TRUSTEE STATEMENT

At the start of this year period, we were hit by the pandemic and we were unable to meet as frequently in our building. This has forced us to be innovative and creative as we worked on providing online platforms for us to meet. We invested in a lot of media and sound equipment. This gave us the opportunity to minister to people wider than our regular congregation. We were also able to get back our gift aid from donations which has allowed us to stay afloat as a congregation.

As a church we are also in partnership with various social action projects and organisations across the town. This has allowed us to give donations for food, give a helping hand to those in need and be a listening ear to those who were going through things through the pandemic. We also facilitated gatherings for uni students who wanted a space to pray and fellowship.

During this season, we hosted different online events for families, men and women. Our aim was to support our congregants coming out of the lockdown and to allow them face the future with hope and confidence.

STATEMENT OF TRUSTEE RESPONSIBILITIES

Company law requires the trustees to prepare financial statements for each financial year which gives a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure of the charitable company of that period.

In preparing those financial statements, the trustees are required to:

- Select suitable accounting policies and then apply them consistently
- Observe the methods and principles in the Charity SORP
- Make judgements and estimates that are reasonable and prudent
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business

They are responsible for safeguarding the assets of the charitable company and for taking reasonable steps for the prevention and detection of fraud and other irregularities.
