial resilience, we have initiated several fundraising campaigns, including:

- **Crowdfunding initiatives** – Engaging our online community to support specific projects.
- **Corporate partnerships** – Collaborating with businesses that align with our values to secure sponsorship and in-kind donations.
- **Community fundraising events** – Organising local events such as charity walks, gala dinners, and auctions to raise awareness and funds.

Looking ahead, we aim to leverage grant opportunities and corporate social responsibility (CSR) programmes to further support our mission.

Future Plans

As we look to the future, DAW is focused on enhancing and expanding our services to reach a greater number of individuals affected by cancer. Our key goals and suggested areas for further involvement include:

1. **Expanding Geographic Reach**
 - Establishing partnerships with additional hospitals and cancer support centres across Kenya and other African countries.
 - Conducting outreach programmes in rural areas to provide support to those who may not have access to major treatment centres.
2. **Developing a Permanent Operational Base**
 - Securing a dedicated office space in Nairobi to serve as a hub for our activities, facilitating better coordination and service delivery.
 - Setting up a dedicated helpline to provide ongoing support and advice to patients and their families.
3. **Increasing Volunteer Engagement**
 - Recruiting and training more volunteers, including medical professionals, counsellors, and beauty specialists, to enhance the quality of services provided.

- Partnering with local universities and institutions to create internship opportunities for students in social work, counselling, and healthcare fields.
- 4. Enhancing Programme Offerings**
- Introducing new services such as mental health counselling, nutrition advice, and financial literacy workshops to provide a more comprehensive support system.
 - Creating support groups for cancer patients and survivors to foster a sense of community and shared experience.
- 5. Strengthening Advocacy Efforts**
- Launching awareness campaigns to challenge stigma and misconceptions surrounding cancer in African communities.
 - Working with policymakers and healthcare providers to advocate for improved access to cancer care and support services.
- 6. Diversifying Funding Sources**
- Establishing a donor membership programme to encourage regular giving from individuals and corporate sponsors.
 - Exploring international partnerships with charities and organisations that share a similar mission to pool resources and knowledge.

Conclusion

As Donate A Wig continues to evolve and grow, our commitment remains focused on restoring dignity, confidence, and hope to individuals facing cancer in Africa. Through strategic partnerships, community involvement, and innovative programmes, we aim to create lasting change and empower those we serve.

We invite individuals, businesses, and organisations to join us in our mission, whether through donations, volunteering, or advocacy, to ensure that no one facing cancer has to go through it alone.

The trustees, who are the directors of the organisation, present their annual director's report together with the charity's financial statements for the year ended 31 March 2022, which are also prepared to meet the requirements of a director's report and accounts for Companies Act purposes.

The financial statements comply with the Charities Act 2011, the Memorandum and Articles of Association and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015).

Charity Trustees

The trustees who served the charity during the year were as follows:

1. Michael Oggudah
2. Grace Oggudah
3. Brigitte Graham

Structure, Governance and Management

Donate A Wig registered as a CIO – FOUNDATION on 05 March 2020.

Trustee recruitment and appointment

The Trustees are already familiar with the practice work of the Charity. They are encouraged to participate in training appropriate to their role.

Governance

The Board of Trustees manage the affairs of the charity by holding regular meetings between annual and general meetings.

Objectives

The charity was established in 2020 with the following objectives:

To relieve the needs by reason of ill-health through the provision of wigs, makeovers, confidence boosting workshops and practical advice to those in Africa suffering from cancer and whose appearance have been affected due to their treatments.

The Trustees confirm that they have referred to the guidance contained in the Charity Commission's guidance on public benefit when reviewing the company's aim and objectives and in planning future activities.

Achievements and Performance

During the financial year, DAW delivered its services in Nairobi-Kenya through the National Hospital Kenyatta National Hospital (KNH) where majority of the underprivileged patients attend for their treatment. These services are run monthly but due to the sheer number of patients and limited resources we have had to cut down on wigs given out and will be seeking new donors and grants to expand the programme. On the other hand, makeup and confidence classes have been delivered successfully.

To view some videos and pictures of our recent programs during the financial period please check our page:

<https://www.instagram.com/donateawig>

Fundraising Activities:

During the year we were limited in organising fundraising events to support the work of the charity. But we received Generous donations from individuals who have engaged with the charity from its inception.

In December 2021 we also partnered with local organisations SOHW and the National Broadcaster KTN to give a good Christmas “Feeding Program” to all the patients and their families.

<https://www.youtube.com/watch?v=8xiCrijtK2Sg>

Future Plans

The charity will continue to work with the partnerships already established with the KNH and other local Cancer Support to enable the charity to reach and provide support to more people with cancer.

For the coming year DAW intends to continue expanding its services to other local hospitals, for this to happen we would look to increase our workforce through volunteers and the number of resources required to deliver an effective service.

In 2023 we are planning to expand and reach more vulnerable local women through collaboration with more local health-centres and also acquiring a base of operations that would make it easier in operation.

The trustees, who are the directors of the organisation, present their annual director's report together with the charity's financial statements for the year ended 31 March 2022, which are also prepared to meet the requirements of a director's report and accounts for Companies Act purposes.

The financial statements comply with the Charities Act 2011, the Memorandum and Articles of Association and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015).

Charity Trustees

The trustees who served the charity during the year were as follows:

1. Michael Oggudah
2. Grace Oggudah
3. Brigitte Graham

Structure, Governance and Management

Donate A Wig registered as a CIO – FOUNDATION on 05 March 2020.

Trustee recruitment and appointment

The Trustees are already familiar with the practice work of the Charity. They are encouraged to participate in training appropriate to their role.

Governance

The Board of Trustees manage the affairs of the charity by holding regular meetings between annual and general meetings.

Objectives

The charity was established in 2020 with the following objectives:

To relieve the needs by reason of ill-health through the provision of wigs, makeovers, confidence boosting workshops and practical advice to those in Africa suffering from cancer and whose appearance have been affected due to their treatments.

The Trustees confirm that they have referred to the guidance contained in the Charity Commission's guidance on public benefit when reviewing the company's aim and objectives and in planning future activities.

Achievements and Performance

During the financial year, DAW delivered its services in Nairobi-Kenya through the National Hospital Kenyatta National Hospital (KNH) where majority of the underprivileged patients attend for their treatment. These services are run monthly but due to the sheer number of patients and limited resources we have had to cut down on wigs given out and will be seeking new donors and grants to expand the programme. On the other hand, makeup and confidence classes have been delivered successfully.

To view some videos and pictures of our recent programs during the financial period please check our page:

<https://www.instagram.com/donateawig>

Fundraising Activities:

During the year we were limited in organising fundraising events to support the work of the charity. But we received Generous donations from individuals who have engaged with the charity from its inception.

In December 2021 we also partnered with local organisations SOHW and the National Broadcaster KTN to give a good Christmas “Feeding Program” to all the patients and their families.

<https://www.youtube.com/watch?v=8xiCrijtK2Sg>

Future Plans

The charity will continue to work with the partnerships already established with the KNH and other local Cancer Support to enable the charity to reach and provide support to more people with cancer.

For the coming year DAW intends to continue expanding its services to other local hospitals, for this to happen we would look to increase our workforce through volunteers and the number of resources required to deliver an effective service.

In 2023 we are planning to expand and reach more vulnerable local women through collaboration with more local health-centres and also acquiring a base of operations that would make it easier in operation.

The trustees, who are the directors of the organisation, present their annual director's report together with the charity's financial statements for the year ended 31 March 2021, which are also prepared to meet the requirements of a director's report and accounts for Companies Act purposes.

The financial statements comply with the Charities Act 2011, the Memorandum and Articles of Association and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015).

Charity Trustees

The trustees who served the charity during the year were as follows:

1. Michael Oggudah
2. Grace Oggudah
3. Brigitte Graham

Structure, Governance and Management

Donate A Wig registered as a CIO – FOUNDATION on 05 March 2020.

Trustee recruitment and appointment

The Trustees are already familiar with the practice work of the Charity. They are encouraged to participate in training appropriate to their role.

Governance

The Board of Trustees manage the affairs of the charity by holding regular meetings between annual and general meetings.

Objectives

The charity was established in 2020 with the following objectives:

To relieve the needs by reason of ill-health through the provision of wigs, makeovers, confidence boosting workshops and practical advice to those in Africa suffering from cancer and whose appearance have been affected due to their treatments.

The Trustees confirm that they have referred to the guidance contained in the Charity Commission's guidance on public benefit when reviewing the company's aim and objectives and in planning future activities.

Achievements and Performance

During the financial year, DAW delivered its services in Nairobi-Kenya through the National Hospital Kenyatta National Hospital (KNH) where majority of the underprivileged patients attend for their treatment. These services are run monthly but due to the sheer number of patients and limited resources we have had to cut down on wigs given out and will be seeking new donors and grants to expand the programme. On the other hand, makeup and confidence classes have been delivered successfully.

Below are some videos and pictures of our recent programs during the financial period.

<https://youtu.be/N8DuIOuYXI8>

Fundraising Activities:

During the year because of COVID 19 Pandemic and government restrictions fundraising events were not carried out to support the work of the charity. But we received Generous donations from individuals who have engaged with the charity from its inception.

The charity continued to receive several anonymous donations through Go-Fund Me, JustGiving and PayPal platforms. A total of £1256.01 was donated via these platforms during this year.

Future Plans

The charity will continue to work with the partnerships already established with the KNH and other local Cancer Support to enable the charity to reach and provide support to more people with cancer.

For the coming year DAW intends to expand its services other local hospitals, for this to happen we would look to expand our workforce through volunteers and the number of resources required to deliver an effective service.

In 2022 we are planning to expand and reach more vulnerable local women through collaboration with more local health-centres.

In December 2021 we are also looking to partner with local organisations to give a good Christmas Feeding Program.
