ACHIEVEMENT AND PERFORMANCE

Charitable activities

The Education Centre/Madrassah which commenced building in 2022 is now complete and providing much needed education classes to children in the Salaya community.

The centre also acts as a village community centre for residents of the village to discuss social, financial and environmental issues that affect them directly.

The village medical centre is also now complete and operational providing basic medical care primarily focussing on prevention of eye diseases and care/treatment for women who are expectant but do not have the financial means to pay for it.

16 residential units have been built to date and are occupied by families most in need, i.e, were previously either homeless or living in shanti huts made of straw and wood. The homes consist of a kitchen, living area and bedroom(s) with running water and electricity connected to the main grid.

We have also distributed approximately 300 food parcels and basic necessities, blankets, clothing, etc during the month of Ramadan. One parcel per family was handed out to the most needy villagers regardless of colour, creed, ethnicity or religious affiliation.

Our focus for the future is to further develop the land and build additional housing units for the most needy families along with a bespoke community hall which can be rented for special occasions like weddings, engagements, educational award ceremonies, etc. This in turn will create rental income for the villagers in order to contribute towards maintenance of communal areas like roads, street lighting, etc to take a further step towards the compound becoming self sufficient.
