Achievements of the Charity

. The staff have been piloting the new curriculum for Wales since Sep 21 and finding ways to ensure this meets the needs of the children attending Cylch. This has enabled us to confidently start the new school year in Sep 22 fully understanding and providing opportunities within the new curriculum

As we provide a service in an area with a high percentage of non-Welsh speaking children we have been able to introduce and start the children on their Welsh Language journey in preparation for starting main stream Welsh medium school.

Performance of fundraising

With the restrictions of financial burden on many parents/ businesses it has been challenging to be able to carry out much fundraising. We have been able to raise some funds through Individual sponsored walks, we have received some financial donations from local raffles also.

Total income from fundraising/ donations - £246
