Para 1.20	Managed to collect over 5000 pieces of sports equipment and materials, educational materials, including books, computers, and stationary as well as toys. These were sent and distributed to different deprived schools, individuals and organisations in mainly rural parts of Zimbabwe. Managed to help a few elderly people to do their gardens and gave away food humpers with basic needs to some deprived families. Participated in patients' forum for the local GP surgery which works on ways of supporting the practice in relation to the community. We have set up a programme of supporting the green world by volunteering to declutter for anyone in the local community and instead of throwing away items being seen as unwanted ,we pack them to donate to the deprived communities in the third word mainly in Zimbabwe
