Report of the Management Committee and Accounts for the year ended 12th
January 2025

Responsibilities of the Management Committee

The Charities Act 1993 requires the Management Committee to prepare financial statements for each financial year which gives a true and fair view of the state of the affairs of the charitable activities as at the Statement of Financial Position date and of its incoming resources and application of resources, including income and expenditure, for the year then ended.

In preparing those financial statements which give a true and fair view, the committee should follow best practice and:

- Select suitable accounting policies and then apply them consistently.
- Make judgements and estimates that are reasonable and prudent.
- State whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements.
- Prepare the financial statements on the going concern basis unless it is inappropriate to assume that the activities continue on that basis.

The Management Committee is responsible for keeping accounting records, which disclose with reasonable accuracy at any time the financial position of the association. The Management Committee is also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Reserve Policy

The Charity Commission requires charities to determine and explain their policy for free reserves. The trustees have reviewed its free reserves policy and have turned its entire unrestricted funds into an emergency reserve to enable Kingdom Missions International to meet its obligations in the event of a shortfall in income or sudden upturn in expenditure.

Risk Management

The trustees have examined the major risk which Kingdom Missions International faces and maintaining our free reserves at a reasonable level, combined with our annual review of controls over financial systems will provide sufficient resources in the event of adverse conditions. The trustees have also examined other operational and business risks, which we face and confirm that they have established systems to mitigate the significant risks.

**INDEPENDENT EXAMINERS REPORT FOR THE YEAR ENDED 12th
January 2025**

**Independent Examiner's Report on the accounts Report to the members for the
year ended 12th January 2025**

Respective responsibilities of the trustees and the examiner

The trustees are responsible for the preparation of the accounts, and they consider that an audit is not required for this year (under section 43(2) of the Charities Act 1993 (The Act) and that an independent examination is needed. It is our responsibility to:
Examine the accounts (under section 43(3)(a) of the Act);

- Follow the procedures laid down in the General Directives given by the Charity Commissioners (under section 43(7)(b) of the Act); and
- State whether particular matters have come to our attention.

Basis of Independent Examiner's Statement

Our examination was carried out in accordance with General Directives given by the Charity Commissioners. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts and seeking explanations from the Trustees concerning such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently we do not express an audit opinion on the accounts.

Independent Examiner's Statement

In connection with our examination, no matter has come to our attention:

1. which gives us the reasonable cause to believe that in any material respect the requirement:
 - to keep accounting records in accordance with section 41 of the 1993 Act; and
 - to prepare accounts which accord with the accounting records and comply with the accounts have not been met; or
2. to which, in our opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

Objects and Principal activities

1. To advance the Christian faith
2. To relieve persons who are suffering from poverty, sickness and distress or who are otherwise in need
3. To promote and fulfil such other charitable purposes beneficial to the community in any part of the world as the trustees may think fit from time to time.

The Organisation may admit as members any persons who are interested in the objects of the organisation and who may be specially qualified to further its objects or who may have special knowledge, which can assist the organisation.

Trustees and Members of the Management Committee

Louisa Sarpong MA, Thelma De Graft, Jacob Laari

Kingdom Missions International
Report of the Management Committee and Accounts for the year ended 31st
March 2021

Responsibilities of the Management Committee

The Charities Act 1993 requires the Management Committee to prepare financial statements for each financial year which gives a true and fair view of the state of the affairs of the charitable activities as at the balance sheet date and of its incoming resources and application of resources, including income and expenditure, for the year then ended.

In preparing those financial statements which give a true and fair view, the committee should follow best practice and:

- Select suitable accounting policies and then apply them consistently
- Make judgements and estimates that are reasonable and prudent
- State whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements
- Prepare the financial statements on the going concern basis unless it is inappropriate to assume that the activities continue on that basis

The Management Committee is responsible for keeping accounting records, which disclose with reasonable accuracy at any time the financial position of the association. The Management Committee is also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Reserve Policy

The Charity Commission requires charities to determine and explain their policy for free reserves. The trustees have reviewed its free reserves policy and have turned its entire unrestricted funds into an emergency reserve to enable Kingdom Missions International to meet its obligations in the event of a shortfall in income or sudden upturn in expenditure.

Risk Management

The trustees have examined the major risk which Kingdom Missions International faces and maintaining our free reserves at a reasonable level, combined with our annual review of controls over financial systems will provide sufficient resources in the event of adverse conditions. The trustees have also examined other operational and business risks, which we face and confirm that they have established systems to mitigate the significant risks.

Approved by the trustees' committee on 20th October 2021 and signed on its behalf by

Louisa Sarpong MA Trustee Dated 20th October 2021

INDEPENDENT EXAMINERS REPORT FOR THE YEAR ENDED 31st March 2021

Independent Examiner's Report on the accounts Report to the members for the year ended 31st March 2021

Respective responsibilities of the trustees and the examiner

The trustees are responsible for the preparation of the accounts, and they consider that an audit is not required for this year (under section 43(2) of the Charities Act 1993 (The Act) and that an independent examination is needed. It is our responsibility to: Examine the accounts (under section 43(3)(a) of the Act);

- Follow the procedures laid down in the General Directives given by the Charity Commissioners (under section 43(7)(b) of the Act); and
- State whether particular matters have come to our attention.

Basis of Independent Examiner's Statement

Our examination was carried out in accordance with General Directives given by the Charity Commissioners. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the Trustees concerning such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently we do not express an audit opinion on the accounts.

Independent Examiner's Statement

In connection with our examination, no matter has come to our attention:

1. which gives us the reasonable cause to believe that in any material respect the requirement:
 - to keep accounting records in accordance with section 41 of the 1993 Act; and
 - to prepare accounts which accord with the accounting records and comply with the accounts have not been met; or
2. to which, in our opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
