Financial assistance was provided to offer additional Grade 5 Scholarship Examination coaching to underprivileged students from remote and undeserved schools.

We extended immediate financial assistance by providing dry rations and clothing to landslide affected families in Nuwara Eliya.

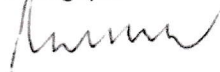

In addition, we provided essential school utensils to school going children in remote villages who were severely affected by the floods.

Trustees of OSUK are committed to continue with Primary and Secondary Education Projects and University Students Assistance Project as these are on going commitments.

We also financially assist towards renovating and improving play room facilities for Hindu College, Batticaloa.
