OBJECTIVES OF THE CHARITY

The Charity was registered on the 10 March 2020 to give assistance to members of the public who were suffering from or who had suffered from cancer. The assistance extended to their families and carers,

The assistance can take the form of financial help, advice and companionship, transport to hospital and other medical appointments and short holidays in the charity's caravan.

ACHIEVEMENTS AND PERFORMANCE

The trustees are pleased to report that the objectives have continued to be achieved, partly through the donation and grants received and with the help of a number of volunteer drivers whose help has been most gratefully received.

The charity's largest expense remains as patient transport, due to the reimbursement of volunteer drivers fuel costs. The continuing fluctuations in fuel price make this a particularly challenging area. Patient support is another significant cost, which can take the form of meetings, outings, one to one advice, hampers and generally providing help where necessary.

The charity has continued to provide a caravan for short breaks for patients and carers and this service has proved invaluable to those that have utilised it. During the year the charity acquired a second caravan and has been able to increase the availability for short breaks for patients.

The charity is run by the trustees who meet once per month to discuss matters.

RISK ASSESSMENT

The main risk which the charity faces is that of reduction in income, due to the downturn in the economy. As this is outside the control of the charity, the only action that can be taken is to build up sufficient reserves.

RESERVES

The trustees have decided to build up a reserve equivalent to approximately one year's gross cost of transportation. This is estimated to be currently running at about £30,000 and rising.

The trustees declare that they have approved the trustees' report above.

ON BEHALF OF THE CHARITY'S TRUSTEES:

Great Aycliffe Cancer Support
Independent Examiners Report to the Trustees of
Great Aycliffe Cancer Support

I report on the accounts of Great Aycliffe Cancer Support for the year ended 31 December 2024 set out on pages 2 to 8.

Respective responsibilities of trustees and independent examiner

The charity's trustees are responsible for the preparation of the accounts. The trustees consider that an audit is not required for the year under section 144 of the Charities Act 2011 (the Charities Act) and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the Charities Act,
- to follow the procedures laid down in the general Directions given by the Charity Commission (under section 145(5)(b) of the Charities Act), and
- to state whether particular matters have come to my attention.

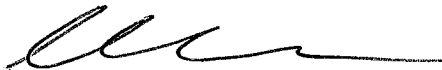

Basis of independent examiner's statement

My examination was carried out in accordance with general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

1. which gives me reasonable cause to believe that in, any material respect, the requirements
 - to keep accounting records in accordance with section 130 of the Charities Act;
 - to prepare accounts which accord with the accounting records and comply with the accounting requirements of the Charities Act have not been met; or
2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

OBJECTIVES OF THE CHARITY

The Charity was registered on the 10 March 2020 to give assistance to members of the public who were suffering from or who had suffered from cancer. The assistance extended to their families and carers,

The assistance can take the form of financial help, advice and companionship, transport to hospital and other medical appointments and short holidays in the charity's caravan.

ACHIEVEMENTS AND PERFORMANCE

The trustees are pleased to report that the objectives have continued to be achieved, partly through the donation and grants received and with the help of a number of volunteer drivers whose help has been most gratefully received.

The charity's greatest single expenditure remains as patient transport, due to the reimbursement of volunteer drivers fuel costs. The continuing fluctuations in fuel price make this a particularly challenging area. Patient support is another significant cost, which can take the form of meetings, outings, one to one advice, hampers and generally providing help where necessary.

The charity has continued to provide a caravan for short breaks for patients and carers and this service has proved invaluable to those that have utilised it.

The charity is run by the trustees who meet once per month to discuss matters.

RISK ASSESSMENT

The main risk which the charity faces is that of reduction in income, due to the downturn in the economy. As this is outside the control of the charity, the only action that can be taken is to build up sufficient reserves.

RESERVES

The trustees have decided to build up a reserve equivalent to approximately one year's gross cost of transportation. This is estimated to be currently running at about £20,000 and rising.

It has also been decided to create a reserve for the replacement of the caravan which is beginning to show its age. It is thought that about £10,000 will be required to replace it at today's prices.

The trustees declare that they have approved the trustees' report above.

ON BEHALF OF THE CHARITY'S TRUSTEES:

Great Aycliffe Cancer Support
Independent Examiners Report to the Trustees of
Great Aycliffe Cancer Support

I report on the accounts of Great Aycliffe Cancer Support for the year ended 31 December 2022 set out on pages 2 to 8.

Respective responsibilities of trustees and independent examiner

The charity's trustees are responsible for the preparation of the accounts. The trustees consider that an audit is not required for the year under section 144 of the Charities Act 2011 (the Charities Act) and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the Charities Act,
- to follow the procedures laid down in the general Directions given by the Charity Commission (under section 145(5)(b) of the Charities Act), and
- to state whether particular matters have come to my attention.

Basis of independent examiner's statement

My examination was carried out in accordance with general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

1. which gives me reasonable cause to believe that in, any material respect, the requirements
 - to keep accounting records in accordance with section 130 of the Charities Act;
 - to prepare accounts which accord with the accounting records and comply with the accounting requirements of the Charities Act have not been met; or
2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
