**All Nations Catholic Charismatic Group**  
**Notes to the financial statements**  
**For the year ended 31 December 2023**

**1. Accounting policies**

The principal accounting policies adopted, judgments and key sources of estimation uncertainty in the preparation of the financial statements are as follows:

**a. Basis of preparation**

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities in preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) (effective 1 January 2019) - (Charities SORP (FRS102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102).

All Nations Catholic Charismatic Group (ANCCG) meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy notes.

**b. Judgments and estimates**

The trustees have made no key judgments which have a significant effect on the accounts. The trustees do not consider that there are any sources of estimation uncertainty at the reporting date that have a significant risk of causing a material adjustment to the carrying amount of assets and liabilities within the next reporting period.

**c. Going concern**

The trustees have reviewed the charity's forecasts and projections, taking into consideration the cost-of-living crisis. The trustees are confident that the charity can also fulfil its commitments to its beneficiaries for the period ending 31 December 2024.

**d. Fund accounting**

Unrestricted funds are available to spend on activities that further any of the purposes of the charity. Designated funds are unrestricted funds of the charity which the trustees have decided at their discretion to set aside to use for a specific purpose. Restricted funds are grants and donations which the donor has specified are to be solely used for particular areas of the charity's work or for specific projects being undertaken by the charity.

**All Nations Catholic Charismatic Group**  
**Notes to the financial statements**  
**For the year ended 31 December 2023**

**e. Income**

The Income is recognised when the charity has entitlement to the funds, any performance conditions attached to the item(s) of income have been met, it is probable that the income will be received and the amount can be measured reliably.

Income from government and other grants, whether 'capital' grants or 'revenue' grants, is recognised when the charity has entitlement to the funds, any performance conditions attached to the grants have been met, it is probable that the income will be received and the amount can be measured reliably and is not deferred. Income received in advance of a provision of a specified service is deferred until the criteria for income recognition are met.

**f. Donated services and facilities**

Donated professional services and donated facilities are recognised as income when the charity has control over the item, any conditions associated with the donated item have been met, the receipt of economic benefit from the use by the charity of the item, is probable and the economic benefit can be measured reliably. In accordance with the Charities SORP(FRS102), general volunteer time is not recognised.

On receipt, donated professional services and donated facilities are recognised on the basis of the value of the gift to the charity which is the amount the charity would have been willing to pay to obtain services or facilities of equivalent economic benefit on the open market; a corresponding amount is then recognised in expenditure in the period of receipt.

**g. Expenditure**

Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category. Costs of generating funds are those incurred in seeking voluntary income and do not include the costs of disseminating information in support of the charitable activities.

Governance costs relate to the general running of the charity as opposed to those costs associated with fundraising or charitable activity. Included within this category are costs associated with internal audit and risk, as well as external audit costs, as opposed to day-to-day management of the charity's activities.

**All Nations Catholic Charismatic Group**  
**Notes to the financial statements**  
**For the year ended 31 December 2023**

**h. Tangible fixed assets**

All expenditure of a capital nature on development work overseas is expensed as incurred, while tangible fixed assets in the UK costing more than £100 are capitalized and included at cost, including any incidental expenses of acquisition. Depreciation is provided on tangible fixed assets at rates calculated to write off the cost by equal annual instalments over their expected useful economic lives as follows:

|                                   |         |
|-----------------------------------|---------|
| Freehold land and buildings       | Nil     |
| Computer infrastructure           | 5 years |
| Computer equipment                | 4 years |
| Furniture, fixtures and equipment | 4 years |

Impairment reviews are conducted when events and changes in circumstances indicate that an impairment may have occurred. If any asset is found to have a carrying value materially higher than its recoverable amount, it is written down accordingly.

**i. Debtors**

Trade and other debtors are recognised at the settlement amount due after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

**j. Cash at bank and in hand**

Cash at bank and cash in hand includes cash and short term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

**k. Creditors and provisions**

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.

**l. Gift aid**

Gift Aid tax reclaims is recognised for any Gift Aid certificates received up to two months after the year-end, in relation to donations made prior to the year-end, where the Gift Aid tax reclaim application was filled to HMRC prior to the year-end.
