The Parish Church of St Ives

Report for the

Annual Meeting of Parishioners (AMP) and Annual Parochial Church Meeting (APCM)

on Tuesday 15 May 2022

with the Financial Report for 2021

The AMP elects the churchwardens for the forthcoming year.

The APCM elects PCC members, Deanery Synod Representatives every third year and sidesmen (and women) for the coming year. It also receives reports on the Electoral Roll, the work of the Parochial Church Council; Fabric, Goods and Ornaments; Church Finances; the Deanery Synod; and other matters of general interest.

This report summarises the activities of our parish church over the last year. This meeting will give you an opportunity to ask any questions about these activities and about the financial report.

Annual Meeting of Parishioners (AMP)

This meeting is open to anyone who is resident in the ecclesiastical parish or on the church electoral roll. Everyone, except clergy, is entitled to vote. Nominations for the office of Churchwarden must have been received and approved by the incumbent prior to the commencement of the meeting.

The Standing Committee

The PCC is supported by the Standing Committee which may meet between full meetings of the PCC. It has the power to transact the business of the PCC between meetings, subject to any directions given by the Council.

Its members are: The Rev'd Mark Amey (Chairman), Martin Collier (Vice Chair), Barry Wills (Churchwarden) and Elaine Midgley (Treasurer).

Objectives and Activities

The PCC has the responsibility for co-operating with the Vicar, in promoting in the ecclesiastical parish the whole mission of the Church, pastoral, evangelistic, social and ecumenical.

The PCC also has financial and maintenance responsibilities for All Saints' Church, the Parish Hall, the surrounding land and the Parish Hall Cottage.

Objectives and Activities

Since the last APCM the PCC has met a total of ten times, Due to covid some of these took place via Zoom. All aspects of church life have been discussed including the start of a reordering project centred on the Nave Space. Spiritual and social activities for the PCC also took place.

PCC Electoral Roll

The Electoral Roll stands at present at 98 which is an increase of 2 from last year's 96.

As the total remains below 100 it means that the PCC keeps the same number of members for the next year.

Please check to ensure your name is on the list or if you would like to add your name then please let me know so that you can be included.

Churchwardens' Report

Throughout much of 2021 activity within the church building was limited because of the lockdown. However, we continued with our regular working parties to keep the drains and gutters clear and to clean the interior, both at high-level and low-level. Many thanks to all of those who took part.

We suffer occasional leaks in the roofs of the south and, in particular, north aisles following heavy downpours of rain. We will continue to monitor this and consult the architect at the time of the next quinquennial. Otherwise the structure of the church building does not give cause for concern and the plate remains in good order.

Deanery Synod Report

The Deanery Synod met four times during 2021, the January and April meetings being by Zoom alone and the July and October meetings being in person with an option for attendance by Zoom.

Apart from the usual administrative matters, we discussed regularly the various challenges faced by parishes during the Covid lockdown. We also heard talks about the challenges faced by the NHS, the Great Commission and the Five Marks of Mission, the proposed “Protect Duty” presently before Parliament to be imposed on public venues, including places of worship, and COP26.

Music and Choir Report

Until the end of June 2021, under Lockdown restrictions, services were provided via Zoom. Because of the limitations of this technology, it proved more effective to pre-record all the music instead of attempting to sing it 'live' each Sunday morning. The process of making these recordings was quite laborious initially, but a routine soon emerged. The accompaniments were recorded first and sent by email to each of the singers; they recorded their individual parts, listening to the accompaniment through headphones as they sang; then the vocal tracks were forwarded, by email again, so that everything could be assembled (i.e. the voice parts were put together with the accompaniment) using a computer program designed for this purpose.

The continuation of a full programme of music for Mass during the successive Lockdowns was the direct result of the willingness and hard work of those involved. It is appropriate therefore to record our gratitude to the singers, Verity Trynka-Watson, Karen Kershaw, Rebecca Hand, Richard Hough and Callum Dickerson, and perhaps especially to Simon Kershaw for undertaking the very tricky task of putting everything together in readiness for Sunday mornings.

Since the end of June 2021 we have resumed normal services in Church. Because of the way the Covid-19 virus spreads, singing

together is a potentially hazardous activity, so we have kept to a small number of singers in the choir, all of whom take regular Lateral Flow tests to ensure that the risk of infection is as low as possible. When everyone is present we are able to sing in complete 4-part harmony, which makes it possible to sing suitable verses of Communion hymns unaccompanied, or to sing occasional anthems or motets.

In December 2021, shortly before Christmas, we were joined by the choir from Boxworth for the Carol Service (the first since 2019). In addition to leading the congregation in the traditional Advent and Christmas hymns, the combined choirs sang two anthems. One was an extended setting of See Amid the Winter's Snow by the Edwardian composer John Ebenezer West; the other was a Christmas song from Finland, En Etsi Valtaa Loistoa, with music by Jean Sibelius, which was sung in Finnish – possibly a first for St Ives!

Despite the relaxation in the government's guidance, it is important to recognise that the Covid-19 pandemic is not yet over. The virus spreads mainly through the air and is transmitted through the air that we all breathe out. If anyone who is carrying the virus – even if they have no symptoms – is close to someone else, the virus can be transmitted very easily. When people sing, they breathe out more air than when they speak, which is why singing has been singled out as a potential risk. There are three main things we can all do to reduce this risk:

1. Be vaccinated, and keep boosters up to date whenever they are offered;
2. Keep a reasonable distance away from other people you don't live with;
3. Wear a face mask over your mouth and nose.

In addition, if you have access to Lateral Flow tests (sadly these are no longer free), they provide a simple and effective way of knowing whether you are infected or not.

None of these precautions is required by law, but in Church, if you wish to join in the singing (as I hope you do!), it is still strongly advised that you wear a face mask. Please do sing: music sung by the congregation is such an important part of our worship! But also, please help to keep All Saints as safe as possible for everyone.

Safeguarding Report

Safeguarding refers to the procedures the parish and the Diocese of Ely use to protect children and vulnerable adults from abuse and other forms of exploitation.

The PCC has procedures which show due regards to directions from the Church of England House of Bishops. The PCC has a safeguarding policy. This is reviewed annually and is next due for review in April 2023.

Clergy and those members of the congregation in certain positions of trust are required to undertake a DBS (criminal record) check and a confidential declaration including references from two independent referees. All DBS checks are now paperless (online) and will be renewed every three years.

The parish safeguarding officer is Peter Smith. Any safeguarding concerns should be raised with the officer or the vicar. Contact information is on the weekly church service sheet.

The parish safeguarding officer attended the diocesan safeguarding network event on 7 March 2021 and 3 March 2022. He updated required training in January 2022. The parish safeguarding officer has been kept informed of relevant safeguarding issues within the parish.

The diocese of Ely is committed to supporting safeguarding in this and all parishes and operates to the highest standards to help us protect children and vulnerable adults from abuse.

Children's Work Report

Children's work took place at the 10.15 Sunday morning service every Sunday during 2021. At the start of the year this was online through a breakout room on Zoom, because Covid restrictions prevented meeting in person. We returned to church during the summer.

Children attending church with parents or grandparents are welcome to join in with activities to increase their understanding of the faith.

Children's corner is available for the very youngest at all times.

Children of primary school and pre-school age go to the Sanctuary at the front of church for a bible story, discussion and to start practical activities. They gather at the altar to join in the Lord's Prayer and to receive a blessing or Communion before returning to their pews.

The children are involved in craft activities to take home, display in church or to show to the congregation. These practical activities are intended to help children remember what has been discussed.

Thanks to the team of children's workers, also to the parents for their support and interest and to the children for their enthusiasm.

Mothers' Union Report

This second year of the COVID-19 Pandemic has been a quiet one. However, our Branch has carried on in the following ways:

As most venues have been closed during much of this time and it has been more expedient to distance from having close contact, we have held Thursday Prayers on Zoom and have got together for coffee mornings, also on Zoom. I am pleased to say that contact with members has been maintained, not only via Zoom, but also in emails and through telephone calls, which have kept us in touch with each other.

Collections of knitted products have continued as usual. Thanks to our knitting group who have continued to meet in their 'bubble' throughout this time.

As our fundraising for AFIA (Away From It All) was not possible this year, due to COVID-19, we decided to support our Worldwide 'Summer of Hope' campaign to help alleviate the suffering that has occurred overseas due to the pandemic. This could be done on a smaller scale and could afford greater respect for distancing. Thank you to all who attended and supported this event which raised over £400.

Three new members were admitted in November with a service in church. Our total membership is now 20.

Bellringers' Report

Last year started with church services being held via Zoom and so there was no bell ringing for some considerable time, other than the Ellacombe chimes occasionally before the broadcast. The ringers continued to hold weekly 'practices' via Zoom themselves, with

alternate weeks being for a chat with ringers or attempts at virtual ringing online with friends from other towers.

On Tuesday March 23rd the tenor bell was tolled at midday and again at 8pm for the National Day of Reflection. Then on April 9th, to mark the passing of HRH Prince Philip, Duke of Edinburgh, there was the traditional Nine Tailors tolling. This comprised the tenor bell being tolled nine times, in three groups of three (for a man), followed by 99 tolls for his age.

Thereafter the ringing has been sporadic. In mid-May a group of four ringers checked out the bells prior to ringing before services recommencing on Sunday 23rd May, although to begin with there were often only 4 ringers and face masks were worn to comply with Covid restrictions. On Saturday 26th June three ringers rang a selection of tunes on the Ellacombe Chimes, along with other churches around the world, to mark their 200th anniversary, which was much appreciated by those who heard it.

Bell practices didn't resume in church until Monday 19th July, with face masks still being worn but were generally well attended, both by our own ringers and some from other local towers.

There were 4 weddings with bells during the summer, but only one set of visitors ventured to our tower. However, there was further ringing, along with other towers across the country, to highlight climate change on Saturday 30th October, the eve of the COP26 conference.

As well as the continued ringing on Sunday mornings before the 10.15am mass, there was half-muffled ringing for the service on All Souls' Day (2nd November) and Remembrance Sunday and ringing before the Carol Service, Nativity from Scratch and midnight mass.

Treasurer's Report

I am pleased to report that the Church's finances have not been adversely affected by the Covid-19 pandemic for which we continue to give our thanks to God. This is largely due to the success of the October Beer Festival and a local government Additional Restrictions Grant of £6,000, matched with reduced costs during the year due to lack of building use.

Overall, we have reported a surplus of £5,907. This surplus will contribute to the rebuilding of reserves to allow us to manage an unpredictable future, and to support planned additional expenditure for 2022 such as the investment in photography for marketing purposes.

It is noted, that whilst contributions made by regular stewardship showed a small increase, our income through mediums such as regular plate collections and small fundraising events (e.g. cake sales or social events) was significantly reduced on 2019 levels (pre-pandemic). In 2022 we will not have the benefit of government aid and therefore we will need these levels of giving and income to return in order to manage the predicted steep rise in utility costs and inflation.

Our Festivals, including Gin & Jazz and the Beer Festival remain a significant contributor, enabling a surplus over costs in excess of £11,000. Without these, we would have been looking at a notable loss on the year.

Parish Share was paid in full during the year and we had no borrowing. We successfully paid our Share by Direct Debit over the Diocese's recommended 10-month period and have therefore received a discount on our 2021 Share compared to the prior year. We have subsequently made a claim directly with HMRC for 11 months' worth of Gift Aid owed from Declarations and via the Gift Aid Small Donations Scheme which is acknowledged in pending income (received in January 2022).

We made notable investments in the year (funded from designed funds) of £7,203 towards fees for architects and professionals advising on the proposed sale of the Church Hall. This has enabled us to apply for Planning Permission from Huntingdonshire District Council which would support a good value for the sale of the Hall if granted. We await the result, but if it is forthcoming, we will be able to invest these funds in a re-ordering project for the Church.

Our year end account balances include a sum of £23,116 held in unrestricted reserve (amounting to nearly 3 months' running costs) which now adequately supports our cash flow management. This has enabled us to pay our Parish Share via Direct Debit despite our outgoings regularly exceeding our income on a monthly basis.

The Foodbank continued to benefit significantly from the overwhelming generosity of individual givers who gave via regular bank transfer throughout the year, although there has been a decline since 2020. Income includes receipt of a grant for £3,940 from the St. Ives Town Council to support the Foodbank's ongoing running costs.

The Foodbank has made another notable surplus on the year which is now held in a separate Deposit Account in Designated Funds. This fund will enable us to move from the Foodbank the Church Hall and continue operations when the Church Hall is sold.

The Church and Foodbank continues to hold unrestricted funds in accounts at Barclays Bank. The Church holds a single designated bequest in a CBF Fund and holds a savings account with CAF for its remaining Restricted & Designated Funds.

The Church currently holds its reserves against the following Funds:

Unrestricted (free) Reserves: £23,116 (target is 3 months' running costs)

- Restricted Funds: £3,961 of which;
- £3,571.74 is held for Church Fabric;
- £264 is held for Church Flowers and £85.50 for Mothering Sunday Flowers;
- £40 is held for Walsingham Pilgrimage costs.
- Designated Funds: £12,122 of which all are held in the form of Bequests and Memorial Funds in the memory of former parishioners.

Reserves Policy

The Church has a policy that its unrestricted, free reserves should aim not to fall below the level of 3 months' expenditure (currently estimated to be £25,000). This would enable the church to continue to operate and pay its liabilities for a full business quarter in the event that an event of extreme misfortune which prevents operation or income should occur. The holding of unrestricted reserves also ensures that the church holds the necessary funds available to manage steady cashflow throughout the year despite an unsteady flow of income and expenditure.

The Church's unrestricted reserves at 31st December 2021 are slightly below this level, suggesting that a small target for reserve building remains.

The Church currently holds a number of Designated Funds. These funds are held to enable investment in the mid-term future to preserve the Church's building and assets, or to fund an activity to honour a donor who has made a Bequest (a donation made after their death).

The Foodbank has a policy that its unrestricted, free reserves should aim not to fall below the level of 3 months' expenditure (currently estimated to be approximately £2,500). This would enable the Foodbank to continue to operate and pay its liabilities for a full

business quarter in the event that its income suddenly ceases.

The Foodbank also has a series of Designated Funds to help to manage known and unknown risks to its operations and its planned future development. For example, the Foodbank relies on volunteer support. Should volunteers become unavailable, paid staff would need to be hired to ensure no disruption to service. In addition, the Foodbank currently hires the Church Hall for its operations and storage, however the Hall is due to be sold in the next two years. The Foodbank therefore holds Designated Funds to enable investment in moving costs and storage when its current tenancy comes to an end. It also intends to purchase an electric vehicle in the near future.

Designated Funds:

- Staffing - £10,000
- Relocation - Rent, Moving & Storage: £20,000
- Electric Van - Purchase, Insurance & Annual Maintenance £23,500 (Target £30,000)

All Saints

The Parish Church of St Ives

Independent Examiner's Report to the members of St Ives Church, St Ives, Parochial Church Council.

I report on the account for the year ended 31st December 2021 set out on previous pages

Respective responsibilities of examiner

It is my responsibility to:

examine the accounts under section 145 of the 2011 Act;

follow the procedures laid down in the General Directions given by the Charity Commissioners section 145(5)(b) of the 2011 Act; and

state whether particular matters have come to my attention.

Basis of Independent Examiner's Statement

My examination was carried out in accordance with the General Directions given by the Charity Commission

An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the management committee concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in a full audit, and consequently I do not express an audit opinion on the accounts.

Independent Examiner's Statement

In connection with my examination, no matters have come to my attention

1. which give me reasonable cause to believe that in any material respect the requirements to keep accounting records in accordance with s130 of the 2011 Act: or to prepare accounts which accord with these accounting records have not been met; or
2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
