TADCASTER COMMUNITY SPORTS TRUST

STATEMENT OF TRUSTEE'S RESPONSIBILITIES

The charity trustees are responsible for preparing a trustees' report and financial statements in accordance with applicable law and United Kingdom Accounting Standards including Financial Reporting Standard 102: The Financial Reporting Standard applicable in the UK (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the income and expenditure of the charity for that period. In preparing these financial statements, the trustees are required to:

- (a) select suitable accounting policies and then apply them consistently;
- (b) observe the methods and principles in the Charities SORP;
- (c) make judgements and estimates that are reasonable and prudent;
- (d) state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- (e) prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for maintaining proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud or other irregularities.

TADCASTER COMMUNITY SPORTS TRUST
REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 30TH APRIL 2025

The trustees present their annual report and the financial statements of the charity for the year ended 30th April 2025.

The financial statements have been prepared in accordance with the charity's accounting policies and the charity's trust deed, the Charities Act 2011 and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

1. **Structure, Governance and Management**

Governing document

The Charity was formed as a Charitable Incorporated Organisation (CIO) on 16th March 2020 and is governed by its Charitable Incorporated Constitution (“the Constitution”) which was signed by the Trustees on 9th July 2020.

Organisation

The affairs of the Charity are managed by the Trustees, who are ultimately responsible for ensuring the Charity objective is fulfilled, meet by collective agreement periodically throughout each calendar year, but on no less than four occasions. The Trustees, wherever possible, delegate the day-to-day operation of its affairs to a management team. Outside the day-to-day business of the Charity, a Trustee is appointed to oversee and manage any specialist projects that utilise their key skills and experience.

Appointment of Trustees

As set out within the Constitution, the members or the Trustees may at any time decide to appoint a new charity trustee (through nomination, application or invitation) either to replace a retiring trustee or an additional appointment. Wherever possible, the Trustees will consider the specialist skills and/or experience that such additional trustees may bring to the Charity and seek to maintain a level of at least five trustees without exceeding the maximum permissible number of twelve.

REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 30TH APRIL 2025

Trustee Induction and Training

Newly appointed trustees will receive a full briefing covering the history, management structure, financial position, benefits provided by the Charity along with the future aims and ambitions. In addition, copies of the following documentation will also be provided:

- The Constitution and any amendments which may have been agreed;
- The latest Trustees Annual Report and Financial Accounts and
- The Charity Commission Guidance “CC3a-The Essential Trustee: An Introduction”

Risk Management

The Trustees take a low-risk approach to investing the Charity’s funds. The Trustees consider that in such volatile economic times, investing in short term products which may provide both income and capital growth is inappropriate. Accordingly, at the current time all funds are held in Barclays bank current and savings accounts.

In considering the annual budget and the Charity operation as a whole, the Trustees examine the major risks to which the Charity is exposed, especially the income streams which are influenced significantly by financial capability of its members and the general public - changing social behaviours being witnessed across all hospitality sectors is seen as being a potential future problem. A similar approach is applied to utility costs which form a significant element of annual expenditure.

The Trustees are provided with regular reports on the financial and operational performance of the Charity and these reports are fully considered as part of the decision-making process.

Bi-annual health and safety inspections of the facilities are performed by Acton Jennings, an external specialist company.

Maintaining individual buildings remains a key requirement of the Charity in order to ensure both compliance with health and safety requirements and provide facilities suitable for community socialising and sporting recreation.

FOR THE YEAR ENDED 30TH APRIL 2025

2. Objectives and Activities

The Charity's objectives and aims as set out in the Constitution are:

“To promote community participation in healthy recreation and the advancement of amateur sport for the benefit of the inhabitants of Tadcaster and the surrounding area through the provision of playing surfaces and facilities for the playing of amateur sport and community recreation for the benefit of the local community with the object of improving physical and mental wellbeing”.

Ensuring the Charity's work delivers its aims and objectives

The Trustees review the aims and objectives on an annual basis and seek to ensure the Charity continues to remain focussed on its core values and main purpose. All the activities are reviewed regularly and the success each one of them makes towards the aims and objectives is fully considered.

How our activities deliver public benefit

The Trustees refer to the guidance contained within the Charity Commission's general guidance on public benefit when reviewing its aims and objectives and in planning future activities. In particular, the Trustees consider how planned activities will contribute to the aims and objectives that have been set.

Our main activities and who we provide services to are described below. All of our charitable activities focus on operating and maintaining the Charity and are undertaken to further our charitable purposes for both the residents and visitors to the local community of Tadcaster.

Volunteers

The extent and scope of our service is heavily dependent on the support and commitment from a number of volunteers. The Trustees wish to acknowledge all those people who offer, without question or hesitation, their spare time to perform defined roles, assume a host of responsibilities and regularly undertake unforeseen tasks and actions. The Trustees extend thanks to all of you.

3. Achievements and Performance

How the Charity objective and aims were delivered for public benefit during 2024/25

The Trustees key priorities for 2024/25 (as set out within the 2024/25 Annual Report) are presented below along with resultant progress and achievements recorded during the period:

The planned works in respect of minimising the Charity's carbon footprint were concluded in August 2024 with the commissioning of solar panels. This was part-funded by an

- external grant of £49,900 procured from North Yorkshire Sport via the UK Shared Prosperity (Levelling Up) Fund. Electricity generated by the solar panels has helped to minimise the impact of ever-increasing utility costs.

The trustees have continued to work and liaise with affiliate organisations and community groups within the local area to increase utilisation and income streams at the Queens

- Gardens and Manor Fields sites. This includes several workshops funded by North Yorkshire Council in support of local businesses.

Three additional Trustees were appointed to cover social media and buildings

- maintenance to further assist in delivering the Charity's aims and objectives.

The Trust's facilities continue to be an extremely important venue from a community perspective and without which there would be no suitable venue in the town for, amongst

- other things, other local charitable organisations to hold events as well as life celebrations.

In conjunction with Tadcaster Magnets Cricket Club (TMCC), the three day "Tadfest" was

- once again held and resulted in vital funds being generated both for the Charity and cricket club.

Following the successful inaugural Junior Cricket Fest held in 2023, the event was held

- once again raising valuable funds for the junior cricket club and Riverside Primary School.

Several other charitable events were held throughout the year with beneficiaries including

- Mind, Andy's Man Club, MacMillan, St Gemma's Hospice and St Leonard's Hospice raising over £10,000 in total.

The Trustees wish to express thanks for the time and effort donated by all Trust members in order to make these successful community events.

4. Financial Review

The Charity has enjoyed a successful trading year with revenues of £147,866.

The overall net income was £175,992 and the net loss for the year is £8,229 which gives the Charity an overall fund of £378,454.

5. Reserves policy

It is the policy of the Charity to maintain a level of reserve funds to ensure its long term future.

6 Going Concern

The accounts for the year ended 30 April 2025 have been prepared on a going concern basis. The trustees have carefully considered the financial position of the Charity and consider that no material uncertainties exist with regard to its ability to continue to operate for the foreseeable future as a going concern.

Plans for 2024/25

The Trustees key priorities for 2024/25 are summarised as follows:

For Queens Gardens:

- Re-roof the club building
- Install photovoltaic panels to the southern roof elevation
- Fit insulation to the walls
- Clad the building in thermal boarding
- Replace existing windows with AA rated glass
- Upgrading of the outside facilities
- Repainted the Pavilion

Other:

- Continue to work and liaise with affiliate organisations and community groups within local area with a view to increasing utilisation and income streams at the Queens Gardens site.
- Continue to source volunteers who can further assist in delivering the Charity aims and objectives.
- Continue to find a solution to the chronic green space shortfalls in the town.
- Maintaining a safe environment for those attending the Charity facilities.

TADCASTER COMMUNITY SPORTS TRUST

STATEMENT OF TRUSTEE'S RESPONSIBILITIES

The charity trustees are responsible for preparing a trustees' report and financial statements in accordance with applicable law and United Kingdom Accounting Standards including Financial Reporting Standard 102: The Financial Reporting Standard applicable in the UK (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the income and expenditure of the charity for that period. In preparing these financial statements, the trustees are required to:

- (a) select suitable accounting policies and then apply them consistently;
- (b) observe the methods and principles in the Charities SORP;
- (c) make judgements and estimates that are reasonable and prudent;
- (d) state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- (e) prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for maintaining proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud or other irregularities.

TADCASTER COMMUNITY SPORTS TRUST
REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 30TH APRIL 2024

The trustees present their annual report and the financial statements of the charity for the year ended 30th April 2024.

The financial statements have been prepared in accordance with the charity's accounting policies and the charity's trust deed, the Charities Act 2011 and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

1. Structure, Governance and Management

Governing document

The Charity was formed as a Charitable Incorporated Organisation (CIO) on 16th March 2020 and is governed by its Charitable Incorporated Constitution ("the Constitution") which was signed by the Trustees on 9th July 2020.

Organisation

The affairs of the Charity are managed by the Trustees, who are ultimately responsible for ensuring the Charity objective is fulfilled, meet by collective agreement periodically throughout each calendar year, but on no less than four occasions. The Trustees, wherever possible, delegate the day-to-day operation of its affairs to a management team. Outside the day-to-day business of the Charity, a Trustee is appointed to oversee and manage any specialist projects that utilise their key skills and experience.

Appointment of Trustees

As set out within the Constitution, the members or the Trustees may at any time decide to appoint a new charity trustee (through nomination, application or invitation) either to replace a retiring trustee or an additional appointment. Wherever possible, the Trustees will consider the specialist skills and/or experience that such additional trustees may bring to the Charity and seek to maintain a level of at least five trustees without exceeding the maximum permissible number of twelve.

TADCASTER COMMUNITY SPORTS TRUST
REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 30TH APRIL 2023

Trustee Induction and Training

Newly appointed trustees will receive a full briefing covering the history, management structure, financial position, benefits provided by the Charity along with the future aims and ambitions. In addition, copies of the following documentation will also be provided:

- The Constitution and any amendments which may have been agreed;
- The latest Trustees Annual Report and Financial Accounts and
- The Charity Commission Guidance “CC3a-The Essential Trustee: An Introduction”

Risk Management

The Trustees take a low-risk approach to investing the Charity’s funds. The Trustees consider that in such volatile economic times, investing in short term products which may provide both income and capital growth is inappropriate. Accordingly, at the current time all funds are held in Barclays bank current and savings accounts.

In considering the annual budget and the Charity operation as a whole, the Trustees examine the major risks to which the Charity is exposed, especially the income streams which are influenced significantly by financial capability of its members and the general public - changing social behaviours being witnessed across all hospitality sectors is seen as being a potential future problem. A similar approach is applied to utility costs which form a significant element of annual expenditure.

The Trustees are provided with regular reports on the financial and operational performance of the Charity and these reports are fully considered as part of the decision-making process.

Health and safety inspections of the facilities are performed regularly by a volunteer who is a qualified Health and Safety Officer, with detailed risk assessments produced as may be required by individual functions, events etc.

Maintaining individual buildings remains a key requirement of the Charity in order to ensure both compliance with health and safety requirements and provide facilities suitable for community socialising and sporting recreation.

TADCASTER COMMUNITY SPORTS TRUST
REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 30TH APRIL 2024

2. Objectives and Activities

The Charity's objectives and aims as set out in the Constitution are:

“To promote community participation in healthy recreation and the advancement of amateur sport for the benefit of the inhabitants of Tadcaster and the surrounding area through the provision of playing surfaces and facilities for the playing of amateur sport and community recreation for the benefit of the local community with the object of improving physical and mental wellbeing”.

Ensuring the Charity's work delivers its aims and objectives

The Trustees review the aims and objectives on an annual basis and seek to ensure the Charity continues to remain focussed on its core values and main purpose. All the activities are reviewed regularly and the success each one of them makes towards the aims and objectives is fully considered.

How our activities deliver public benefit

The Trustees refer to the guidance contained within the Charity Commissions general guidance on public benefit when reviewing its aims and objectives and in planning future activities. In particular, the Trustees consider how planned activities will contribute to the aims and objectives that have been set.

Our main activities and who we provide services to are described below. All of our charitable activities focus on operating and maintaining the Charity and are undertaken to further our charitable purposes for both the residents and visitors to the local community of Tadcaster.

Volunteers

The extent and scope of our service is heavily dependent on the support and commitment from a number of volunteers. The Trustees wish to acknowledge all those people who offer, without question or hesitation, their spare time to perform defined roles, assume a host of responsibilities and regularly undertake unforeseen tasks and actions. The Trustees extend thanks to all of you.

3. Achievements and Performance

How the Charity objective and aims were delivered for public benefit during 2023/24

The Trustees key priorities for 2023/24 (as set out within the 2022/23 Annual Report) are presented below along with resultant progress and achievements recorded during the period:

- Finalisation of a Five-Year plan which included planned preventative maintenance requirements and capital expenditure allowances for the existing Queens Gardens Community Social Building
- External grant funding of £49,900 procured from North Yorkshire Sport via the UK Shared Prosperity (Levelling Up) Fund to support minimising the Charity's carbon footprint.
- Continued to work and liaise with affiliate organisations and community groups within the local area to increase utilisation and income streams at the Queens Gardens site.
- Identification of three additional Trustees with specific skillsets and sourcing Volunteers to further assist in delivering the Charity aims and objectives.
- Installation of loft insulation at the Queens Gardens site and removal of redundant wiring.
- Continued lobbying to find a solution to the chronic green space shortfalls in the town.
- Maintaining a safe environment for those attending the Charity facilities

The Charity facilities continue to be an extremely important venue from a community perspective and without which there would be no suitable venue in the town for, amongst other things, other local charitable organisations to hold events as well as life celebrations.

In conjunction with Tadcaster Magnets Cricket Club (TMCC), the three day "Tadfest" was once again held and resulted in vital funds being generated both for the Charity and cricket club.

The inaugural Junior Cricket Fest raised valuable funds for the junior cricket club and Riverside Primary School.

The Trustees wish to express thanks for the time and effort donated by TMCC members in order to make these successful community events.

4. Financial Review

The Charity has enjoyed a successful trading year with revenues of £213,649 which includes a grant of £49,900 from the Decarbonising North Yorkshire Scheme for the installation of solar panels to reduce the Charity's carbon footprint and reducing utility bills.

The overall net income was £238,724 and the net profit for the year is £61,273 which gives the Charity an overall fund of £383,429.

5. Reserves policy

It is the policy of the Charity to maintain a level of reserve funds to ensure its long term future.

Plans for 2023/24

The Trustees key priorities for 2024/25 are summarised as follows:

For Queens Gardens:

- Install photovoltaic panels to the southern roof elevation
- Fit insulation to the walls
- Replace existing windows with AA rated glass
- Upgrading of the outside facilities

Other:

- Continue to work and liaise with affiliate organisations and community groups within local area with a view to increasing utilisation and income streams at the Queens Gardens site.
- Appointment of additional Trustees and sourcing Volunteers who can further assist in delivering the Charity aims and objectives.
- Continue to find a solution to the chronic green space shortfalls in the town.
- Maintaining a safe environment for those attending the Charity facilities

The charity trustees are responsible for preparing a trustees' report and financial statements in accordance with applicable law and United Kingdom Accounting Standards including Financial Reporting Standard 102: The Financial Reporting Standard applicable in the UK (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the income and expenditure of the charity for that period. In preparing these financial statements, the trustees are required to:

- (a) select suitable accounting policies and then apply them consistently;
- (b) observe the methods and principles in the Charities SORP;
- (c) make judgements and estimates that are reasonable and prudent;
- (d) state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- (e) prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for maintaining proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud or other irregularities.

TADCASTER COMMUNITY SPORTS TRUST

Governing document

The Charity was formed as a Charitable Incorporated Organisation (CIO) on 16th March 2020 and is governed by its Charitable Incorporated Constitution (“the Constitution”) which was signed by the Trustees on 9th July 2020.

Organisation

The affairs of the Charity are managed by the Trustees, who are ultimately responsible for ensuring the Charity objective is fulfilled, meet by collective agreement periodically throughout each calendar year, but on no less than four occasions. The Trustees, wherever possible, delegate the day-to-day operation of its affairs to a management team. Outside the day-to-day business of the Charity, a Trustee is appointed to oversee and manage any specialist projects that utilise their key skills and experience.

Appointment of Trustees

As set out within the Constitution, the members or the Trustees may at any time decide to appoint a new charity trustee (through nomination, application or invitation) either to replace a retiring trustee or an additional appointment. Wherever possible, the Trustees will consider the specialist skills and/or experience that such additional trustees may bring to the Charity and seek to maintain a level of at least five trustees without exceeding the maximum permissible number of twelve.

FOR THE YEAR ENDED 30TH APRIL 2023

Trustee Induction and Training

Newly appointed trustees will receive a full briefing covering the history, management structure, financial position, benefits provided by the Charity along with the future aims and ambitions. In addition, copies of the following documentation will also be provided:

- The Constitution and any amendments which may have been agreed;
- The latest Trustees Annual Report and Financial Accounts and
- The Charity Commission Guidance “CC3a-The Essential Trustee: An Introduction”

Risk Management

The Trustees take a low-risk approach to investing the Charity’s funds. The Trustees consider that in such volatile economic times, investing in short term products which may provide both income and capital growth is inappropriate. Accordingly, at the current time all funds are held in Barclays bank current and savings accounts.

In considering the annual budget and the Charity operation as a whole, the Trustees examine the major risks to which the Charity is exposed, especially the income streams which are influenced significantly by financial capability of its members and the general public - changing social behaviours being witnessed across all hospitality sectors is seen as being a potential future problem. A similar approach is applied to utility costs which form a significant element of annual expenditure.

The Trustees are provided with regular reports on the financial and operational performance of the Charity and these reports are fully considered as part of the decision-making process.

Health and safety inspections of the facilities are performed regularly by a volunteer who is a qualified Health and Safety Officer, with detailed risk assessments produced as may be required by individual functions, events etc.

Maintaining individual buildings remains a key requirement of the Charity in order to ensure both compliance with health and safety requirements and provide facilities suitable for community socialising and sporting recreation.

REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 30TH APRIL 2023

2. Objectives and Activities

The Charity's objectives and aims as set out in the Constitution are:

“To promote community participation in healthy recreation and the advancement of amateur sport for the benefit of the inhabitants of Tadcaster and the surrounding area through the provision of playing surfaces and facilities for the playing of amateur sport and community recreation for the benefit of the local community with the object of improving physical and mental wellbeing”.

Ensuring the Charity's work delivers its aims and objectives

The Trustees review the aims and objectives on an annual basis and seek to ensure the Charity continues to remain focussed on its core values and main purpose. All the activities are reviewed regularly and the success each one of them makes towards the aims and objectives is fully considered.

How our activities deliver public benefit

The Trustees refer to the guidance contained within the Charity Commissions general guidance on public benefit when reviewing its aims and objectives and in planning future activities. In particular, the Trustees consider how planned activities will contribute to the aims and objectives that have been set.

Our main activities and who we provide services to are described below. All of our charitable activities focus on operating and maintaining the Charity and are undertaken to further our charitable purposes for both the residents and visitors to the local community of Tadcaster.

Volunteers

The extent and scope of our service is heavily dependent on the support and commitment from a number of volunteers. The Trustees wish to acknowledge all those people who offer, without question or hesitation, their spare time to perform defined roles, assume a host of responsibilities and regularly undertake unforeseen tasks and actions. The Trustees extend thanks to all of you.

3. Achievements and Performance

How the Charity objective and aims were delivered for public benefit during 2022/23

The Trustees key priorities for 2022/23 (as set out within the 2021/22 Annual Report) are presented below along with resultant progress and achievements recorded during the period:
Produce and implement a Five-Year Plan which amongst other things will include:

- **Planned preventative maintenance requirements and**
- **Capital expenditure required for the existing Queens Gardens Community Social Building which was constructed during the 1950's**

An initial but comprehensive schedule of envisaged future capital investment and building maintenance requirements for all Charity facilities was produced and for example included for maintenance/replacement of the building fabric along with refurbishment of the social facilities.

It is intended the schedule of work will be classed as a baseline for the future and will be developed over the forthcoming 12 months in conjunction with updated financial forecasts which combined will determine projected levels of affordability.

Completion of the refurbishment activities at the Manor Field site and increase utilisation of those facilities.

The Manor Field site kitchen, fencing and external work project was completed and the Charity wishes to express thanks to Tadcaster Football Club who facilitated a funding grant from the Football Foundation and without which the improvements would not have been possible.

In addition to ongoing use of the Manor Field facilities by Tadcaster Junior Football Club, a three-year occupation agreement was entered permitting use of the social area within the clubhouse building by Tadcaster Community Swimming Pool Trust (TCSPT). It is extremely pleasing to report that TCSPT have undertaken some really impressive internal refurbishment works and are using the facilities on an ongoing basis for both internal use and as a lifeguard training centre.

TADCASTER COMMUNITY SPORTS TRUST
REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 30TH APRIL 2023

Working and liaising with affiliate organisations and community groups within local area with a view to increasing utilisation and income streams at the Queens Gardens site.

Following the COVID pandemic the Charity has witnessed continuing support from affiliate organisations and other local groups and in accordance with its objectives to improve community health and well-being has sought to make the facilities available for use by the wider community

The Charity facilities continue to be an extremely important venue from a community perspective and without which there would be no suitable venue in the town for, amongst other things, birthdays and life celebrations.

In conjunction with Tadcaster Magnets Cricket Club (TMCC), the three day “Tadfest” was once again held and resulted in vital funds being generated both for the Charity and cricket club. The Trustees wish to express thanks for the time and effort donated by TMCC members in order to make this a truly successful community event.

Consider appointment of additional Trustees who can further assist in delivering the Charity aims and objectives.

Although during the period it was acknowledged at a number of Trustee meetings that a need remained to appoint additional Trustees, the matter has not been progressed and will clearly need to be addressed during the forthcoming period.

Minimize energy costs to minimise the Charity’s carbon footprint.

Various aspects of energy efficiency were identified which included potential installation of photovoltaic panels on the south facing roof elevation, external wall cavity insulation and re-cladding along with roof space insulation. All of which combined would reduce carbon emissions and energy costs.

Several funding opportunities have been identified and it is proposed to request a de-carbonising survey under a scheme operated by North Yorkshire Council. It has to be fully appreciated the cost of undertaking such energy efficiency work will need to be balanced against the benefits that would be delivered.

Pursue delivery of Project Ignite given the identified chronic local shortfalls in sports pitches, green space and recreational areas.

As stated in the previous Annual Report, having finalised the site masterplan, compiled a comprehensive business plan along with public consultation materials, the Charity was informed by the landowner during January 2022 that the area would no longer be made available for the project. It was hoped that during the 2022/23 period discussions would continue with all parties in the hope that the landowner's current position may be reversed and the whole community could benefit from a facility designed with the key objective of improving physical and mental health and wellbeing.

In brief, it is extremely disappointing to record that positive news cannot be reported within this report. A comprehensive response paper was submitted to the Publication Version of the Local Plan (October 2022) and within which it was stated that with specific regards to sport, recreation, health and wellbeing in Tadcaster, the Local Plan failed the "soundness" criteria and in accordance with various sections of the paper, it was requested that as part of the publication consultation process Selby District Council ("SDC") demonstrate how:

- Residents of Tadcaster and immediately surrounding villages will be provided with access to high quality openspace, in accordance with the **Local Plan Vision and Objectives**.
- The SDC strategy to deliver appropriate and accessible sport and recreation facilities, childrens play areas and high quality multi-functional green space which support the health and well-being of the community, as described within the Local Plan **Objective for Open Spaces and Recreation**, is to be delivered.

TADCASTER COMMUNITY SPORTS TRUST
REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 30TH APRIL 2023

- Levels of recreational openspace are to be preserved.
- The chronic shortfalls in Tadcaster identified by the Playing Pitch Strategy and Local Football Facilities Plan and Green Space Audit are to be remedied.

Having received no reply to the Local Plan consultation paper a detailed letter was subsequently submitted to the Selby Planning Department on 6th March 2023 jointly by the Charity, Tadcaster Community Swimming Pool Trust and Tadcaster Football Club. This letter once again highlighting the major green space deficiencies in the town and surrounding rural areas and requested a meeting be urgently arranged. Albeit the letter was acknowledged, Selby District Council has since been dissolved with route into the new unitary authority somewhat unknown.

Maintaining a safe environment for those attending the Charity facilities

Health and Safety at both the Queens Gardens and Manor Field sites continues to be a key requirement and during the period various risk assessments have been undertaken with actions identified and implemented.

4. Financial Review

During the period 2022/23, the Charity had total incoming resources of £184,194 and the deficit for the year was £29,246.

5. Reserves policy

It is the policy of the Charity to maintain unrestricted funds, which are the free reserves of the Charity, at a level to provide sufficient funds for necessary working capital and in particular to cover payments towards new projects recommended for support by the Trustees.

Plans for 2023/24

The Trustees key priorities for 2023/24 are summarised as follows:

- Finalise a Five-Year Plan which amongst other things will include:
 - o Planned preventative maintenance requirements and
 - o Capital expenditure allowances for the existing Queens Gardens Community Social Building

TADCASTER COMMUNITY SPORTS TRUST
REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 30TH APRIL 2023

- Continue to work and liaise with affiliate organisations and community groups within local area with a view to increasing utilisation and income streams at the Queens Gardens site.
- Appointment of additional Trustees and sourcing Volunteers who can further assist in delivering the Charity aims and objectives.
- Minimise the Charity's carbon footprint - seek external grant funding.
- Continue to find a solution to the chronic green space shortfalls in the town.
- Maintaining a safe environment for those attending the Charity facilities

TADCASTER COMMUNITY SPORTS TRUST

STATEMENT OF TRUSTEE'S RESPONSIBILITIES

The charity trustees are responsible for preparing a trustees' report and financial statements in accordance with applicable law and United Kingdom Accounting Standards including Financial Reporting Standard 102: The Financial Reporting Standard applicable in the UK (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the income and expenditure of the charity for that period. In preparing these financial statements, the trustees are required to:

- (a) select suitable accounting policies and then apply them consistently;
- (b) observe the methods and principles in the Charities SORP;
- (c) make judgements and estimates that are reasonable and prudent;
- (d) state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- (e) prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for maintaining proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud or other irregularities.

TADCASTER COMMUNITY SPORTS TRUST
REPORT OF THE TRUSTEES
FOR THE PERIOD 6TH APRIL 2021 TO 30TH APRIL 2022

The trustees present their annual report and the financial statements of the charity for the period 6th April 2021 to 30th April 2022.

The financial statements have been prepared in accordance with the charity's accounting policies and the charity's trust deed, the Charities Act 2011 and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

1. Structure, Governance and Management

Governing document

The Charity was formed as a Charitable Incorporated Organisation (CIO) on 16th March 2020 and is governed by its Charitable Incorporated Constitution ("the Constitution") which was signed by the Trustees on 9th July 2020.

Organisation

The affairs of the Charity are managed by the Trustees, who are ultimately responsible for ensuring the Charity objective is fulfilled, meet by collective agreement periodically throughout each calendar year, but on no less than four occasions. The Trustees, wherever possible, delegate the day-to-day operation of its affairs to a management team. Outside the day-to-day business of the Charity, a Trustee is appointed to oversee and manage any specialist projects that utilise their key skills and experience.

Appointment of Trustees

As set out within the Constitution, the members or the Trustees may at any time decide to appoint a new charity trustee (through nomination, application or invitation) either to replace a retiring trustee or an additional appointment. Wherever possible, the Trustees will consider the specialist skills and/or experience that such additional trustees may bring to the Charity and seek to maintain a level of at least five trustees without exceeding the maximum permissible number of twelve.

- The Charity Commission Guidance “CC3a-The Essential Trustee: An Introduction”

Risk Management

The Trustees take a low-risk approach to investing the Charity’s funds. The Trustees consider that in such volatile economic times, investing in short term products which may provide both income and capital growth is inappropriate. Accordingly, at the current time all funds are held in Barclays bank current and savings accounts.

In considering the annual budget and the Charity operation as a whole, the Trustees examine the major risks to which the Charity is exposed, especially the income streams which are influenced significantly by financial capability of its members and the general public - changing social behaviours being witnessed across all hospitality sectors is seen as being a potential future problem. A similar approach is applied to utility costs which form a significant element of annual expenditure.

The Trustees are provided with regular reports on the financial and operational performance of the Charity and these reports are fully considered as part of the decision-making process.

Health and safety inspections of the facilities are performed regularly by a volunteer who is a qualified Health and Safety Officer, with detailed risk assessments produced as may be required by individual functions, events etc.

Maintaining individual buildings remains a key requirement of the Charity in order to ensure both compliance with health and safety requirements and provide facilities suitable for community socialising and sporting recreation.

REPORT OF THE TRUSTEES
FOR THE PERIOD 6TH APRIL 2021 TO 30TH APRIL 2022

2. Objectives and Activities

The Charity's objectives and aims as set out in the Constitution are:

“To promote community participation in healthy recreation and the advancement of amateur sport for the benefit of the inhabitants of Tadcaster and the surrounding area through the provision of playing surfaces and facilities for the playing of amateur sport and community recreation for the benefit of the local community with the object of improving physical and mental wellbeing”.

Ensuring the Charity's work delivers its aims and objectives

The Trustees review the aims and objectives on an annual basis and seek to ensure the Charity continues to remain focussed on its core values and main purpose. All the activities are reviewed regularly and the success each one of them makes towards the aims and objectives is fully considered.

How our activities deliver public benefit

The Trustees refer to the guidance contained within the Charity Commissions general guidance on public benefit when reviewing its aims and objectives and in planning future activities. In particular, the Trustees consider how planned activities will contribute to the aims and objectives that have been set.

Our main activities and who we provide services to are described below. All of our charitable activities focus on operating and maintaining the Charity and are undertaken to further our charitable purposes for both the residents and visitors to the local community of Tadcaster.

Volunteers

The extent and scope of our service is heavily dependent on the support and commitment from a number of volunteers. The Trustees wish to acknowledge all those people who offer, without question or hesitation, their spare time to perform defined roles, assume a host of responsibilities and regularly undertake unforeseen tasks and actions. The Trustees extend thanks to all of you.

3. Achievements and Performance

How the Charity objective and aims were delivered for public benefit during 2021/22 Following a government announcement, the Facility was closed on the 19th March 2020. Thereafter a combination of social distancing measures and further lockdown periods resulted in normal service only being resumed in April 2021. Although income streams were adversely impacted throughout this time the Charity sought to mitigate costs wherever possible, was extremely grateful to receive local government grants and able to benefit from the government job retention scheme.

During the Covid related period and despite the significant income stream reductions, the Trustees made a conscious decision to continue with upkeep of the grounds at Queens Gardens, failure to do so would have resulted in major deterioration of the standards which had, in accordance with the Charity objectives, been achieved over a number of years. It was also decided to undertake minor improvements and refurbishment of the community social facilities during this period.

Project Ignite

Over the course of the last five years detailed engagement had taken place with a number of key stakeholders including Selby District Council, North Yorkshire Sport and various national governing bodies for sport with regards to the creation of a Sports and Leisure Park (Project Ignite) on land immediately adjoining to the south of the existing Queens Gardens facility.

The scheme which proposed delivery of various sport and leisure pitches/facilities, with site management performed by Tadcaster Community Swimming Pool Trust, was widely supported by the key stakeholders and during the summer of 2021 the Charity received grants from Selby District Council totalling £192,000 which would enable project progression through its detailed design and planning phases.

Having finalised the site masterplan, compiled a comprehensive business plan along with public consultation materials, the Charity was informed by the landowner during January 2022 that the area would no longer be made available for the project. The land withdrawal was devastating news particularly as the long-term viability of the existing facilities was predicated upon project delivery.

Discussions continue with all parties in the hope that the landowner's current position may be reversed and the whole community can benefit from a facility designed with the key objective of improving physical and mental wellbeing.

FOR THE PERIOD 6TH APRIL 2021 TO 30TH APRIL 2022

Manor Field Refurbishment

The Charity in conjunction with Tadcaster Junior Football Club submitted a funding application to the Football Foundation for refurbishment of security fencing, kitchen and other sundry improvement works at the Manor Field site in Tadcaster which is held on a long-term lease by the Charity with Selby District Council.

The grant application was approved during December 2021 and provided 75% funding of the estimated overall cost of £32,000. The Charity undertook to pay the 25% cost balance. Works commenced during April 2022 and are planned to be completed during November 2022.

Completion of the scheme will significantly enhance the facilities used by a number of local groups.

Sports Club Affiliations and Community Groups

Through the Covid pandemic, the Charity maintained its close relationships with the various affiliated sports clubs and partner groups. However, following the re-opening of the facilities post-Covid, it was pleasing to report an extension of such relationships through introduction of the following groups:

- Tadcaster Cycling Club became affiliated with the Charity and as well as all cyclists becoming members the club uses the Queens Gardens site as its “home”
- A “Motherfit” group was established and operates from the Queens Gardens site
- Junior football camps were held at the Manor Field site
- Local school parent teacher meetings are now held at the Queens Gardens site, with the local ladies forum utilising the community social facilities.

In accordance with objectives to improve community health and well-being, the Charity continue to seek increased utilisation of the facilities by other local groups and organisations.

Community Events

The Charity facilities continue to be an extremely important venue from a community perspective and without which there would be no suitable venue for, amongst other things, birthdays and life celebrations.

In conjunction with the affiliated Tadcaster Magnets Cricket Club, the three day “Tadfest” was once again held post-Covid and resulted in vital funds being generated both for the Charity and cricket club.

4. Financial Review

The Charity has experienced another challenging period during 2021/22 as income streams did not fully recover due to the Covid outbreak. The Charity received government support grants, utilised the job retention scheme and wherever possible sought to mitigate its expenditure.

During the period 2021/22, the Charity had total incoming resources of £47,862 and the deficit for the year was £31,993.

5. Reserves policy

It is the policy of the Charity to maintain unrestricted funds, which are the free reserves of the Charity, at a level to provide sufficient funds for necessary working capital and in particular to cover payments towards new projects recommended for support by the Trustees.

Plans for 2022/23

The Trustees key priorities for 2022/23 are summarised as follows:

- Produce and implement a Five-Year Plan which amongst other things will include:
 - o Planned preventative maintenance requirements and
 - o Capital expenditure required for the existing Queens Gardens Community Social Building which was constructed during the 1950's
- Completion of the refurbishment activities at the Manor Field site and increase utilisation of those facilities.
- Working and liaising with affiliate organisations and community groups within local area with a view to increasing utilisation and income streams at the Queens Gardens site.
- Consider appointment of additional Trustees who can further assist in delivering the Charity aims and objectives.
- Minimize energy costs to minimise the Charity's carbon footprint.

REPORT OF THE TRUSTEES
FOR THE PERIOD 6TH APRIL 2021 TO 30TH APRIL 2022

- Pursue delivery of Project Ignite given the identified chronic local shortfalls in sports pitches, green space and recreational areas.

- Maintaining a safe environment for those attending the Charity facilities

The work of the Charity remains highly respected locally and has been able to attract financial support from a variety of sources including affiliated sports organisations and national governing bodies which combined with ongoing support from the local community is envisaged will provide the necessary finances required to operate the facilities for the next twelve months.

Trustees Report – 16th March 2020 to 5th April 2021

The Trust was registered with the Charity Commission on 16th March 2020, however remained in-active due to the Covid-19 Pandemic which delayed the legal transfer of the 'CASC' Tadcaster Magnet Sports & Social Club to the Trust with the business continuing to operate under Tadcaster Magnet Sports & Social Club until 1st October 2021 when the legal transfer was completed.

Taking this into account for the period 16th March 2020 to 5th April 2021 the Trustees file a nil return.
