

Ravenfield Community Plan Group

The Ravenfield Community Plan Group started in 2018. Our aim was to support and raise money for projects in our local community.

The main project is to provide funding for the planning costs for the All Weather path on Jubilee field.

We raise funds by holding the monthly Pop-Up café in the Parish Hall. It is well attended, and we had a good number of volunteer bakers and helpers. We are now unable to sell home-made cakes due to local Government legislation and have to serve bought cakes instead.

Unfortunately, there are very few people who want to sit on the RCPG committee, and the charity is in danger of folding if we can't secure more members.
