Charity Information

Charity Name:	Cornerstone Church Swindon
Date Registered:	5 th March 2020
Charity Number:	1188356
Registered Office:	18 Tortworth Road Swindon SN25 2AJ
Trustees:	Stephen Mitchell (Chairman) Nigel Sluman David Kew

Structure, Governance and Management

The church is established under a constitution adopted by the trustees on 17th February 2020 and is established as a Charitable Incorporated Organisation.

Trustees are appointed according to the constitution by resolution of the existing trustees.

Trustee meetings are held regularly throughout the year, and new trustees are given a copy of the latest accounts and annual report. All trustees can attend seminars for church trustees as required.

All trustees have had regard to the guidance issued by the Charity Commission on public benefit.

The church is affiliated with the FIEC (Fellowship of Independent Evangelical Churches) who have no operational authority.

Objectives

The objectives of the CIO are to advance the Christian faith for the public benefit in accordance with the statement of beliefs in Swindon and in such other parts of the United Kingdom or the world as the charity trustees may from time to time think fit and to fulfil such other purposes which are exclusively charitable according to the law of England and Wales and are connected with the charity work of the charity.

Activities, Achievements and Performance

The trustees consider that the performance of church has been good this year.

As well as meeting on Sundays to worship together, we meet throughout the week in Growth Groups, which allow people to learn more about and grow in their Christian faith.

We continued to hold our Sunday services at William Morris Primary School and continued to live stream our service.

We have continued to see people from the community attend church services and events, which has been a great encouragement. It's been good to see the community engage with our Art Café ministry, but it has been difficult to achieve consistency with the lack of community facilities within the area.

Our provision for primary school aged children, Cornerstone Kidz, continued to take place during the Sunday service. It has been exciting to see many children take part each week, and see their faith grow.

Our Youth Growth Group has continued, which is an activity for secondary aged children to meet to study the Bible and for a fun time together. About 10 young people meet each time, and it's been good to see how their faith has grown.

Our pastoral care team have also been able to support several people through various physical and mental health issues as well as through bereavement.

The charity is extremely grateful for the support of members of the church and those who regularly attend who serve on a volunteer basis.

Financial Report

The trustees review the finances regularly as part of the effective stewardship of the church.

The total unrestricted assets for the charity as of December 2025 was £7461.00. Income was broadly in line with budgeted expectations, with £39865.00 from regular attenders and £2249.00 from anonymous donations. We are extremely grateful for all who give to the charity.

Outgoings were generally as expected and in line with our budget. £37957.00 was spent on staff costs and £3525.00 given as missionary support.

The Trustees are confident that the charity will continue to achieve its objectives.

Reserves Policy

The Trustees consider it to be expedient in the light of their risk assessment to hold reserves equivalent of 3 months normal running cost of the church. This equates to £12300.00 for this year. This provides sufficient funds to cover the administration, management, and support costs in the event of a significant and sustained drop in income. As our current unrestrictive reserves are currently below this figure, we are monitoring the situation at bi-weekly meetings and communicate the needs to the church.

Vision for New Premises

Cornerstone Church continues to meet at William Morris Primary School in North Swindon, placing us at the heart of a rapidly growing residential area with limited dedicated community facilities for families and young people. As part of our commitment to serving the local community, the trustees recognise a need for accessible spaces for toddlers, children, youth, and those seeking warm, welcoming environments during the week. We are therefore exploring opportunities to identify and secure an existing building, or options to build within the community that would enable us to expand our provision so that we can better support local families, reduce isolation, and strengthen community wellbeing.

The trustees declare that they have approved the trustees' report above.

INCOMING RESOURCES

Recognition of incoming resources	These are included in the Statement of Financial Activities (SoFA) when: - the charity becomes entitled to the resources; - the trustees are virtually certain they will receive the resources; and - the monetary value can be measured with sufficient reliability.
Incoming resources with related expenditure	Where incoming resources have related expenditure (as with fundraising or contract income) the incoming resources and related expenditure are reported gross in the SoFA.
Grants and donations	Grants and donations are only included in the SoFA when the charity has unconditional entitlement to the resources.
Tax reclaims on donations and gifts	Incoming resources from tax reclaims are included in the SoFA at the same time as the gift to which they relate.
Contractual income and performance related grants	This is only included in the SoFA once the related goods or services have been delivered.
Gifts in kind	Gifts in kind are accounted for at a reasonable estimate of their value to the charity or the amount actually realised. Gifts in kind for sale or distribution are included in the accounts as gifts only when sold or distributed by the charity. Gifts in kind for use by the charity are included in the SoFA as incoming resources when receivable.
Donated services and facilities	These are only included in incoming resources (with an equivalent amount in resources expended) where the benefit to the charity is reasonably quantifiable, measurable and material. The value placed on these resources is the estimated value to the charity of the service or facility received.
Volunteer help	The value of any voluntary help received is not included in the accounts but is described in the trustees' annual report.
Investment income	This is included in the accounts when receivable.
Investment gains and losses	This includes any gain or loss on the sale of investments and any gain or loss resulting from revaluing investments to market value at the end of the year.

EXPENDITURE AND LIABILITIES

Liability recognition	Liabilities are recognised as soon as there is a legal or constructive obligation committing the charity to pay out resources.
Governance costs	Include costs of the preparation and examination of statutory accounts, the costs of trustee meetings and cost of any legal advice to trustees on governance or constitutional matters.
Grants with performance conditions	Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SoFA once the recipient of the grant has provided the specified service or output.
Grants payable without performance conditions	These are only recognised in the accounts when a commitment has been made and there are no conditions to be met relating to the grant which remain in the control of the charity.
Support Costs	Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, eg allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.

ASSETS

Tangible fixed assets for use by charity	These are capitalised if they can be used for more than one year, and cost at least £500. They are valued at cost or a reasonable value on receipt.
Investments	Investments quoted on a recognised stock exchange are valued at market value at the year end. Other investment assets are included at trustees' best estimate of market value.
Stocks and work in progress	These are valued at the lower of cost or market value.

Independent
examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination which gives me cause to believe that in, any material respect,:

- the accounting records were not kept in accordance with section 130 of the Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Trustees Report for the year ending 31st December 2024

Charity Information

Charity Name:	Cornerstone Church Swindon
Date Registered:	5 th March 2020
Charity Number:	1188356
Registered Office:	18 Tortworth Road Swindon SN25 2AJ
Trustees:	Stephen Mitchell (Chairman) Nigel Sluman David Kew

Structure, Governance and Management

The church is established under a constitution adopted by the trustees on 17th February 2020 and is established as a Charitable Incorporated Organisation.

Trustees are appointed according to the constitution by resolution of the existing trustees.

Trustee meetings are held regularly throughout the year and new trustees are given a copy of the latest accounts and annual report. All trustees can attend seminars for church trustees as required.

All trustees have had regard to the guidance issued by the Charity Commission on public benefit.

The church is affiliated with the FIEC (Fellowship of Independent Evangelical Churches) who have no operational authority.

Objectives

The objectives of the CIO are to advance the Christian faith for the public benefit in accordance with the statement of beliefs in Swindon and in such other parts of the United Kingdom or the world as the charity trustees may from time to time think fit and to fulfil such other purposes which are exclusively charitable according to the law of England and Wales and are connected with the charity work of the charity.

Activities, Achievements and Performance

The trustees consider that the performance of church has been good this year.

As well as meeting on Sundays to worship together, we meet throughout the week in Growth Groups, which allow people to learn more about and grow in their Christian faith.

We continued to hold our Sunday services at William Morris Primary School and continued to live stream our service.

We have continued to see people from the community attend church services and events, which has been a great encouragement. It's been good to see the community engage with our Art Café ministry, but it has been difficult to achieve consistency with the lack of community facilities within the area.

Our provision for primary school aged children, Cornerstone Kidz, continued to take place during the Sunday service. It has been exciting to see many children take part each week, and see their faith grow.

Our Youth Growth Group has continued, which is an activity for secondary aged children to meet to study the Bible and for a fun time together. About 10 young people meet each time, and it's been good to see how their faith has grown.

Our pastoral care team have also been able to support several people through various physical and mental health issues as well as through bereavement. The team and volunteers have also been able to help practically by shopping for people unable to do so themselves, and to assist with a variety of medical needs.

The charity is extremely grateful for the support of members of the church and those who regularly attend who serve on a volunteer basis.

Financial Report

The trustees review the finances regularly as part of the effective stewardship of the church.

The total unrestricted assets for the charity as of December 2024 was £8251.00. Income was broadly in line with budgeted expectations, with £34179.00 from regular attenders and £5080.00 from anonymous donations. We are extremely grateful for all who give to the charity.

Outgoings were generally as expected and in line with our budget. £37958.00 was spent on staff costs and £3390.00 given as missionary support.

The Trustees are confident that the charity will continue to achieve its objectives.

Reserves Policy

The Trustees consider it to be expedient in the light of their risk assessment to hold reserves equivalent of 3 months normal running cost of the church. This equates to £12300.00 for this year. This provides sufficient funds to cover the administration, management, and support costs in the event of a significant and sustained drop in income. As our current unrestrictive reserves are currently below this figure, we are monitoring the situation at bi-weekly meetings and communicate the needs to the church.

Declarations

The trustees declare that they have approved the trustees' report above.

Accounting policies

This standard list of accounting policies has been applied by the charity except for those deleted. Where a different or additional policy has been adopted then this is detailed in the box below.

INCOMING RESOURCES

Recognition of incoming resources	These are included in the Statement of Financial Activities (SoFA) when: - the charity becomes entitled to the resources; - the trustees are virtually certain they will receive the resources; and - the monetary value can be measured with sufficient reliability.
Incoming resources with related expenditure	Where incoming resources have related expenditure (as with fundraising or contract income) the incoming resources and related expenditure are reported gross in the SoFA.
Grants and donations	Grants and donations are only included in the SoFA when the charity has unconditional entitlement to the resources.
Tax reclaims on donations and gifts	Incoming resources from tax reclaims are included in the SoFA at the same time as the gift to which they relate.
Contractual income and performance related grants	This is only included in the SoFA once the related goods or services have been delivered.
Gifts in kind	Gifts in kind are accounted for at a reasonable estimate of their value to the charity or the amount actually realised. Gifts in kind for sale or distribution are included in the accounts as gifts only when sold or distributed by the charity. Gifts in kind for use by the charity are included in the SoFA as incoming resources when receivable.
Donated services and facilities	These are only included in incoming resources (with an equivalent amount in resources expended) where the benefit to the charity is reasonably quantifiable, measurable and material. The value placed on these resources is the estimated value to the charity of the service or facility received.
Volunteer help	The value of any voluntary help received is not included in the accounts but is described in the trustees' annual report.
Investment income	This is included in the accounts when receivable.
Investment gains and losses	This includes any gain or loss on the sale of investments and any gain or loss resulting from revaluing investments to market value at the end of the year.

EXPENDITURE AND LIABILITIES

Liability recognition	Liabilities are recognised as soon as there is a legal or constructive obligation committing the charity to pay out resources.
Governance costs	Include costs of the preparation and examination of statutory accounts, the costs of trustee meetings and cost of any legal advice to trustees on governance or constitutional matters.
Grants with performance conditions	Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SoFA once the recipient of the grant has provided the specified service or output.
Grants payable without performance conditions	These are only recognised in the accounts when a commitment has been made and there are no conditions to be met relating to the grant which remain in the control of the charity.
Support Costs	Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, eg allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.

ASSETS

Tangible fixed assets for use by charity	These are capitalised if they can be used for more than one year, and cost at least £500. They are valued at cost or a reasonable value on receipt.
Investments	Investments quoted on a recognised stock exchange are valued at market value at the year end. Other investment assets are included at trustees' best estimate of market value.
Stocks and work in progress	These are valued at the lower of cost or market value.

On accounts for the year ended	31 December 2024	Charity no (if any)	1188356

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

**Independent
examiner's statement**

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination which gives me cause to believe that in, any material respect,:

- the accounting records were not kept in accordance with section 130 of the Act; or
- the accounts did not accord with the accounting records; or

Structure, Governance and Management

The church is established under a constitution adopted by the trustees on 17th February 2020 and is established as a Charitable Incorporated Organisation.

Trustees are appointed according to the constitution by resolution of the existing trustees.

Trustee meetings are held regularly throughout the year and new trustees are given a copy of the latest accounts and annual report. All trustees can attend seminars for church trustees as required.

All trustees have had regard to the guidance issued by the Charity Commission on public benefit.

The church is affiliated with the FIEC (Fellowship of Independent Evangelical Churches) who have no operational authority.

Objectives

The objectives of the CIO are to advance the Christian faith for the public benefit in accordance with the statement of beliefs in Swindon and in such other parts of the United Kingdom or the world as the charity trustees may from time to time think fit and to fulfil such other purposes which are exclusively charitable according to the law of England and Wales and are connected with the charity work of the charity.

Activities, Achievements and Performance

Cliff Reynolds has stepped down as a trustee of Cornerstone Church to take up the opportunity of helping to set up another church local to Swindon. Steve Mitchell has been appointed Chairman of Cornerstone Church.

The trustees consider that the performance of church has been good this year.

As well as meeting on Sundays to worship together, we meet throughout the week in Growth Groups, which allow people to learn more about and grow in their Christian faith.

We continued to hold our Sunday services at William Morris Primary School and continued to live stream our service.

We have continued to see people from the community attend church services and events, which has been a great encouragement. It's been good to see the community engage with our Art Café ministry, but it has been difficult to achieve consistency with the lack of community facilities within the area.

Our provision for primary school aged children, Cornerstone Kidz, continued to take place during the Sunday service. It has been exciting to see many children take part each week, and see their faith grow.

Our Youth Growth Group has continued, which is an activity for secondary aged children to meet to study the Bible and for a fun time together. About 10 young people meet each time, and it's been good to see how their faith has grown.

Our pastoral care team have also been able to support several people through various physical and mental health issues as well as through bereavement. The team and volunteers have also been able to help practically by shopping for people unable to do so themselves, and to assist with a variety of medical needs.

The charity is extremely grateful for the support of members of the church and those who regularly attend who serve on a volunteer basis.

Financial Report

The trustees review the finances regularly as part of the effective stewardship of the church.

The total unrestricted assets for the charity as of December 2023 was £14609.00

Income was broadly in line with budgeted expectations, with £26413.00 from regular attenders, £4996.00 from anonymous donations and £6,000 from North Swindon Baptist Church. We are extremely grateful for all who give to the charity.

Outgoings were generally as expected and in line with our budget. £37969.00 was spent on staff costs and £3610.00 given as missionary support.

The Trustees are confident that the charity will continue to achieve its objectives.

Reserves Policy

The Trustees consider it to be expedient in the light of their risk assessment to hold reserves equivalent of 3 months normal running cost of the church. This equates to £12300.00 for this year. This provides sufficient funds to cover the administration, management, and support costs in the event of a significant and sustained drop in income.

Declarations

The trustees declare that they have approved the trustees' report above.

Accounting policies

This standard list of accounting policies has been applied by the charity except for those deleted. Where a different or additional policy has been adopted then this is detailed in the box below.

INCOMING RESOURCES

Recognition of incoming resources	These are included in the Statement of Financial Activities (SoFA) when: - the charity becomes entitled to the resources; - the trustees are virtually certain they will receive the resources; and - the monetary value can be measured with sufficient reliability.
Incoming resources with related expenditure	Where incoming resources have related expenditure (as with fundraising or contract income) the incoming resources and related expenditure are reported gross in the SoFA.
Grants and donations	Grants and donations are only included in the SoFA when the charity has unconditional entitlement to the resources.
Tax reclaims on donations and gifts	Incoming resources from tax reclaims are included in the SoFA at the same time as the gift to which they relate.
Contractual income and performance related grants	This is only included in the SoFA once the related goods or services have been delivered.
Gifts in kind	Gifts in kind are accounted for at a reasonable estimate of their value to the charity or the amount actually realised. Gifts in kind for sale or distribution are included in the accounts as gifts only when sold or distributed by the charity. Gifts in kind for use by the charity are included in the SoFA as incoming resources when receivable.
Donated services and facilities	These are only included in incoming resources (with an equivalent amount in resources expended) where the benefit to the charity is reasonably quantifiable, measurable and material. The value placed on these resources is the estimated value to the charity of the service or facility received.
Volunteer help	The value of any voluntary help received is not included in the accounts but is described in the trustees' annual report.
Investment income	This is included in the accounts when receivable.
Investment gains and losses	This includes any gain or loss on the sale of investments and any gain or loss resulting from revaluing investments to market value at the end of the year.

EXPENDITURE AND LIABILITIES

Liability recognition	Liabilities are recognised as soon as there is a legal or constructive obligation committing the charity to pay out resources.
Governance costs	Include costs of the preparation and examination of statutory accounts, the costs of trustee meetings and cost of any legal advice to trustees on governance or constitutional matters.
Grants with performance conditions	Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SoFA once the recipient of the grant has provided the specified service or output.
Grants payable without performance conditions	These are only recognised in the accounts when a commitment has been made and there are no conditions to be met relating to the grant which remain in the control of the charity.
Support Costs	Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, eg allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.

ASSETS

Tangible fixed assets for use by charity	These are capitalised if they can be used for more than one year, and cost at least £500. They are valued at cost or a reasonable value on receipt.
Investments	Investments quoted on a recognised stock exchange are valued at market value at the year end. Other investment assets are included at trustees' best estimate of market value.
Stocks and work in progress	These are valued at the lower of cost or market value.

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended **31/12/2023**.

**Responsibilities and
basis of report**

As the charity trustees, you are responsible for the preparation of the accounts in accordance with the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

**Independent
examiner's statement**

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination which gives me cause to believe that in, any material respect,:

- the accounting records were not kept in accordance with section 130 of the Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

The church is affiliated with the FIEC (Fellowship of Independent Evangelical Churches) who have no operational authority.

Objectives

The objectives of the CIO are to advance the Christian faith for the public benefit in accordance with the statement of beliefs in Swindon and in such other parts of the United Kingdom or the world as the charity trustees may from time to time think fit and to fulfil such other purposes which are exclusively charitable according to the law of England and Wales and are connected with the charity work of the charity.

Activities, Achievements and Performance

The trustees consider that the performance of church has been good this year.

As well as meeting on Sundays to worship together, we meet throughout the week in Growth Groups, which allow people to learn more about and grow in their Christian faith.

We continued to hold our Sunday services at William Morris Primary School and continued to live stream our service.

We have continued to see people from the community attend church services and events, which has been a great encouragement.

Our provision for primary school aged children, Cornerstone Kidz, continued to take place during the Sunday service. It has been exciting to many children take part each week, and see their faith grow.

Our Youth Growth Group has continued, which is an activity for secondary aged children to meet together to study the Bible and for a fun time together. About 10 young people meet each time, and it's been good to see how their faith has grown.

We have continued to support various people in the community through our relationship with Safe Families and individual relationships.

Our pastoral care team have also been able to support a number of people through various physical and mental health issues as well as through bereavement. The team and volunteers have also been able to help practically by shopping for people unable to do so themselves, and to assist with a variety of medical needs.

The charity is extremely grateful for the support of members of the church and those who regularly attend who serve on a volunteer basis.

Financial Report

The trustees review the finances regularly as part of the effective stewardship of the church.

The total unrestricted assets for the charity as of December 2022 was £26027.00

Income was broadly in line with budgeted expectations, with £25759.00 from regular attenders, £4109.00 from anonymous donations and £12,000 from North Swindon Baptist Church. We are extremely grateful for all who give to the charity.

Outgoings were generally as expected and in line with our budget. £36146.00 was spent on staff costs and £3274.00 given as missionary support.

As expected, expenditure increased with the lifting of Covid as we saw a comparable increase in income which offset this increase, the Trustees are confident that the charity will continue to achieve its objectives.

Reserves Policy

The Trustees consider it to be expedient in the light of their risk assessment to hold reserves equivalent of 3 months normal running cost of the church. This equates to £12300.00 for this year. This provides sufficient funds to cover the administration, management, and support costs in the event of a significant and sustained drop in income.

Declarations

The trustees declare that they have approved the trustees' report above.

INCOMING RESOURCES

Recognition of incoming resources	These are included in the Statement of Financial Activities (SoFA) when: - the charity becomes entitled to the resources; - the trustees are virtually certain they will receive the resources; and - the monetary value can be measured with sufficient reliability.
Incoming resources with related expenditure	Where incoming resources have related expenditure (as with fundraising or contract income) the incoming resources and related expenditure are reported gross in the SoFA.
Grants and donations	Grants and donations are only included in the SoFA when the charity has unconditional entitlement to the resources.
Tax reclaims on donations and gifts	Incoming resources from tax reclaims are included in the SoFA at the same time as the gift to which they relate.
Contractual income and performance related grants	This is only included in the SoFA once the related goods or services have been delivered.
Gifts in kind	Gifts in kind are accounted for at a reasonable estimate of their value to the charity or the amount actually realised. Gifts in kind for sale or distribution are included in the accounts as gifts only when sold or distributed by the charity. Gifts in kind for use by the charity are included in the SoFA as incoming resources when receivable.
Donated services and facilities	These are only included in incoming resources (with an equivalent amount in resources expended) where the benefit to the charity is reasonably quantifiable, measurable and material. The value placed on these resources is the estimated value to the charity of the service or facility received.
Volunteer help	The value of any voluntary help received is not included in the accounts but is described in the trustees' annual report.
Investment income	This is included in the accounts when receivable.
Investment gains and losses	This includes any gain or loss on the sale of investments and any gain or loss resulting from revaluing investments to market value at the end of the year.

EXPENDITURE AND LIABILITIES

Liability recognition	Liabilities are recognised as soon as there is a legal or constructive obligation committing the charity to pay out resources.
Governance costs	Include costs of the preparation and examination of statutory accounts, the costs of trustee meetings and cost of any legal advice to trustees on governance or constitutional matters.
Grants with performance conditions	Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SoFA once the recipient of the grant has provided the specified service or output.
Grants payable without performance conditions	These are only recognised in the accounts when a commitment has been made and there are no conditions to be met relating to the grant which remain in the control of the charity.
Support Costs	Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, eg allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.

ASSETS

Tangible fixed assets for use by charity	These are capitalised if they can be used for more than one year, and cost at least £500. They are valued at cost or a reasonable value on receipt.
Investments	Investments quoted on a recognised stock exchange are valued at market value at the year end. Other investment assets are included at trustees' best estimate of market value.
Stocks and work in progress	These are valued at the lower of cost or market value.

Report to the trustees/ members of	Cornerstone Church Swindon		
On accounts for the year ended	31 December 2022	Charity no (if any)	1188356
Set out on pages	1 - 15		

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended **31/12/2022**.

Responsibilities and basis of report As the charity trustees, you are responsible for the preparation of the accounts in accordance with the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

**Independent
examiner's statement**

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination which gives me cause to believe that in, any material respect,:

- the accounting records were not kept in accordance with section 130 of the Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

CORNERSTONE CHURCH SWINDON

England & Wales - Charity number 1188356

Accounts

Trustees Report for the year ending 31st December 2021

Charity Information

Charity Name:	Cornerstone Church Swindon
Date Registered:	5 th March 2020
Charity Number:	1188356
Registered Office:	18 Tortworth Road Swindon SN25 2AJ
Trustees:	Clifford Reynolds (Chairman) Stephen Mitchell Nigel Sluman David Kew

Structure, Governance and Management

The church is established under a constitution adopted by the trustees on 17th February 2020 and is established as a Charitable Incorporated Organisation.

Trustees are appointed according to the constitution by resolution of the existing trustees.

Trustee meetings are held regularly throughout the year and new trustees are given a copy of the latest accounts and annual report. All trustees are able to attend seminars for church trustees as required.

All trustees have had regard to the guidance issued by the Charity Commission on public benefit.

The church is affiliated with the FIEC (Fellowship of Independent Evangelical Churches) who have no operational authority.

Objectives

The objectives of the CIO are to advance the Christian faith for the public benefit in accordance with the statement of beliefs in Swindon and in such other parts of the United Kingdom or the world as the charity trustees may from time to time think fit and to fulfil such other purposes which are exclusively charitable according to the law of England and Wales and are connected with the charity work of the charity.

Activities, Achievements and Performance

The trustees consider that the performance of church has been good this year.

As well as meeting on Sundays to worship together, we meet throughout the week in Growth Groups, which allow people to learn more about and grow in their Christian faith.

During the first half of 2021, all activities continued to be provided online due to the Covid-19 pandemic. Starting in May, we were able to rent William Morris Primary School and stream our services from there, until June when we were able to meet in person again.

As our in person services started up again, it was encouraging to see many new people attending services and connecting with the church.

We were able to start our activity for primary school aged children, which takes place during the Sunday service. It has been exciting to see about 15 children take part each week, and see their faith grow.

We were also able to start a Youth Growth Group which is an activity for secondary aged children to meet together to study the Bible and for a fun time together. About 10 young people meet each time, and it's been good to see how their faith has grown.

We have continued to support various people in the community through our relationship with Safe Families and individual relationships.

Our pastoral care team have also been able to support a number of people through various physical and mental health issues as well as through bereavement. The team and volunteers have also been able to help practically by shopping for people unable to do so themselves.

The charity is extremely grateful for the support of members of the church and those who regularly attend who serve on a volunteer basis. Throughout the pandemic the volunteers have played an important role in enabling the services to be online, and also in supporting each other.

Financial Report

The trustees review the finances regularly as part of the effective stewardship of the church.

The total unrestricted assets for the charity as of December 2021 was £26,756.

Income was broadly in line with budgeted expectations, with £19,682 from regular attenders, £13,178 from anonymous donations and £24,000 from North Swindon Baptist Church. We are extremely grateful for all who give to the charity.

Outgoings were generally as expected and in line with our budget. £36,146 was spent on staff costs and £2,880 given as missionary support.

As expected, expenditure increased with the lifting of Covid as we saw a comparable increase in income which offset this increase, the Trustees are confident that the charity will continue to achieve its objectives.

Reserves Policy

The Trustees consider it to be expedient in the light of their risk assessment to hold reserves equivalent of 3 months normal running cost of the church. This equates to £13,500.00 for this year. This provides sufficient funds to cover the administration, management, and support costs in the event of a significant and sustained drop in income.

Declarations

The trustees declare that they have approved the trustees' report above.

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended **31/12/2021**.

Responsibilities and
basis of report

As the charity trustees, you are responsible for the preparation of the accounts in accordance with the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent
examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination which gives me cause to believe that in, any material respect,:

- the accounting records were not kept in accordance with section 130 of the Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
