2 Structure, Governance & Management

2.1 Type of Governing Document

The charity is governed through a Constitution – available at: <https://tpea.ac.uk/wp-content/uploads/2020/06/TPEA-Constitution.pdf>

2.2 Charitable Objects

As defined in the TPEA constitution, the objects of the charity are to advance education for the public benefit by:

- promoting research and effective practice in the use of digital technologies, particularly, but without limitation, in schools; and
- supporting initial and continuing teacher professional development, in particular in the field of the effective use of educational technologies.

2.3 Trustee Selection Methods

There must be at least three charity trustees. The maximum number of trustees is 12.

In accordance with the Constitution, Trustees are appointed or re-appointed for a term of three years by a resolution passed at a properly convened meeting of the charity trustees.

In appointing Trustees due consideration is given to ensuring that the Trustees have, between them, the skills and experience necessary to manage the charity effectively and in accordance with charity law.

3 Activities

3.1 Statutory Declaration

The Trustees of the Technology, Pedagogy and Education Association confirm that they have paid due regard to the guidance issued by the Charity Commission on public benefit in deciding what activities the charity should undertake.

3.2 Summary of Main Activities

In 2024-25, TPEA continued to promote research and effective practice in the use of digital technology and to support effective teacher professional development through publications and events.

We continued our face-to-face events through our 36th Annual Conference held in Manchester in July 2024 which brought together researchers and practitioners from across the UK.

TPEA continued to publish our successful, international journal and to support research and effective practice in technology education. We also began a partnership with NAACE to produce the Advancing Education practitioner journal.

4 Achievements & Performance

4.1 Outputs and Outcomes for the Charity's Beneficiaries

Over this period, the charity has produced a number of outputs. These include:

- Publication of an internationally recognised, peer-reviewed journal, Technology, Pedagogy and Education that disseminates internationally excellent research relating to technology in education. Five issues are published each year.

The journal achieved a 2024 Impact Factor of 2.5 which puts TPE in the highest quartile for Impact factor and CiteScore. It has a national and international audience with over 186,000 downloads. The journal continues to maintain a very high standard of articles published - our acceptance rate for articles is just 8%.

- Our face-to-face Annual Conference in Manchester. This was our 36th conference and took the theme "Facing the future: Are we ready for change?". It was held at The Friends' Meeting House in Manchester on 2-3rd July 2024 and featured keynote speeches, panel discussions, and presentations by renowned experts in the education and research field. The conference was designed to bring together professionals, researchers, teachers, and students who are passionate about EdTech and digital skills in the curriculum, providing a platform for exchanging ideas, discussing new developments, and networking with peers. A post-conference brochure was published at: <https://tpea.ac.uk/2024conference/>.
- Awarded a TPEA Research and Development Grant
- Members have contributed to a number of research articles, publications and books
- Members have led and contributed to international research projects including in collaboration with MESHGuides and ICET
- Published blogs and newsletters relating to digital technology in education
- Been active members of CfSA and MESH and supported responses to consultations via CfSA
- Engaged with government colleagues on research and policy roundtables
- A key development this year has been our partnership with NAACE to publish 'Advancing Education' – a leading practitioner journal comprised of an eclectic mix of academic and action research papers and reports from members, sponsoring partners and other expert guests on the innovative uses of digital technologies in education. As such it reflects the wide-ranging interests of TPEA and NAACE members and sponsors and all those passionate about educational technology in all phases of education. In 2024, we published two editions together and intend to continue publishing these online twice a year: <https://tpea.ac.uk/advancing-education-journal/>

4.2 How the Public Have Benefitted.

Teachers and educators have benefitted from our work by learning about best practice in educational technology. In turn, this has benefitted the public through improved educational practices. We remain concerned about the low levels of participation in Computing and Technology and seek to promote ways to address this.

4.3 Contributing to Activities Run by Other Organisations

We have contributed to the work of the CfSA, MESH, and NAACE

4.4 Trustee Development

Trustees are encouraged to participate in development opportunities as and when appropriate.

5 Financial Review

5.1 Details of Any Funds Materially in Deficit

The Charity has no funds which are materially in deficit.

5.2 Policy on Reserves

The Charity's policy on reserves is to generate and maintain a balance which is sufficient:

- a) to preserve the financial viability of the Charity in the event that unforeseen and/or unavoidable circumstance precipitate a short-term fall in its income;
- b) to enable the Charity, in the interests of meeting its objectives, to undertake from time to time the setting up of new and innovative projects on a pilot basis to demonstrate the viability and potential benefits of such activities as a precursor to securing the external funding necessary to maintain such projects on an on-going basis.

For these purposes the Charity will endeavour to generate and maintain reserves which are at least one year's annual turnover. In 2024-25, the reserve was set at £25,000. This will be increased to £30,000 for 2025-26.

5.3 Principal Sources of Funding and Outgoings

The principal sources of funding are publishing royalties from our journal: Technology, Pedagogy and Education, income from our conference, and subscriptions from members.

5.4 Remuneration of Trustees

All Trustees act in a voluntary capacity and receive no remuneration or other material benefits from their services to the Charity, with the exception of the journal editor who received a payment agreed by the Trustees in accordance with the relevant regulations.

Out-of-pocket expenses necessarily and reasonably incurred by Trustees in promoting the purposes of the Charity are reimbursed at cost.

5.5 Financial Status

TPEA's current resources from unrestricted donations are more than sufficient to meet its outgoings for at least next year.

All the indications are that this will remain the case for the foreseeable future.

5.6 Statutory Statements on Liabilities

The Trustees declare that:

- ✓ The charity has given no guarantees where potential liability under the guarantee is outstanding at the date of this statement (*eg*: any outstanding/ongoing contract or legal undertaking to buy or provide specific services);
- ✓ The charity has no debt outstanding at the date of this statement which is owed by the CIO and which is secured by an express charge on any assets of the CIO (*eg*: a mortgage on property owned by the charity);

Approved by the Trustees and signed on their behalf,

Dave Darwent (Treasurer)

Chris Shelton (Chair)

Date: 16/09/2025

6 Statement of Financial Activity

6.1 Independent Examiner's Report on the Accounts

Report to the Trustees/Members of TPEA on the accounts for the year ended 31 Mar 2025

Responsibilities and Basis of the Report

As the charity trustees you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Charity's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent Examiner's Statement

I have completed my examination.

I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by section 130 of the Act;
or
2. the accounts do not accord with those records.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

2 Structure, Governance & Management

2.1 Type of Governing Document

The charity is governed through a Constitution – available at: <https://tpea.ac.uk/wp-content/uploads/2020/06/TPEA-Constitution.pdf>

2.2 Charitable Objects

As defined in the TPEA constitution, the objects of the charity are to advance education for the public benefit by:

- promoting research and effective practice in the use of digital technologies, particularly, but without limitation, in schools; and
- supporting initial and continuing teacher professional development, in particular in the field of the effective use of educational technologies.

2.3 Trustee Selection Methods

There must be at least three charity trustees. The maximum number of trustees is 12.

In accordance with the Constitution, Trustees are appointed or re-appointed for a term of three years by a resolution passed at a properly convened meeting of the charity trustees.

In appointing Trustees due consideration is given to ensuring that the Trustees have, between them, the skills and experience necessary to manage the charity effectively and in accordance with charity law.

3 Activities

3.1 Statutory Declaration

The Trustees of the Technology, Pedagogy and Education Association confirm that they have paid due regard to the guidance issued by the Charity Commission on public benefit in deciding what activities the charity should undertake.

3.2 Summary of Main Activities

In 2023-24, TPEA continued to promote research and effective practice in the use of digital technology and to support effective teacher professional development through publications and events.

We returned to our own face-to-face events through our 35th Annual Conference held in Bedford in July 2023 which brought together researchers and practitioners from across the UK. We also ran a series of webinars on topics relevant to our charitable aims.

TPEA continued to publish our successful, international journal and to support research and effective practice in technology education.

4 Achievements & Performance

4.1 Outputs and Outcomes for the Charity's Beneficiaries

Over this period, the charity has produced a number of outputs. These include:

- Publication of an internationally recognised, peer-reviewed journal that disseminates internationally excellent research relating to technology in education. Five issues are published each year.

The journal achieved a 2023 Impact Factor of 3.4 which makes TPE 60th out of 756 international Education and Educational Research journals. It has a national and international audience with over 188,000 downloads, 70% of which are from countries outside Europe. This is due to the very high standard of articles published - our acceptance rate for articles is just 12%.

- A series of TPEA Webinars including:
 - Technology in Education: parental engagement and after-school clubs
 - Preparing young people for a digital world: AI, ethics, resilience, critical thinking
 - Teaching computing in schools
- Our face-to-face Annual Conference in Bedford. This was our 35th conference and our theme was “Educating and Empowering All Our Digital Citizens”. The conference was an exciting and informative gathering, featuring keynote speeches, panel discussions, and presentations by renowned experts in the education and research field. More information about the conference was published in our [Conference Highlights Booklet](#). The conference was designed to bring together experts from all four nations of the UK to address question of digital confidence, competence and education.
- Offered TPEA Research and Development Grants
- Members have contributed to a number of research articles, publications and books
- Members have led and contributed to international research projects including in collaboration with MESHGuides and ICET
- Published regular blogs on digital technology in education
- Published regular email newsletters
- Been active members of CfSA and MESH and supported responses to consultations via CfSA

4.2 How the Public Have Benefitted.

Teachers and educators have benefitted from our work by learning about best practice in educational technology. In turn, this has benefitted the public through improved educational practices. We remain concerned about the low levels of participation in Computing and Technology and seek to promote ways to address this.

4.3 Contributing to Activities Run by Other Organisations

We have contributed to the work of the CfSA, MESH, MirandaNet, and NAACE

4.4 Trustee Development

Trustees are encouraged to participate in development opportunities as and when appropriate.

5 Financial Review

5.1 Details of Any Funds Materially in Deficit

The Charity has no funds which are materially in deficit.

5.2 Policy on Reserves

The Charity's policy on reserves is to generate and maintain a balance which is sufficient:

- a) to preserve the financial viability of the Charity in the event that unforeseen and/or unavoidable circumstance precipitate a short-term fall in its income;
- b) to enable the Charity, in the interests of meeting its objectives, to undertake from time to time the setting up of new and innovative projects on a pilot basis to demonstrate the viability and potential benefits of such activities as a precursor to securing the external funding necessary to maintain such projects on an on-going basis.

For these purposes the Charity will endeavour to generate and maintain reserves which are at least one year's annual turnover. In 2023-24, the reserve was set at £25,000.

5.3 Principal Sources of Funding and Outgoings

The principal sources of funding are publishing royalties from our journal: Technology, Pedagogy and Education, income from our conference, and subscriptions from members.

5.4 Remuneration of Trustees

All Trustees act in a voluntary capacity and receive no remuneration or other material benefits from their services to the Charity, with the exception of the journal editor who received a payment agreed by the Trustees in accordance with the relevant regulations.

Out-of-pocket expenses necessarily and reasonably incurred by Trustees in promoting the purposes of the Charity are reimbursed at cost.

5.5 Financial Status

TPEA's current resources from unrestricted donations are more than sufficient to meet its outgoings for at least next year.

All the indications are that this will remain the case for the foreseeable future.

5.6 Statutory Statements on Liabilities

The Trustees declare that:

- ✓ The charity has given no guarantees where potential liability under the guarantee is outstanding at the date of this statement (*eg*: any outstanding/ongoing contract or legal undertaking to buy or provide specific services);
- ✓ The charity has no debt outstanding at the date of this statement which is owed by the CIO and which is secured by an express charge on any assets of the CIO (*eg*: a mortgage on property owned by the charity);

Chris Shelton	Trustee	2020-2023
Sarah Younie	Trustee	2023-2025

1.4 Bank

Barclays Bank, Oxford City, UK.

2 Structure, Governance & Management

2.1 Type of Governing Document

The charity is governed through a Constitution – available at: <https://tpea.ac.uk/wp-content/uploads/2020/06/TPEA-Constitution.pdf>

2.2 Charitable Objects

As defined in the TPEA constitution, the objects of the charity are to advance education for the public benefit by:

- promoting research and effective practice in the use of digital technologies, particularly, but without limitation, in schools; and
- supporting initial and continuing teacher professional development, in particular in the field of the effective use of educational technologies.

2.3 Trustee Selection Methods

There must be at least three charity trustees. The maximum number of trustees is 12.

In accordance with the Constitution, Trustees are appointed or re-appointed for a term of three years by a resolution passed at a properly convened meeting of the charity trustees.

In appointing Trustees due consideration is given to ensuring that the Trustees have, between them, the skills and experience necessary to manage the charity effectively and in accordance with charity law.

3 Activities

3.1 Statutory Declaration

The Trustees of the Technology, Pedagogy and Education Association confirm that they have paid due regard to the guidance issued by the Charity Commission on public benefit in deciding what activities the charity should undertake.

3.2 Summary of Main Activities

In 2022-23, TPEA began to return to face-to-face activities following the Covid-19 pandemic. In particular, TPEA had a significant presence at the International Council on Education for Teaching (ICET) conference at Bath Spa in June 2022.

During the period, we have continued to recruit new members and have held online events. We have continued to publish our successful, international journal and to support research and effective practice in technology education.

4 Achievements & Performance

4.1 Outputs and Outcomes for the Charity's Beneficiaries

Over this period, the charity has produced a number of outputs. These include:

- Publication of an internationally recognised, peer-reviewed journal that disseminates internationally excellent research relating to technology in education. Five issues are published each year.

The journal achieved a 2022 Impact Factor of 4.9 which makes TPE 27th out of 269 international Education and Educational Research journals. It has a national and international audience with over 70% of article downloads from countries outside Europe. This is due to the very high standard of articles published - our acceptance rate for articles is just 12%.

**Technology, Pedagogy and
Education achieved
246776 downloads in 2022.**

That's **+74%** compared to 2019's downloads.

- Began a series of TPEA Webinars beginning with 'Computing and Technology in Initial Teacher Education' in March 2023
- Collaborated with MirandaNet, NAACE and MESHGuides on the 'Digital Technologies in Teacher Education' strand at the ICET World Assembly 2022.
- Published the outcomes of the TPEA Research and Development Grant awarded to Fiona Aubrey-Smith: 'Intentions v Reality: What's really going on for our learners when we use EdTech?'
- Members have contributed to a number of research articles, publications and books including new editions of "Learning to Teach in the Secondary School" and "Teaching and Learning with Technologies in the Primary School".
- Members have led and contributed to international research projects including in collaboration with MESHGuides and ICET
- Published regular blogs on digital technology in education
- Published regular email newsletters
- Advertised TPEA Research and Development Grant opportunities
- Been active members of CfSA and MESH and supported responses to consultations via CfSA

4.2 How the Public Have Benefitted.

Teachers and educators have benefitted from our work by learning about best practice in educational technology. In turn, this has benefitted the public through improved educational practices. We remain concerned about the low levels of participation in Computing and Technology and seek to promote ways to address this.

4.3 Contributing to Activities Run by Other Organisations

We have contributed to the work of the CfSA, MESH, MirandaNet, and NAACE

4.4 Trustee Development

Trustees are encouraged to participate in development opportunities as and when appropriate.

5 Financial Review

5.1 Details of Any Funds Materially in Deficit

The Charity has no funds which are materially in deficit.

5.2 Policy on Reserves

The Charity's policy on reserves is to generate and maintain a balance which is sufficient:

- a) to preserve the financial viability of the Charity in the event that unforeseen and/or unavoidable circumstance precipitate a short-term fall in its income;
- b) to enable the Charity, in the interests of meeting its objectives, to undertake from time to time the setting up of new and innovative projects on a pilot basis to demonstrate the viability and potential benefits of such activities as a precursor to securing the external funding necessary to maintain such projects on an on-going basis.

For these purposes the Charity will endeavour to generate and maintain reserves which are at least one year's annual turnover.

5.3 Principal Sources of Funding and Outgoings

The principal sources of funding are publishing royalties from our journal: Technology, Pedagogy and Education and subscriptions from members.

5.4 Remuneration of Trustees

All Trustees act in a voluntary capacity and receive no remuneration or other material benefits from their services to the Charity, with the exception of the journal editor who received a payment agreed by the Trustees in accordance with the relevant regulations.

Out-of-pocket expenses necessarily and reasonably incurred by Trustees in promoting the purposes of the Charity are reimbursed at cost.

5.5 Financial Status

TPEA's current resources from unrestricted donations are more than sufficient to meet its outgoings for at least next year.

All the indications are that this will remain the case for the foreseeable future.

5.6 Statutory Statements on Liabilities

The Trustees declare that:

- ✓ The charity has given no guarantees where potential liability under the guarantee is outstanding at the date of this statement (*eg*: any outstanding/ongoing contract or legal undertaking to buy or provide specific services);
- ✓ The charity has no debt outstanding at the date of this statement which is owed by the CIO and which is secured by an express charge on any assets of the CIO (*eg*: a mortgage on property owned by the charity);

Approved by the Trustees and signed on their behalf,

Andy Connell (Treasurer)

Chris Shelton (Chair)

6 Statement of Financial Activity

6.1 Independent Examiner's Report on the Accounts

Report to the Trustees/Members of TPEA on the accounts for the year ended 31-Mar 2022

Responsibilities and Basis of the Report

As the charity trustees you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Charity's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent Examiner's Statement

I have completed my examination.

I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by section 130 of the Act;
or
2. the accounts do not accord with those records.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

3.2 Summary of Main Activities

Like all educational organisations, TPEA's work over the last year was hugely affected by the Covid-19 pandemic. This led to the cancellation of our face-to-face events and new focus on supporting the needs of educators during this period.

During the period, we have recruited new members and transferred members from ITTE to the new TPEA membership system. We have continued to publish our journal and have also launched a new website and held a range of events.

4 Achievements & Performance

4.1 Outputs and Outcomes for the Charity's Beneficiaries

Over this period, the charity has produced a number of outputs. These include:

- Publication of an internationally recognised, peer-reviewed journal that disseminates internationally excellent research relating to technology in education. Five issues are published each year. This included a call for paper for a special issue on education during Covid-19
- Engaged with the public, educational organisations and companies to further good practice in the use of educational technology, for example, through the BETT Safaris
- Launched a new website including curated lists of resources and research for practitioners
- Published blogs on digital technology in education, for example, Life in Lockdown
- Held webinars on how edtech can help overcome challenges to initial teacher education.
- Produced a resource list for CfSA
- Produced a video resource for the Chartered College

4.2 How the Public Have Benefitted.

6.1.1 Approval of the Board of Trustees

The Trustees declare that they have approved the above Annual Report & Statement of Financial Activity.

Signed on behalf of the Trustees

Jon Audain (Chair)

Date: 26/1/21

6.2 Notes to the Accounts

a) Accounting Policies

The financial statements have been prepared in accordance with the Charities Act 2011 Section 133, using the Receipts and Payments basis available to small charities and the charity's own Simple Accounts Spreadsheet.

b) Reimbursement of Out-of-Pocket Expenses

Out-of-pocket expenses incurred necessarily, reasonably and incidentally in the course the charity's activities are reimbursed at cost.

No Trustees received any reimbursement of out-of-pocket expenses in the financial year.

c) Salaries & Professional Fees

No trustee receives any payments for the services they provide to the charity.

In the current financial year the charity employed no staff or external contractors;

d) Fixed Assets

The charity has not purchased or disposed of any fixed assets in the current financial year;

e) Creditors & Debtors

Cheques for goods or services purchased, or invoices for goods or services delivered, which are issued prior to the end of the financial year but not appearing in the end of financial year bank statement are reported as outstanding creditors or debtors respectively.

f) Rounding Discrepancies

All amounts are recorded to the penny, but in these accounts are shown as digitally rounded to the nearest pound. This can occasionally result in a total apparently not being the sum of its constituent amounts. All individual amounts, and their totals, are nevertheless correct.
