The Emma Shaw Foundation

TRUSTEES' REPORT FOR YEAR ENDED 1 MARCH 2025.

Objectives and Activities.

Remain the same, ie To help ladies suffering with triple negative breast cancer by providing respite breaks away from treatment. We also supply specialist equipment for the oncology unit at the Leicester Royal Infirmary.

During this financial year, We arranged 1 additional fundraiser above the 3 that we would normally hold, As August 2024 marked the 5th memorial of Emma's passing & our granddaughter [Dawn Raven] arranged a charity walk at Bradgate Park, in Leicestershire.

This period also saw us attending the presentation of specialist equipment supplied by the foundation to the new oncology unit at the LRI.

The trustees have followed the guidance of the Charity Commission when deciding which activities the charity should undertake.

Volunteers make a big difference to our events, Especially our Christmas market. We have as many as 19 people who are willing to give their time.
