Public benefit

These activities are considered to be for the public benefit and in running the Charity the Trustees have regard for the Charity Commission guidance on public benefit.

Application of Income

The net income shall be applied first to repair, insure and meet all other outgoings in respect of the Charity's properties and all proper costs of the Charity's administration and management. Thereafter net income shall be applied for the benefit of the almspeople of the Charity.

ACHIEVEMENT AND PERFORMANCE

Charitable activities

On 1 July 2020 the activities, assets, liabilities and funds and reserves of The Rettendon Almshouse Charity (Charity Registration Number 1180337), referred to in these financial statements as "old charity", were transferred to this Charity.

During the year the Trustees have continued to be concerned as to the welfare of residents and maintenance of the almshouses. The ongoing COVID pandemic had restricted activities and Trustee meetings were affected accordingly, being held via Zoom rather than face to face in some instances.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The Charity is governed in accordance with a constitution dated 12 March 2020.

**INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF
THE RETTENDON ALMSHOUSE CHARITY**

Independent examiner's report to the trustees of The Rettendon Almshouse Charity

I report to the charity trustees on my examination of the accounts of The Rettendon Almshouse Charity (the Trust) for the period 12 March 2020 to 30 June 2021.

Responsibilities and basis of report

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's accounts carried out under section 145 of the Act and in carrying out my examination I have followed all applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

THE RETTENDON ALMSHOUSE CHARITY

NOTES TO THE FINANCIAL STATEMENTS FOR THE PERIOD 12 MARCH 2020 TO 30 JUNE 2021

1. TRANSFER OF ENGAGEMENTS

On 1 July 2020 the activities, assets, liabilities and funds and reserves of The Rettendon Almshouse Charity (Charity Registration Number 1180337), referred to in these financial statements as "old charity", were transferred to this Charity.

2. ACCOUNTING POLICIES

Basis of preparing the financial statements

The charity constitutes a public benefit entity as defined by FRS 102.

The accounts have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice (SORP) applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland issued in October 2019, the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102), the Charities Act 2011, and UK Generally Accepted Accounting Practice.

The financial statements have been prepared under the historical cost convention, with the exception of investments and freehold properties which are included at market value, as modified by the revaluation of certain assets.

Fund Accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Designated funds are unrestricted funds of the charity which the trustees have decided at their discretion to set aside to use for a specific purpose.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Permanent endowment funds are non-expendable funds which are normally held indefinitely.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Income from government and other grants, whether 'capital' grants or 'revenue' grants, is recognised when the Charity has entitlement to the funds, any performance conditions attached to the grants have been met, it is probable that the income will be received and the amount can be measured reliably and is not deferred.

For legacies, entitlement is taken as the earlier of the date on which either: the Charity is aware that probate has been granted, the estate has been finalised and notification has been made by the executor(s) to the Charity that a distribution will be made, or when a distribution is received from the estate.

Donations and other voluntary income are reflected in the accounts for the period in which they are received. Donations in kind are recognised by the Charity when received except in the case of services provided free or undervalue by voluntary staff or others which are not reflected in the accounts.

THE RETTENDON ALMSHOUSE CHARITY

NOTES TO THE FINANCIAL STATEMENTS - continued FOR THE PERIOD 12 MARCH 2020 TO 30 JUNE 2021

2. ACCOUNTING POLICIES - continued

Interest Received

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the Charity; this is normally upon notification of the interest paid or payable by the Bank.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Repairs and Maintenance of Properties

The charges in the Statement of Financial Activities in respect of Cyclical Maintenance and Extraordinary Repairs reflect the Trustees' constant concern to keep the properties in good condition. Transfers are made from the Income Account each year to the Extraordinary Repair Reserve to cover extraordinary repairs as they arise and to the Cyclical Maintenance Reserve to cover repairs which arise on a cyclical basis.

Support Costs

The Charity's governance costs are allocated entirely to the Almshouse Costs since support costs relating to other activities are considered immaterial.

Taxation

The charity is exempt from tax on its charitable activities.

Tangible fixed assets - housing Properties

The housing properties are included in the accounts at their insurance reinstatement value. Additions after each revaluation are included at cost until a further revaluation. The land on which the housing properties are situated is included at £140,000 being the value as calculated by the trustees.

Revaluations are performed with sufficient regularity to ensure that the carrying amounts are not materially misstated.

The cost of refurbishment and improvements to the existing property are written off to General Fund as incurred. Any major improvements or extensions to the property are capitalised.

Investments

Investments are shown on the Balance Sheet at their market value. Changes in market values during an accounting period are reflected in the accounts as unrealised gains or losses. Upon disposal of an investment the difference between original cost and disposal proceeds is reflected in the accounts as a realised gain or loss and an adjustment is made to unrealised gains or losses to reverse unrealised movements in value in earlier years.

Debtors

Contribution and other debtors are recognised at the settlement amount due. Prepayments are valued at the amount prepaid net of any trade discounts due.

Cash at Bank

Cash at bank and cash in hand includes cash and short term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

THE RETTENDON ALMSHOUSE CHARITY

NOTES TO THE FINANCIAL STATEMENTS - continued
FOR THE PERIOD 12 MARCH 2020 TO 30 JUNE 2021

2. ACCOUNTING POLICIES - continued

Creditors and Provisions

Creditors and provisions are recognised where the Charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.

Going Concern

The Trustees have considered the potential impact of COVID-19 on the Charity's financial position and whether the Charity's ability to continue as a going concern was likely to be affected. The Trustees consider that the income to the Charity would not be affected in any material way as the majority of their beneficiaries were of retirement age with fixed incomes related to statutory pensions, private pensions, universal credit and housing benefit. Nevertheless, the impact of COVID-19 might result in voids being of longer duration during pandemic restrictions. Based on these assessments, cash and the current funds available, the Trustees have concluded that they can continue to adopt the going concern basis in preparing the annual reports and accounts.
