Summary of the main achievements of the charity during the year

Significant increase in both sales and profits.

We have opened an additional shop for seasonal and electrical goods with a 5 year lease to be signed in April.

We have a storage facility available to us on a monthly pop-up rent. This will allow us to sort and test donated items more effectively and give a base of operation for stock rotation, social media sales, ebay and boot sales.

We have appointed an overall manager with increased hours (now 23 hours) and are using self employed consultants to cover additional manning until leases are confirmed – when they will become direct employees. Currently approx 24 hours are being covered by 2 consultants.

More volunteers coming forward who are giving more time. We now have 10 regular volunteers.

We have made contributions to local events that fit with the objectives – in particular the lantern parade and the provision of a recycled bench in the Tincombe Park Community Space.
