Introduction to the Financial Statements for Fareham & District Model Railway Club CIO for the year ended 31 March 2025.

Financial Review

The year ended 31 March 2025 saw an increase in the Club's funds of £10,100 due largely to the successful exhibition held in October 2024 and the claiming of Gift Aid on membership donations.

Although on the face of it this is a good result, the club must continue to be vigilant in the conduct of its finances. The good exhibition result in 2024 only mitigates the poor exhibition result seen in October 2022. The club faces challenges in maintaining the Harbour View premises and there will be costs to be faced in the current financial year.

In the past it has been difficult to compare the club's finances from one year to the next due to the timing of income and expenditure relating to the annual exhibition. Amounts for income and expenditure were seen in previous financial years which related to the forthcoming year's exhibitions and thus gave a misleading picture.

In the year to 31 March 2025 both income and expenditure items have been seen which relate to the October 2025 exhibition. These amounts have been treated as accruals and are not shown in the income and expenditure totals for the year. They appear in the Balance sheet as accounts payable and account receivable as at 31 March 2025 and will be transferred to income and expenditure in April 2025.

On the 1 April 2024 Fund Accounting software was introduced which enables better tracking and monitoring of the Clubs finances.

This enabled the creation of funds in which the club's cash resources are allocated.

The Club now operates the following unrestricted and designated funds:

General Fund – for day to day expenditure.

Key Deposit Fund- to account for the key deposits received from members.

Rent Provision Fund - the accumulated rent due to Fareham Borough Council.

Exhibition Fund – for income and expenditure relating to the annual exhibition.

Layout Fund – for monitoring expenditure on club layouts.

Reserve fund – kept in reserve to pay for major repairs.

Transfers can be made between funds as required to ensure monies are available when and where needed.

More information on the Club's funds and their movements are detailed in the Fund Movement Summary on page 5.

**Independent Examiner's Report to the Trustees of Fareham & District Model
Railway Club CIO
Registered Charity Number 1188533**

I report on the accounts of the Charity for the year ended 31 March 2025, which are set out in pages 1 to 10.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

It is my responsibility to

Examine the accounts under section 145 of the 2011 Act;

To follow the procedures laid down in the General Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act, and

To state whether particular matters have come to my attention.

Basis of independent examiner's report

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustee for any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention which gives me reasonable cause to believe that in any material respect the requirements to keep accounting records in accordance with section 130 of the 2011 Act, and to prepare accounts that accord with the accounting records and to comply with the accounting requirements of the 2011 Act have not been met, or to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

Notes to the Accounts

Charity accounts must be prepared in accordance with Charity law. The Charities Act 2011 required accounts to be prepared in line with the current Statement of Recommended Practice (SORP).

The Model Railway Club is a registered charity within the meaning of FRS 102. The financial statements have been prepared under the Charities Act 2011. They are prepared under the applicable accounting standards and the 2019 version of the Statement of Recommended Practice, Accounting and Reporting by Charities.

The financial statements have been prepared under the historical cost convention except for investment assets which are shown at market value. The financial statements include all transactions, assets and liabilities for which the trustees are responsible in law.

Fund Accounting

Endowment Funds. The Charity does not have any endowment funds.

Restricted Funds. The Charity does not have any restricted funds.

Unrestricted Funds. These comprise the general fund used for the day to day running of the charity.

Designated Funds. These are funds set aside by the Charity for particular projects for administration purposes only. See the fund movement summary for more information on these funds.

The accounts are prepared on an accruals basis to enable the income and expenditure incurred in relation to the annual exhibition to be shown within the same financial year as the respective exhibition.

Statement of Financial Activity (SOFA).

Where headings are shown in the SOFA these correspond to the analysis of income and expenditure (pages 7 & 8) where a breakdown of the SOFA headings can be found.

Balance Sheet

The alignment of asset cash and liability balances shown in the balance sheet can be found in the Statement of Assets and Liabilities showing funding alignment on page 9 & 10.

**Independent Examiner's Report to the Trustees of Fareham & District Model
Railway Club CIO
Registered Charity Number 1188533**

I report on the accounts of the Charity for the year ended 31 March 2025, which are set out in pages 1 to 10.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

It is my responsibility to

Examine the accounts under section 145 of the 2011 Act;

To follow the procedures laid down in the General Directions given by the Charity

Commission under section 145(5)(b) of the 2011 Act, and

To state whether particular matters have come to my attention.

Basis of independent examiner's report

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustee for any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention which gives me reasonable cause to believe that in any material respect the requirements to keep accounting records in accordance with section 130 of the 2011 Act, and to prepare accounts that accord with the accounting records and to comply with the accounting requirements of the 2011 Act have not been met, or to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

CHARITY COMMISSION
FOR ENGLAND AND WALES

Trustees' Annual Report for the period

From **1st April 2024** Period start date To **31st March 2025** Period end date

Charity name: Fareham & District Model Railway Club

Charity registration number: 1188533

Objectives and Activities

	SORP reference	
Summary of the purposes of the charity as set out in its governing document	Para 1.17	To advance and promote public education and encourage a wider interest in model railways, including the history, heritage, and development of railways and the hobby of railway modelling. To support and develop high standards of modelling among members, including the associated skills involved in the creation of model railways. To provide opportunities for the public and local communities to access and enjoy skilled work, including through the presentation of our own work and the work of others at exhibitions.
Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts.	Para 1.17 and 1.19	<p>During the period covered by this report, the Club continued its exhibition programme. Our annual exhibition, RailEx, was successfully delivered and showcased the work of our own members alongside layouts from clubs across the country. The event was held at a local leisure centre and attracted over 1,500 visitors across the two-day exhibition.</p> <p>Later in the year, we also presented our own layouts to the local communities of Fareham and</p>

		<p>Portchester at a local parish hall. This event continues to build a strong reputation as an opportunity for the Club to display its work within the local community. It also encouraged greater public engagement, resulting in several enquiries and new members joining the Club to learn more about the hobby.</p> <p>In addition, the development of our digital tools, including social media and our website, has significantly improved our reach. Through articles, blog posts, and online resources offering advice and guidance, we have been able to support both our members and the wider public. Our online presence has continued to grow, strengthening the Club's profile within the model railway community.</p>
Statement confirming whether the trustees have had regard to the guidance issued by the Charity Commission on public benefit	Para 1.18	Fareham & District Model Railway Club has considered the guidance the charities commission has provided when creating activities for the public.

Additional information (optional)

You may choose to include further statements where relevant about:

	SORP reference	
Policy on grant making	Para 1.38	Grant-making is not a consideration for our charity.
Policy on social investment including program related investment	Para 1.38	N/A
Contribution made by volunteers	Para 1.38	Volunteers contribute to the charity's aims in a variety of ways. During major events, such as the RailEx exhibition, a core group of members dedicated significant time and effort to advertising, planning, organisation, and delivery. This included the continued development and provision of

		<p>IT support during the event, enabling improved access for a wider public audience.</p> <p>Volunteers have also worked to increase public accessibility by expanding the use of social media and enabling online ticket purchases. This has allowed people who may not otherwise have been aware of, or able to attend, the exhibition to participate. The continued use of advance online ticket sales and card payment facilities has demonstrated a positive impact, and the charity intends to explore further opportunities to enhance accessibility for the public in future years.</p> <p>In addition, volunteers are developing software tools to support both the charity and those exhibiting at our events. These tools assist in managing large volumes of data more securely and efficiently, reducing the risk of errors and improving overall operational effectiveness.</p>

Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	<p>During the year, the charity continued to develop and expand its annual RailEx exhibition, building on recovery from the challenges experienced in previous years. The increased scale of the event contributed to a further 5% rise in visitor numbers compared with the previous year, equating to around 175 additional attendees. This provided a wider audience with the opportunity to experience model railways, many of whom may not otherwise have had access to such an event. In line with the charity's aims, particular emphasis was placed on attracting a younger audience and encouraging interest in the hobby.</p> <p>Members also benefited from further opportunities to develop and improve the Club's layouts, which are exhibited at events across the country. Looking ahead, plans are</p>

		<p>to create additional layouts in areas with limited representation, particularly in modern and contemporary themes.</p> <p>An increased focus on modern image layouts and digital control systems has helped to attract members from a younger age group than the Club's previous average. In response to this trend, the Management Committee is still actively exploring introducing a junior membership category for those under the age of 18. or perhaps the possibilities of workshops for younger people to get involved in.</p>

Achievements against objectives set	Para 1.41	<p>During the year, the charity further expanded its annual RailEx exhibition, continuing to rebuild following the challenges experienced in previous years. This resulted in an approximately 5% increase in visitor numbers compared with the previous year and generated an improved financial surplus. The additional surplus will be reinvested in the charity to support the creation and development of the layout.</p> <p>The exhibition's growth enabled more visitors to experience model railways and encouraged greater engagement with the hobby, including its recognised benefits for personal well-being. In line with the charity's aims, particular attention was given to attracting a younger audience and encouraging new participation.</p> <p>Members also benefited from further opportunities to enhance and develop the Club's layouts, which are exhibited at events across the country. Discussions are underway to create additional layouts in areas with limited representation, particularly for modern and contemporary themes.</p>
Performance of fundraising activities against objectives set	Para 1.41	<p>The Committee is pleased to report that the objective set for the year, to achieve a modest surplus from exhibitions and club open days, was not only met but exceeded when compared with previous years. This outcome was achieved through the cooperation and commitment of members, together with increased engagement within the local</p>

		community and closer working relationships with local businesses.
Investment performance against objectives	Para 1.41	N/A

Financial Review

Review of the charity's financial position at the end of the period	Para 1.21	<p>During the year, the charity strengthened its base funds and achieved an increased surplus. This reflects the continued efforts of the Management Committee to stabilise and improve the charity's financial position, and as a result, the charity is now operating from a more confident and sustainable footing.</p> <p>Despite this positive financial position, the charity continues to face challenges in maintaining its membership base. Members who leave the Club are not always easy to replace, which poses an ongoing risk to long-term sustainability. In response, significant focus will be placed in the coming year on increasing membership, improving engagement, and attracting new participants to support the charity's future activities.</p>
Statement explaining the policy for holding reserves stating why they are held	Para 1.22	We currently continue to hold a surplus due to the fact that the local council has yet to confirm the amount of funds owed in back rent.
Amount of reserves held	Para 1.22	£12,862.45
Reasons for holding zero reserves	Para 1.22	
Details of fund materially in deficit	Para 1.24	
Explanation of any uncertainties about the charity continuing as a going concern	Para 1.23
