

## Annual Report RCPG. 1 April 2022 To 31 March 2023

During the financial period RCPG have managed to raise funds for the community plan aims. We are running a monthly pop-up café with no expenditure as the Parish Hall is given to us to use for free and everything is provided by volunteers. At Christmas we were entertained by the Maltby Brass band which was paid for by the Parish Council and we ran a raffle. The RCPG are delighted by the response from our village to support these events.

We secured funding again from the Co-operative and have been accepted for the next financial year too.

The results from the Community Plan survey have been published and we will continue to the work towards the aims stated to improve and support our community.

One of our aims still is to raise enough money to provide an all-weather path around a community space. Now that the drainage issue has been resolved we can begin to look for quotes and begin to apply for funding.
