Driffield Men in Sheds General Meeting

Digby informed the members that the Town Council Hire Agreement has been signed and that Driffield Men in Sheds has opened an account at Lloyds Bank

Health and safety

In order to open the Shed to members a Health and Safety booklet has to be compiled and issued to each member.

Peter is to meet with Shed Trustees on site on 20-8-21 and they will continue to meet until he is able to finalise a Health and Safety document, Peter will put the policy on line for members to read.

A decision must be made as to how many members are to be allowed on site each day, how many days the shed is to open and if wood work and metal work should be on alternate days.

Advertising Driffield Men in Sheds

It was suggested that we advertise in the Driffield Wolds Weekly and on the Radio (Mark) and that we hold a drop in at Cass Hall to promote DMS for new members to call in and have a chat and join if they wish to do so.

We need 40 paying members to guarantee the annual rent of £4000. Members to pay £10.00 a month It was suggested that new members be half price for the first three months.

A review of the fee to take place in March 2022.

Team leaders to be allocated once the shed is open the aim is to open the shed around 20th September 2021.

Electric

Southern Electric to fit the 3 phase electric and a local electrician to put sockets and fit the heaters once the shed is open to members.

PAT testing

Initially to ask the tidy team an alternative is to get training for a member or members and purchase a PAT tester.

Friends of the Beck Planter

Progress is being made help will be needed to put it in place in the park and assemble it vehicle access may be needed from ERYC.

Driffield in Bloom Hay Racks
