Dogstar Foundation

Trustees' report For the year ended 31 December 2024

The Trustees have pleasure in presenting their report, together with the financial statements for the year ended 31 December 2024.

Legal and administrative details

Dogstar Foundation is a charitable incorporation organisation ("CIO"); registered with the Charity Commission as charity number 1188754. The CIO is governed by the Association dated 25 March 2020.

Until 31 December 2021 the charity operated through an unincorporated charitable trust, charity number 1133431. On 1 January 2022 the funds of the unincorporated charity were transferred into this CIO.

Trustees and administrators

The Trustees are:

R Hayman – Chair until November 2024
M Boland – Chair from November 2024
K Frost
A Graham
E Moss (appointed 26 April 2024)
S Denbigh (appointed 26 September 2024)

The administration to whom day to day management is delegated:

S Green

The principal address is:

7 Bell Yard

Dogstar Foundation

Trustees' report For the year ended 31 December 2024

Structure, Governance and Management

Organisational Structure

The charity's Trustees are responsible for the general control and management of the charity. The Trustees give their time freely and receive no remuneration or other benefits.

The Trustees meet each quarter. All strategic discussions and decisions are taken by the main body of Trustees at their meetings in relation to the running of the charity and the activities provided by the charity. The day to day management and leadership of the charity is with the CEO, in conjunction with administration support.

Recruitment and Appointment of Trustees

New Trustees are appointed after full discussion with the existing Trustees.

Potential Trustees are given more details of the charity's aims and activities. If all agree, they are then proposed as new Trustees at the subsequent Trustees' meeting. This process allows due consideration of the person's eligibility, personal competence, specialist knowledge and skills.

Induction and Trustee training

When new Trustees join they are given an informal introduction to their role within the charity structure and their legal responsibilities. Ongoing training is taken as courses are offered through various organisations.

Risk Management

The Trustees regularly review the risk assessments undertaken by them and by the various activities. The Trustees are satisfied that systems are in place to identify and manage the risks which are identified. The principle risk faced by the charity is the reduction in income meaning sufficient funds would not be available to cover the expenditure. The Trustees consider that this risk is adequately mitigated by their policy of holding sufficient reserves in order to ensure the activities of the charity can continue in the event of any variation in funding while alternative funding sources are secured.

Dogstar Foundation

Trustees' report For the year ended 31 December 2024

Objectives and activities (including reporting under Public Benefit)

The Trustees have had due regard for the guidance published by the Charity Commission on public benefit.

Objectives

The objects of the CIO are documented in our Association document as follows:

- To prevent and alleviate, for the public benefit, the suffering of companion and community (stray) dogs and cats in Sri Lanka through the provision of veterinary care, including sterilisation, vaccinations, treatment and research for disease
- To advance public education in the health care and management of such animals

Strategies

The objectives are being pursued through the following strategies:

- Direct delivery of services in Sri Lanka by staff and volunteers
- Collaboration on fixed term projects and relief work with other international NGOs
- Humane cat and dog population management which includes surgical sterilisation programmes
- Rabies prevention and eradication programmes involving mass vaccinations
- Education programmes

Activities and achievements

The charity undertakes a broad range of initiatives to achieve its charitable objectives, for the public benefit.

The charity had an incredibly productive year, making significant strides in its projects with a marked increase in sterilisations, rabies vaccinations, and the addition of Distemper and Tri-Cat vaccinations.

2024 overview

2024 was a year of growth, innovation and measurable impact. We achieved record levels of sterilisation and vaccination, introduced additional lifesaving vaccines, and expanded training for Sri Lankan veterinarians, building skills and strengthening local capacity for the future. We also advanced our environmental sustainability by piloting low-carbon transport and improving operational efficiency to reduce waste.

Dogstar Foundation

Trustees' report For the year ended 31 December 2024

Activities and achievements (continued)

Key Milestones in 2024

- **Expanded veterinary team:** Two additional veterinarians joined, bringing the team to seven, increasing our clinical capacity and geographic reach.
- **Second mobile surgery unit:** The acquisition of a smaller, agile vehicle, equipped with two surgery tables, to enable high-quality care in more remote and underserved communities.
- **Veterinary training programme:** Building on the 2023 launch, we further developed a structured online pathway and hands-on practical training for veterinarians and veterinary assistants, embedding Dogstar's standards in surgery, ethics and animal welfare.
- **Electric tuk-tuk pilot:** Two electric tuk-tuks were successfully trialled, reducing emissions and operating costs while demonstrating sustainable approaches to animal welfare logistics.
- **Lean management practices:** The adoption of Toyota Lean methodologies improved scheduling, stock control, and theatre flow, helping ensure resources are used efficiently and sustainably.

Collectively, these milestones enhance the quality and consistency of care, grow local veterinary capacity, and strengthen long-term community animal welfare.

Surgical and Vaccination Achievements

The trustees note that, while quality of care remained paramount, 2024 saw **the highest volume of veterinary services** delivered to date.

- **Sterilisations:** 13,106 (up from 10,254 in 2023)
 - Dogs: 9,637
 - Cats: 3,469
- **Rabies vaccinations:** 11,701 animals protected (up from 9,426 in 2023)
- **Introduction of additional vaccines:**
 - 5,320 dogs received Distemper vaccination
 - 945 cats received Tri-Cat vaccination

Beyond the numbers, these results translate to healthier animals, safer communities, and reduced preventable suffering, aligning with public health and One Health principles.

Dogstar Foundation

Trustees' report For the year ended 31 December 2024

Activities and achievements (continued)

Contribution to the UN Sustainable Development Goals (SDGs)

- **SDG 3 – Good Health and Well-being:** Mass rabies vaccination and humane sterilisation reduce disease transmission and injuries; One Health-aligned antimicrobial stewardship strengthens infection prevention and health security (Target 3.d).
- **SDG 4 – Quality Education:** Structured online learning and hands-on training for Sri Lankan veterinarians and veterinary assistants build local professional capacity and clinical standards.
- **SDG 12 – Responsible Consumption and Production:** Lean logistics, careful procurement, and efficient instrument reprocessing reduce waste and resource use across clinics and field operations.
- **SDG 13 – Climate Action:** Electric tuk-tuk pilots and planned solar capacity for the 2nd mobile surgery unit lower operational emissions and improve resilience during fuel constraints.
- **SDG 17 – Partnerships for the Goals:** Collaboration with Sri Lankan authorities and international partners enhances delivery, knowledge exchange and long-term impact.

Sustainability statement

The trustees are committed to integrating sustainability across operations to minimise environmental impact while maximising public benefit:

- **Low-carbon transport:** Pilot deployment of electric tuk-tuks to reduce emissions associated with field operations.
- **Energy and equipment efficiency:** Specification of efficient clinical equipment and planning for solar capacity on the new mobile unit to reduce fuel reliance.
- **Lean resource use:** Continuous improvement in procurement, instrument reprocessing and route planning to reduce waste, costs and carbon footprint.
- **Local capacity building:** Investment in Sri Lankan veterinary talent decreases dependence on international travel and supports a resilient, locally led workforce.
- **Antimicrobial stewardship (One Health/AMR):** We are reducing unnecessary antibiotic use through evidence-based protocols, monitoring and transparent reporting, supporting One Health objectives to protect animal, human and environmental wellbeing.

Fundraising activities

The charity does not employ the services of professional or commercial fundraisers and does not undertake street collections or telephone campaigns. Donations are collected via the charity's website or through fundraising campaigns on the charity's social media accounts. Where any data is collected it is managed in line with the charity's Data Protection privacy statement.

Dogstar Foundation

Trustees' report For the year ended 31 December 2024

Plans for the future

Looking ahead, the trustees have approved the following priorities to deepen impact and strengthen sustainability:

- Grow the team to nine veterinarians.
- Fully equip and launch the second mobile surgery unit, including solar power capacity to support sustainable operations.
- Scale the electric tuk-tuk fleet following successful trials.
- Expand the Peer-to-Peer Sri Lankan veterinary training programme.
- Work in partnership with SCAP-SL (Society of Companion Animal Practitioners – Sri Lanka) To deliver direct programmes and training that raise clinical standards and expand local capacity.
- Design, build and deploy a modular shipping-container spay-neuter clinic for dogs and cats in a rural, underserved area outside Western Province
- Embed further efficiency gains through Toyota Lean management practices across logistics, inventory and clinical workflows.
- Introduce Gemba Docs to create visual Standard Operating Procedures (SOPs) for key clinical and logistics workflows, improving consistency, onboarding, and continuous improvement across teams.
- Antimicrobial stewardship (One Health/AMR): Implement a structured trial to reduce and, where clinically appropriate, remove routine antibiotic use across Dogstar's clinics, aligned with One Health principles and AMR guidance. This will include updated surgical and post-operative protocols (prioritising analgesia and asepsis over prophylactic antibiotics in clean procedures), staff training and decision-support tools, surgical site infection monitoring, monthly audit and feedback, and transparent reporting.

These strategic plans will not only advance our mission but also ensure long-term sustainability and growth in providing high-quality veterinary care and training in Sri Lanka.

Financial Review

Grants and donations are the major source of income for the charity, being £1,138,602 (2023: £1,125,138) including gift aid. This represents 99.5% (2023: 99.8%) of total income of £1,144,220 (2023: £1,127,746). 30.4% of all income was restricted (2023: 50.8%).

Total expenditure of £1,058,641 (2023: £928,757) was significantly spent on the charity's activities. Expenditure of £45,259 (2023: £37,514) was incurred in relation to fund generation costs.

The net result for the year was an increase in total funds of £85,579 (2023: increase of £198,989).

At the year end total unrestricted funds were £743,835 (2023: £643,192) and total restricted funds were £nil (2023: £15,064). A detailed analysis of the year-end asset and liabilities is shown on the Balance Sheet.

Reserves Policy

It is the policy of the Trustees to hold available reserves representing three to six months of General Fund expenditure in order to ensure the activities of the charity can continue in the event of any variation in funding. At 31 December 2024 the free reserves of the charity were £625,993 (2023: £564,753). This is higher than the desired level but the trustees are expecting to cover cost pressures from these reserves.

Dogstar Foundation

Trustees' report For the year ended 31 December 2024

Statement of Trustees' responsibilities

The Trustees are responsible for preparing the Trustees Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England & Wales requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that year. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP 2019 (FRS 102);
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The Trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charities (Accounts and Reports) Regulations 2008 and the provisions of the Trust Deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approved by the Board of Trustees on 28 October 2025 and signed on their behalf by

Michelle Boland
Trustee

Independent Auditors' Report to the Trustees of Dogstar Foundation

Opinion

We have audited the financial statements of Dogstar Foundation (the charity) for the year ended 31 December 2024 which comprise the Statement of Financial Activities, the Balance Sheet, the Statement of Cash Flows and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

give a true and fair view of the state of the charity's affairs as at 31 December 2024 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
have been prepared in accordance with the requirements of the Charities Act 2011.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charity's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

Other information

The other information comprises the information included in the Trustees' Report, other than the financial statements and our auditor's report thereon. The trustees are responsible for the other information contained within the Trustees' Report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Independent Auditors' Report to the Trustees of Dogstar Foundation

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Charities (Accounts and Reports) Regulations 2008 require us to report to you if, in our opinion:

- the information given in the Trustees' Report is inconsistent in any material respect with the Trustees' Report; or
- the charity has not kept adequate accounting records; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of trustees

As explained more fully in the Statement of Trustees' Responsibilities set out on page 7, the trustees are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

We have been appointed as auditor under section 145 of the Charities Act 2011 and report in accordance with regulations made under section 154 of that Act.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The specific procedures for this engagement and the extent to which these are capable of detecting irregularities, including fraud, is detailed below:

- We obtained an understanding of the nature of the sector in which the charity operates, including the legal and regulatory framework applicable to the charity. We consider that the most significant are the Charities Statement of Recommended Practice, the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102), the Charities Act 2011 and the charity's Trust Deed.
- We obtained an understanding of how the charity complies with these requirements by discussions with those charged with governance and reviewing the minutes of Trustee meetings.
- We assessed the risk of material misstatement of the financial statements, including the risk of material misstatement due to fraud and how it might occur, by holding discussions with those charged with governance.
- We inquired of those charged with governance about their own identification and assessment of the risk of irregularities, including any known actual, suspected or alleged instances of fraud.
- We discussed matters about non-compliance with laws and regulations and how fraud might occur including assessment of how and where the financial statements may be susceptible to irregularities or fraud.

Independent Auditors' Report to the Trustees of Dogstar Foundation

Auditor's responsibilities for the audit of the financial statements (continued)

- Based on this understanding, we designed specific appropriate audit procedures to identify instances of non-compliance with laws and regulations. This included making enquiries of management and those charged with governance and obtaining additional corroborative evidence as required.

In addition to the risk of management override of controls, we have identified revenue recognition as the area where the financial statements are most susceptible to material misstatement due to fraud. Audit procedures performed included a review of income paperwork and sample testing.

Because of the inherent limitations of an audit, there is a risk that we will not detect all irregularities, including those leading to a material misstatement in the financial statements or non-compliance with regulation. This risk increases the more that compliance with a law or regulation is removed from the events and transactions reflected in the financial statements, as we will be less likely to become aware of instances of non-compliance. The risk is also greater regarding irregularities occurring due to fraud rather than error, as fraud involves intentional concealment, forgery, collusion, omission or misrepresentation.

As part of an audit in accordance with ISAs (UK), we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the charity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the trustees.
- Conclude on the appropriateness of the trustees' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the charity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the charity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation (i.e. gives a true and fair view).

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Independent Auditors' Report to the Trustees of Dogstar Foundation

Use of report

This report is made solely to the charity's trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. Our audit work has been undertaken so that we might state to the charity's trustees those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's trustees as a body, for our audit work, for this report, or for the opinions we have formed.

Dogstar Foundation

Notes to the financial statements For the year ended 31 December 2024

1 Accounting policies

Dogstar Foundation is a charitable incorporated organisation (“CIO”), registered in England within the United Kingdom. The charity's registered number and registered office address can be found on the Company Information page. The financial statements are presented in sterling which is the functional currency of the company and rounded to the nearest £. The significant accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all years presented unless otherwise stated.

1.1 Accounting convention

The financial statements have been prepared on a going concern basis under the historical cost convention, modified to include certain items at fair value.

The charity constitutes a public benefit entity as defined by FRS 102.

The accounts (financial statements) have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant note(s) to these accounts. The financial statements have been prepared in accordance with the second edition of the Charities Statement of Recommended Practice issued in October 2019, the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102) and the Charities Act 2011.

The Trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern. The key risk to the charity is the potential reduction in income but the level of reserves held is sufficient to mitigate this risk for the foreseeable future and is not considered to cast any doubt over the going concern basis. The trustees do not currently believe there is an impact on the charity's ability to continue as a going concern.

1.2 Fund accounting

- (i) The charity's general fund is available for use by the charity at its discretion.
- (ii) The charity's restricted funds are those where the donor has imposed restrictions on the use of the funds which are legally binding.

1.3 Income

- (i) All voluntary income is included as income on receipt.
- (ii) Restricted income is included in the restricted statement of financial activities account on receipt.
- (iii) Donations under deeds of covenant and gift aid are recognised as income when the donation is received. The associated tax is accrued in the same period as the donation.
- (iv) Trading income is accounted for at the point of shop sale.

1.4 Financial instruments

Debtors and creditors with no stated interest rate and receivable or payable within one year are recorded at transaction price. Any losses arising from impairment are recognised in the profit and loss account in other administrative expenses.

Dogstar Foundation

Notes to the financial statements For the year ended 31 December 2024

1.5 Investment income

Interest is accrued on a daily basis and is credited on this basis in the Statement of Financial Activities.

1.6 Allocation of expenditure

Costs are charged directly to the charitable activities wherever appropriate. Liabilities are recognised in the period to which they relate.

1.7 Governance costs

The charity has identified costs of governance as both external costs related to the reporting accountants, legal fees and a proportion of the costs of the administrative staff. These salary costs have been estimated based on time spent on Trustee related activities.

1.8 Fixed assets and depreciation

Fixed assets are included in the financial statements at their historical cost and are written off over their estimated useful lives by amortisation and depreciation on a straight-line basis through the statement of financial activities at the following rates:

Intangible assets	20%
Equipment	33% and 20%
Motor vehicles	20%

Intangible assets are capitalised where the cost relates to development expenditure, it is probable that economic benefits will flow from the asset, the cost can be reliably measured and the charity has the means to complete the asset for use.

1.9 Pensions

Contributions payable to pension schemes are charged to the statement of financial activities in the period to which they relate. Pension costs are allocated between unrestricted and restricted funds according to the nature of funds received to cover the expenditure for each staff member.

1.10 Critical accounting judgements and key sources of estimation uncertainty

In the application of the charity's accounting policies, the Trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.

In the opinion of the Trustees there are no critical accounting judgements or estimation uncertainties within the charity.

Dogstar Foundation

Notes to the financial statements For the year ended 31 December 2024

2 Comparative Statement of Financial Activities

The Statement of Financial Activities for the year ended 31 December 2023 is presented for illustrative purposes.

	Unrestricted funds 2023 £	Restricted funds 2023 £	Total funds 2023 £
Income and endowments from:			
Donations	386,990	-	386,990
Grants	165,016	573,132	738,148
Trading income	2,608	-	2,608
Total income	<u>554,614</u>	<u>573,132</u>	<u>1,127,746</u>
Expenditure on:			
Fund raising activities	37,514	-	37,514
Expenditure on charitable activities: Animal welfare	333,175	558,068	891,243
Total expenditure	<u>370,689</u>	<u>558,068</u>	<u>928,757</u>
Net income	183,925	15,064	198,989
Transfers between funds	-	-	-
Net movement in funds	183,925	15,064	198,989
Reconciliation of funds:			
Fund balances as at 1 January 2023	459,267	-	459,267
Fund balances carried forward at 31 December 2023	<u><u>643,192</u></u>	<u><u>15,064</u></u>	<u><u>658,256</u></u>

Dogstar Foundation

Notes to the financial statements For the year ended 31 December 2024

3 Taxation

The Charity is a registered charity and exempt from Corporation Tax.

4 Analysis of expenditure on charitable activities

2024	Staff Costs £	Other staff costs £	Depreciation £	Other Costs £	2024 Total £
Animal welfare:					
Direct costs	-	42,178	-	626,963	669,141
Support costs	235,749	23,235	27,994	47,863	334,841
Governance costs	1,000	-	-	8,400	9,400
	<u>236,749</u>	<u>65,413</u>	<u>27,994</u>	<u>683,226</u>	<u>1,013,382</u>

Of the above expenditure, £598,906 is restricted in nature (2023: £558,068).

2023	Staff Costs £	Other staff costs £	Depreciation £	Other Costs £	2023 Total £
Animal welfare:					
Direct costs	-	27,150	-	588,262	615,412
Support costs	189,697	18,935	11,279	46,820	266,731
Governance costs	1,000	-	-	8,100	9,100
	<u>190,697</u>	<u>46,085</u>	<u>11,279</u>	<u>643,182</u>	<u>891,243</u>

The Trustees believe that at all times the activities undertaken by the charity support the charity's aims and satisfy the requirements issued by the Charity Commission on public benefit.

Dogstar Foundation

Notes to the financial statements For the year ended 31 December 2024

5 Allocation of governance and support costs

The breakdown of support costs and how these were allocated between governance and other support costs is shown below.

	Support costs £	Governance costs £	2024 Total £	2023 Total	Basis of apportionment
Staff costs	235,749	1,000	236,749	190,697	Time spent
Other staff costs	23,235	-	23,235	18,935	Time spent
Office costs	32,062	-	32,062	34,104	Invoiced cost
Travel	771	-	771	1,392	Invoiced cost
Bank and merchant charges	6,776	-	6,776	8,155	Invoiced cost
Professional fees	8,061	900	8,961	4,051	Invoiced cost
Audit fees	-	7,500	7,500	7,200	Governance
Depreciation	27,994	-	27,994	11,279	Asset use
Sundry expenses	193	-	193	18	Invoiced cost
	<u>334,841</u>	<u>9,400</u>	<u>344,241</u>	<u>275,831</u>	

Governance costs for the period ended 31 December 2023 were £9,100.

6 Staff costs and numbers

	2024 £	2023 £
Staff costs:		
Wages and salaries	214,027	173,481
Social security costs	18,155	13,292
Pensions	4,567	3,924
	<u>236,749</u>	<u>190,697</u>

The average number of employees was 6 (2023: 4).

The charity considers its key management personnel to comprise the trustees and the staff team. The total employment benefits of the key management personnel were therefore as outlined above.

No employee received remuneration of more than £60,000 (2023: none).

7 Trustees

The Trustees received no remuneration nor were reimbursed any expenses during the year (2023: none).

15 Transfers between funds

A transfer of £236,564 was made from unrestricted funds to restricted funds. This transfer was made to represent the unrestricted element of expenditure on the Spay-Neuter programme.

16 Pension costs

During the year pension contributions of £4,567 (2023: £3,924) were paid on behalf of 6 (2023: 4) employees to a defined contribution pension scheme administered independently of the charity. Pension costs of £1,286 were outstanding at the end of the year (2023: £789) and are included in creditors.

17 Financial commitments

At 31 December 2024 the charity had no financial commitments (2023: none).

Dogstar Foundation

Trustees' report For the year ended 31 December 2023

The Trustees have pleasure in presenting their report, together with the financial statements for the year ended 31 December 2023.

Legal and administrative details

Dogstar Foundation is a charitable incorporation organisation ("CIO"); registered with the Charity Commission as charity number 1188754. The CIO is governed by the Association dated 25 March 2020.

Until 31 December 2021 the charity operated through an unincorporated charitable trust, charity number 1133431. On 1 January 2022 the funds of the unincorporated charity were transferred into this CIO.

Trustees and administrators

The Trustees are:

- R Hayman – Chairman
- K Frost (appointed 26 April 2023)
- L Nash (appointed 24 April 2023, resigned 22 February 2024)
- A Graham (appointed 13 March 2023)
- M Boland
- K Shervell
- E Moss (appointed 26 April 2024)
- J Nhan-O-Reilly (resigned 31 March 2023)
- M Green (resigned 31 March 2023)
- A Addison (resigned 31 March 2023)
- A Green (resigned 31 March 2023)
- S Denbigh (appointed 26 September 2024)

The administration to whom day to day management is delegated:

S Green

The principal address is:

Dogstar Foundation

Trustees' report For the year ended 31 December 2023

Structure, Governance and Management

Organisational Structure

The charity's Trustees are responsible for the general control and management of the charity. The Trustees give their time freely and receive no remuneration or other benefits.

The Trustees meet each quarter. All strategic discussions and decisions are taken by the main body of Trustees at their meetings in relation to the running of the charity and the activities provided by the charity. The day to day management and leadership of the charity is with the CEO, in conjunction with administration support.

Recruitment and Appointment of Trustees

New Trustees are appointed after full discussion with the existing Trustees.

Potential Trustees are given more details of the charity's aims and activities. If all agree, they are then proposed as new Trustees at the subsequent Trustees' meeting. This process allows due consideration of the person's eligibility, personal competence, specialist knowledge and skills.

Induction and Trustee training

When new Trustees join they are given an informal introduction to their role within the charity structure and their legal responsibilities. Ongoing training is taken as courses are offered through various organisations.

Risk Management

The Trustees regularly review the risk assessments undertaken by them and by the various activities. The Trustees are satisfied that systems are in place to identify and manage the risks which are identified. The principle risk faced by the charity is the reduction in income meaning sufficient funds would not be available to cover the expenditure. The Trustees consider that this risk is adequately mitigated by their policy of holding sufficient reserves in order to ensure the activities of the charity can continue in the event of any variation in funding while alternative funding sources are secured.

Dogstar Foundation

Trustees' report For the year ended 31 December 2023

Objectives and activities (including reporting under Public Benefit)

The Trustees have had due regard for the guidance published by the Charity Commission on public benefit.

Objectives

The objects of the CIO are documented in our Association document as follows:

- To prevent and alleviate, for the public benefit, the suffering of companion and community (stray) dogs and cats in Sri Lanka through the provision of veterinary care, including sterilisation, vaccinations, treatment and research for disease
- To advance public education in the health care and management of such animals

Strategies

The objectives are being pursued through the following strategies:

- Direct delivery of services in Sri Lanka by staff and volunteers
- Collaboration on fixed term projects and relief work with other international NGOs
- Humane cat and dog population management which includes surgical sterilisation programmes
- Rabies prevention and eradication programmes involving mass vaccinations
- Education programmes

Activities and achievements

The charity undertakes a broad range of initiatives to achieve its charitable objectives, for the public benefit, as defined by the Charities Act.

Following the previous year's financial crisis, 2023 brought much-needed stability to Sri Lanka. Issues with power and fuel supplies were gradually addressed, and support from the IMF played a crucial role in stabilising the economy. However, many import restrictions remained to help rebuild the country's foreign reserves, and Sri Lanka's Fitch rating remains "RD," reflecting the ongoing economic challenges.

Despite these broader challenges, the charity had an incredibly productive year, making significant strides in its projects.

Key Milestones

In January 2023, we made an important organisational change by bringing all veterinary mobile clinic subcontractors in-house, directly employing two vets, ten veterinary assistants, and dog-catching staff. This enabled better oversight of training, performance, and human resources management. Additionally, two new vets were recruited to enhance the team's capacity and provide further training opportunities.

Dogstar Foundation

Trustees' report For the year ended 31 December 2023

Activities and achievements (continued)

Key Milestones (continued)

In March 2023, we finalised the purchase of our previously rented mobile surgery truck. Over the next four months, we redesigned and upgraded the surgery suite to 4 tables each with gas anaesthesia and capnograph. The truck was also fitted with a solar power system, providing a sustainable and quiet energy source. We believe this is the first solar-powered veterinary vehicle in Sri Lanka, marking a significant step forward in sustainable mobile veterinary services.

On June 5th, we opened a dedicated cat spay/neuter clinic in Negombo, located close to our office. This facility features a surgical area with gas anaesthesia and capnograph and a secure animal preparation space. It serves as a model clinic for training Sri Lankan vets and veterinary assistants.

This new clinic has enabled us to begin developing a comprehensive training programme for Sri Lankan veterinary professionals. The programme welcomed its first cohort of trainees in late 2023, successfully serving as a proof of concept. This initiative has also allowed us to identify and train vets for future expansion while maintaining high standards of surgery, ethics, and animal welfare.

In response to the supply chain disruptions of 2022, we took proactive measures to ensure the continuity of our spay/neuter programme by increasing stock holdings from three to six months' worth of essential items. This move should help mitigate any future logistical challenges.

Surgical and Vaccination Achievements

Over the course of the year, we carried out 10,254 sterilisations, including 8,145 dogs (compared to 6,983 in 2022) and 2,109 cats (down from 2,609 in 2022 due to changes with one of our veterinary partners). The opening of our new cat spay/neuter clinic is set to increase these numbers in the coming year, while continuing to uphold the highest standards of surgery and animal welfare.

Additionally, 9,426 dogs and cats were vaccinated against rabies, a deadly zoonotic disease (up from 7,922 in 2022).

Dogstar Foundation

Trustees' report For the year ended 31 December 2023

Plans for next year

Looking ahead to 2024, the Trustees are committed to advancing the charity's mission by implementing the following initiatives:

- Increase the veterinary team to 7 vets.
- Purchase and equip a second mobile surgery truck.
- Install solar power capacity on the second mobile surgery truck.
- Continue developing the full training programme for Sri Lankan vets and veterinary assistants.
- Explore the purchase and trial of an electric tuk-tuk as a proof of concept.
- Initiate improvements in operations and logistics management through the application of the Toyota Lean Management System across the organisation.

These strategic plans will not only advance our mission but also ensure long-term sustainability and growth in providing high-quality veterinary care and training in Sri Lanka.

Financial Review

Grants and donations are the major source of income for the charity, being £1,125,138 (2022: £773,780) including gift aid. This represents 99.8% (2022: 99.2%) of total income of £1,127,746 (2022: £780,043). 50.8% of all income was restricted (2022: 30.7%).

Total expenditure of £928,757 (2022: £569,782) was significantly spent on the charity's activities. Expenditure of £37,514 was incurred in relation to fund generation costs.

The net result for the year was an increase in total funds of £198,989 (2022: increase of £210,261).

At the year end total unrestricted funds were £643,192 (2022: £459,267) and total restricted funds were £15,064 (2022: £nil). A detailed analysis of the year-end asset and liabilities is shown on the Balance Sheet.

Reserves Policy

It is the policy of the Trustees to hold available reserves representing three to six months of General Fund expenditure in order to ensure the activities of the charity can continue in the event of any variation in funding. At 31 December 2023 the free reserves of the charity were £587,017 (2022: £430,416). This is higher than the desired level but the trustees are expecting to cover cost pressures from these reserves.

Dogstar Foundation

Trustees' report For the year ended 31 December 2023

Statement of Trustees' responsibilities

The Trustees are responsible for preparing the Trustees Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England & Wales requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that year. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP 2019 (FRS 102);
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The Trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charities (Accounts and Reports) Regulations 2008 and the provisions of the Trust Deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approved by the Board of Trustees on 30 October 2024 and signed on their behalf by

Richard Hayman
Trustee

Independent Auditors' Report to the Trustees of Dogstar Foundation

Opinion

We have audited the financial statements of Dogstar Foundation (the charity) for the year ended 31 December 2023 which comprise the Statement of Financial Activities, the Balance Sheet, the Statement of Cash Flows and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:
give a true and fair view of the state of the charity's affairs as at 31 December 2023 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
have been prepared in accordance with the requirements of the Charities Act 2011.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charity's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

Other information

The other information comprises the information included in the Trustees' Report, other than the financial statements and our auditor's report thereon. The trustees are responsible for the other information contained within the Trustees' Report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Independent Auditors' Report to the Trustees of Dogstar Foundation

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Charities (Accounts and Reports) Regulations 2008 require us to report to you if, in our opinion:

- the information given in the Trustees' Report is inconsistent in any material respect with the Trustees' Report; or
- the charity has not kept adequate accounting records; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of trustees

As explained more fully in the Statement of Trustees' Responsibilities set out on page 6, the trustees are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

We have been appointed as auditor under section 145 of the Charities Act 2011 and report in accordance with regulations made under section 154 of that Act.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The specific procedures for this engagement and the extent to which these are capable of detecting irregularities, including fraud, is detailed below:

- We obtained an understanding of the nature of the sector in which the charity operates, including the legal and regulatory framework applicable to the charity. We consider that the most significant are the Charities Statement of Recommended Practice, the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102), the Charities Act 2011 and the charity's Trust Deed.
- We obtained an understanding of how the charity complies with these requirements by discussions with those charged with governance and reviewing the minutes of Trustee meetings.
- We assessed the risk of material misstatement of the financial statements, including the risk of material misstatement due to fraud and how it might occur, by holding discussions with those charged with governance.
- We inquired of those charged with governance about their own identification and assessment of the risk of irregularities, including any known actual, suspected or alleged instances of fraud.
- We discussed matters about non-compliance with laws and regulations and how fraud might occur including assessment of how and where the financial statements may be susceptible to irregularities or fraud.

Independent Auditors' Report to the Trustees of Dogstar Foundation

Auditor's responsibilities for the audit of the financial statements (continued)

- Based on this understanding, we designed specific appropriate audit procedures to identify instances of non-compliance with laws and regulations. This included making enquiries of management and those charged with governance and obtaining additional corroborative evidence as required.

In addition to the risk of management override of controls, we have identified revenue recognition as the area where the financial statements are most susceptible to material misstatement due to fraud. Audit procedures performed included a review of income paperwork and sample testing.

Because of the inherent limitations of an audit, there is a risk that we will not detect all irregularities, including those leading to a material misstatement in the financial statements or non-compliance with regulation. This risk increases the more that compliance with a law or regulation is removed from the events and transactions reflected in the financial statements, as we will be less likely to become aware of instances of non-compliance. The risk is also greater regarding irregularities occurring due to fraud rather than error, as fraud involves intentional concealment, forgery, collusion, omission or misrepresentation.

As part of an audit in accordance with ISAs (UK), we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the charity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the trustees.
- Conclude on the appropriateness of the trustees' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the charity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the charity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation (i.e. gives a true and fair view).

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Independent Auditors' Report to the Trustees of Dogstar Foundation

Use of report

This report is made solely to the charity's trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. Our audit work has been undertaken so that we might state to the charity's trustees those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's trustees as a body, for our audit work, for this report, or for the opinions we have formed.

Dogstar Foundation

Notes to the financial statements For the year ended 31 December 2023

1 Accounting policies

1.1 Accounting convention

The financial statements have been prepared on a going concern basis under the historical cost convention, modified to include certain items at fair value.

The charity constitutes a public benefit entity as defined by FRS 102.

The accounts (financial statements) have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant note(s) to these accounts. The financial statements have been prepared in accordance with the second edition of the Charities Statement of Recommended Practice issued in October 2019, the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102) and the Charities Act 2011.

The financial statements have been prepared to give a true and fair view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a true and fair view. This departure has involved following the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable to the UK and Republic of Ireland (FRS 102) issued in October 2019 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

The Trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern. The key risk to the charity is the potential reduction in income but the level of reserves held is sufficient to mitigate this risk for the foreseeable future and is not considered to cast any doubt over the going concern basis. The trustees do not currently believe there is an impact on the charity's ability to continue as a going concern.

1.2 Fund accounting

- (i) The charity's general fund is available for use by the charity at its discretion.
- (ii) The charity's restricted funds are those where the donor has imposed restrictions on the use of the funds which are legally binding.

1.3 Income

- (i) All voluntary income is included as income on receipt.
- (ii) Restricted income is included in the restricted statement of financial activities account on receipt.
- (iii) Donations under deeds of covenant and gift aid are recognised as income when the donation is received. The associated tax is accrued in the same period as the donation.
- (iv) Trading income is accounted for at the point of shop sale.

1.4 Financial instruments

Debtors and creditors with no stated interest rate and receivable or payable within one year are recorded at transaction price. Any losses arising from impairment are recognised in the profit and loss account in other administrative expenses.

Dogstar Foundation

Notes to the financial statements For the year ended 31 December 2023

1.5 Investment income

Interest is accrued on a daily basis and is credited on this basis in the Statement of Financial Activities.

1.6 Allocation of expenditure

Costs are charged directly to the charitable activities wherever appropriate. Liabilities are recognised in the period to which they relate.

1.7 Governance costs

The charity has identified costs of governance as both external costs related to the reporting accountants, legal fees and a proportion of the costs of the administrative staff. These salary costs have been estimated based on time spent on Trustee related activities.

1.8 Fixed assets and depreciation

Fixed assets are included in the financial statements at their historical cost and are written off over their estimated useful lives by amortisation and depreciation on a straight-line basis through the statement of financial activities at the following rates:

Intangible assets	20%
Equipment	33% and 20%
Motor vehicles	20%

Intangible assets are capitalised where the cost relates to development expenditure, it is probable that economic benefits will flow from the asset, the cost can be reliably measured and the charity has the means to complete the asset for use.

1.9 Pensions

Contributions payable to pension schemes are charged to the statement of financial activities in the period to which they relate. Pension costs are allocated between unrestricted and restricted funds according to the nature of funds received to cover the expenditure for each staff member.

1.10 Critical accounting judgements and key sources of estimation uncertainty

In the application of the charity's accounting policies, the Trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.

In the opinion of the Trustees there are no critical accounting judgements or estimation uncertainties within the charity.

Dogstar Foundation

Notes to the financial statements For the year ended 31 December 2023

2 Comparative Statement of Financial Activities

The Statement of Financial Activities for the year ended 31 December 2022 is presented for illustrative purposes.

Dogstar Foundation

Notes to the financial statements For the year ended 31 December 2023

3 Taxation

The Charity is a registered charity and exempt from Corporation Tax.

4 Analysis of expenditure on charitable activities

2023	Staff Costs £	Other staff costs £	Depreciation £	Other Costs £	2023 Total £
Animal welfare:					
Direct costs	-	27,150	-	588,262	615,412
Support costs	189,697	18,935	11,279	46,820	266,731
Governance costs	1,000	-	-	8,100	9,100
	<u>190,697</u>	<u>46,085</u>	<u>11,279</u>	<u>643,182</u>	<u>891,243</u>

Of the above expenditure, £558,068 is restricted in nature (2022: £272,209).

2022	Staff Costs £	Other staff costs £	Depreciation £	Other Costs £	2022 Total £
Animal welfare:					
Direct costs	-	23,398	-	293,420	615,412
Support costs	143,006	7,553	2,334	40,169	266,731
Governance costs	1,000	-	-	1,800	2,800
	<u>144,006</u>	<u>30,951</u>	<u>2,334</u>	<u>335,389</u>	<u>512,680</u>

The Trustees believe that at all times the activities undertaken by the charity support the charity's aims and satisfy the requirements issued by the Charity Commission on public benefit.

Dogstar Foundation

Notes to the financial statements For the year ended 31 December 2023

5 Allocation of governance and support costs

The breakdown of support costs and how these were allocated between governance and other support costs is shown below.

	Support costs £	Governance costs £	2023 Total £	2022 Total	Basis of apportionment
Staff costs	189,697	1,000	190,697	144,006	Time spent
Other staff costs	18,935	-	18,935	7,553	Time spent
Office costs	34,104	-	34,104	14,996	Invoiced cost
Travel	1,392	-	1,392	1,251	Invoiced cost
Bank and merchant charges	8,155	-	8,155	9,799	Invoiced cost
Professional fees	3,151	900	4,051	14,404	Invoiced cost
Audit fees	-	7,200	7,200	-	Governance
Independent Examination fees	-	-	-	900	Governance
Depreciation	11,279	-	11,279	2,334	Asset use
Sundry expenses	18	-	18	619	Invoiced cost
	<u>266,731</u>	<u>9,100</u>	<u>275,831</u>	<u>195,862</u>	

Governance costs for the period ended 31 December 2022 were £2,800.

6 Staff costs and numbers

	2023 £	2022 £
Staff costs:		
Wages and salaries	173,481	134,349
Social security costs	13,292	7,596
Pensions	3,924	2,061
	<u>190,697</u>	<u>144,006</u>

The average number of employees was 4 (2022: 4).

The charity considers its key management personnel to comprise the trustees and the staff team. The total employment benefits of the key management personnel were therefore as outlined above.

No employee received remuneration of more than £60,000 (2022: none).

7 Trustees

The Trustees received no remuneration nor were reimbursed any expenses during the year (2022: none).

Trustees' report For the year ended 31 December 2022

Structure, Governance and Management

Organisational Structure

The charity's Trustees are responsible for the general control and management of the charity. The Trustees give their time freely and receive no remuneration or other benefits.

The Trustees meet each quarter. All strategic discussions and decisions are taken by the main body of Trustees at their meetings in relation to the running of the charity and the activities provided by the charity. The day to day management and leadership of the charity is with the CEO, in conjunction with administration support.

Recruitment and Appointment of Trustees

New Trustees are appointed after full discussion with the existing Trustees.

Potential Trustees are given more details of the charity's aims and activities. If all agree, they are then proposed as new Trustees at the subsequent Trustees' meeting. This process allows due consideration of the person's eligibility, personal competence, specialist knowledge and skills.

Induction and Trustee training

When new Trustees join they are given an informal introduction to their role within the charity structure and their legal responsibilities. Ongoing training is taken as courses are offered through various organisations.

Risk Management

The Trustees regularly review the risk assessments undertaken by them and by the various activities. The Trustees are satisfied that systems are in place to identify and manage the risks which are identified. The principle risk faced by the charity is the reduction in income meaning sufficient funds would not be available to cover the expenditure. The Trustees consider that this risk is adequately mitigated by their policy of holding sufficient reserves in order to ensure the activities of the charity can continue in the event of any variation in funding while alternative funding sources are secured.

Dogstar Foundation

Trustees' report For the year ended 31 December 2022

Objectives and activities (including reporting under Public Benefit)

The Trustees have had due regard for the guidance published by the Charity Commission on public benefit.

Objectives

The objects of the CIO are documented in our Association document as follows:

- To prevent and alleviate, for the public benefit, the suffering of companion and community (stray) dogs and cats in Sri Lanka through the provision of veterinary care, including sterilisation, vaccinations, treatment and research for disease
- To advance public education in the health care and management of such animals

Strategies

The objectives are being pursued through the following strategies:

- Direct delivery of services in Sri Lanka by staff and volunteers
- Collaboration on fixed term projects and relief work with other international NGOs
- Humane cat and dog population management which includes surgical sterilisation programmes
- Rabies prevention and eradication programmes involving mass vaccinations
- Education programmes

Activities and achievements

The charity carries out a wide range of activities in pursuance of its charitable aims, and these aims are for the public benefit as defined by the Charities Act.

The 2022 Sri Lankan financial crisis provided a unique set of challenges for the charity's operations.

In February, a lack of foreign reserves resulted in fuel shortages for power stations. Load shedding (power rationing) was introduced with scheduled daily power cuts of between 2 and 13 hours daily.

The Central Bank's relaxation of the currency peg on March 8th resulted in rapid devaluation of the Sri Lanka Rupee against the dollar, triggering hyperinflation.

On March 12th, The IMF released a statement saying publicly for the first time that the lender had found Sri Lanka's debt to be unsustainable.

With foreign reserves depleted, restrictions were placed on importing "non-essential items." creating shortages of bottled gas and panic buying of food and medicines.

On April 12th, Sri Lanka defaulted on its sovereign debt. Fitch downgraded Sri Lanka's long-term currency IDR to "C" and further downgraded to "RD" in May.

Periods of political and social unrest followed the county was placed under state of emergency regulations three times, and the FCDO twice gave travel advice of "essential travel only." Two recently employed overseas staff based in Sri Lanka resigned, and a major grant giver cancelled a project assessment visit.

Dogstar Foundation

Trustees' report For the year ended 31 December 2022

Activities and achievements (continued)

All private fuel sales of Petrol / Diesel were suspended from June 18th till July 14th, as limited supplies returned queues of 3-4 days were common and sales, when available, were restricted to 7 litres.

The Sri Lankan President resigned following protesters storming government buildings on July 9th. Mass gatherings and protests have been banned by his successor.

A weekly fuel allowance per vehicle was introduced in August by use of a QR code
In September, the IMF announced a staff-level agreement to support Sri Lanka with a 48-month Extended Fund Facility

The year ended with key inflation easing slightly to 57.2 %, down from a high of 69.8% in September.

During this time, understandably, our program delivery was frequently impacted due to the shortages of power, fuel, consumables, curfews and restrictions on movement.

Multiple staff experienced well-being issues caused by stress, uncertainty and financial factors. Support systems were introduced, including emergency payments.

Despite all of the above, the teams were able to surgically sterilise 6983 dogs and 2609 cats and vaccinate 7922 dogs and cats against Rabies, a fatal zoonotic disease.

These accomplishments are a clear testament to the team's professionalism, unwavering dedication, and sheer perseverance in the face of unprecedented challenges. They also highlight the exemplary leadership of the CEO (UK National), who chose to stay in Sri Lanka throughout 2022 despite the travel advice issued by FCDO.

Dogstar Foundation

Trustees' report For the year ended 31 December 2022

Plans for next year

The Trustees have several plans for the future which they are working on implementing in a suitable timeframe. These include:

- Bringing all subcontractors in-house
- Recruiting additional veterinary surgeons
- Increasing holding of consumables from 3 to 6 months
- Purchasing the rented truck being used for the dog spay-neuter program
- Refurbishing the surgery truck surgical suite
- Adding solar capacity to the surgery truck
- Opening a dedicated cat spay-neuter clinic
- Developing training opportunities for Sri Lanka Vets and Veterinary assistants.

Financial Review

Grants and donations are the major source of income for the charity, being £773,780 (2021: £20,005) including gift aid. This represents 99.0% (2021: 100.00%) of total income of £780,043 (2021: £20,005). 30.7% of all income was restricted (2021: £nil).

Total expenditure of £569,782 (2021: £nil) was significantly spent on the charity's activities. Expenditure of £57,102 was incurred in relation to fund generation costs.

The net result for the year was an increase in total funds of £210,261 (2021: increase of £20,005).

At the year end total unrestricted funds were £459,267 (2021: £20,005) and total restricted funds were £nil (2021: £nil). A detailed analysis of the year-end asset and liabilities is shown on the Balance Sheet.

Reserves Policy

It is the policy of the Trustees to hold available reserves representing three to six months of General Fund expenditure in order to ensure the activities of the charity can continue in the event of any variation in funding. At 31 December 2022 the free reserves of the charity were £430,416 (2021: £20,005). This is higher than the desired level but the trustees are expecting to cover cost pressures from these reserves.

Dogstar Foundation

Trustees' report For the year ended 31 December 2022

Statement of Trustees' responsibilities

The Trustees are responsible for preparing the Trustees Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England & Wales requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that year. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP 2019 (FRS 102);
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The Trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charities (Accounts and Reports) Regulations 2008 and the provisions of the Trust Deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approved by the Board of Trustees on 30 October 2023 and signed on their behalf by

Richard Hayman
Trustee

Independent Examiner's Report to the Trustees of Dogstar Foundation

I report to the charity trustees on my examination of the accounts of the company for the year ended 31 December 2022 which are set out on pages 8 to 17.

Responsibilities and basis of report

As the charity's trustees you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the charity's accounts as carried out under section 145 of the Charities Act 2011 and in carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

Since the charity's gross income exceeded £250,000 your examiner must be a member of a body listed in section 145 of the Act. I confirm that I am qualified to undertake the examination because I am a member of the Institute of Chartered Accountants in England and Wales, which is one of the listed bodies.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Richard Hayman
Trustee

Dogstar Foundation

Notes to the financial statements For the year ended 31 December 2022

1 Accounting policies

1.1 Accounting convention

The financial statements have been prepared on a going concern basis under the historical cost convention, modified to include certain items at fair value.

The charity constitutes a public benefit entity as defined by FRS 102.

The accounts (financial statements) have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant note(s) to these accounts. The financial statements have been prepared in accordance with the second edition of the Charities Statement of Recommended Practice issued in October 2019, the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102) and the Charities Act 2011.

The financial statements have been prepared to give a true and fair view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a true and fair view. This departure has involved following the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable to the UK and Republic of Ireland (FRS 102) issued in October 2019 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

The Trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern. The key risk to the charity is the potential reduction in income but the level of reserves held is sufficient to mitigate this risk for the foreseeable future and is not considered to cast any doubt over the going concern basis. The trustees do not currently believe there is an impact on the charity's ability to continue as a going concern.

1.2 Fund accounting

- (i) The charity's general fund is available for use by the charity at its discretion.
- (ii) The charity's restricted funds are those where the donor has imposed restrictions on the use of the funds which are legally binding.

1.3 Income

- (i) All voluntary income is included as income on receipt.
- (ii) Restricted income is included in the restricted statement of financial activities account on receipt.
- (iii) Donations under deeds of covenant and gift aid are recognised as income when the donation is received. The associated tax is accrued in the same period as the donation.
- (iv) Trading income is accounted for at the point of shop sale.

1.4 Financial instruments

Debtors and creditors with no stated interest rate and receivable or payable within one year are recorded at transaction price. Any losses arising from impairment are recognised in the profit and loss account in other administrative expenses.

Dogstar Foundation

Notes to the financial statements For the year ended 31 December 2022

1.5 Investment income

Interest is accrued on a daily basis and is credited on this basis in the Statement of Financial Activities.

1.6 Allocation of expenditure

Costs are charged directly to the charitable activities wherever appropriate. Liabilities are recognised in the period to which they relate.

1.7 Governance costs

The charity has identified costs of governance as both external costs related to the reporting accountants, legal fees and a proportion of the costs of the administrative staff. These salary costs have been estimated based on time spent on Trustee related activities.

1.8 Fixed assets and depreciation

Fixed assets are included in the financial statements at their historical cost and are written off over their estimated useful lives by amortisation and depreciation on a straight-line basis through the statement of financial activities at the following rates:

Intangible assets	20%
Equipment	33%

1.9 Pensions

Contributions payable to pension schemes are charged to the statement of financial activities in the period to which they relate. Pension costs are allocated between unrestricted and restricted funds according to the nature of funds received to cover the expenditure for each staff member.

1.10 Critical accounting judgements and key sources of estimation uncertainty

In the application of the charity's accounting policies, the Trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.

In the opinion of the Trustees there are no critical accounting judgements or estimation uncertainties within the charity.

Dogstar Foundation

Notes to the financial statements For the year ended 31 December 2022

2 Comparative Statement of Financial Activities

The Statement of Financial Activities for the year ended 31 December 2021 is presented for illustrative purposes.

	Unrestricted funds 2021 £	Restricted funds 2021 £	Total funds 2021 £
Income and endowments from:			
Donations	5	-	5
Transfer from related charity	20,000	-	20,000
Total income	<u>20,005</u>	<u>-</u>	<u>20,005</u>
Expenditure on:			
Expenditure on charitable activities	-	-	-
Total expenditure	<u>-</u>	<u>-</u>	<u>-</u>
Net income	20,005	-	20,005
Transfers between funds	-	-	-
Net movement in funds	<u>20,005</u>	<u>-</u>	<u>20,005</u>
Reconciliation of funds:			
Fund balances as at 1 January 2021	-	-	-
Fund balances carried forward at 31 December 2021	<u><u>20,005</u></u>	<u><u>-</u></u>	<u><u>20,005</u></u>

Dogstar Foundation

Notes to the financial statements For the year ended 31 December 2022

3 Analysis of expenditure on charitable activities

2022	Staff Costs £	Other staff costs £	Depreciation £	Other Costs £	2022 Total £
Animal welfare:					
Direct costs	-	23,398	-	293,420	316,818
Support costs	143,006	7,553	2,334	39,669	192,562
Governance costs	1,000	-	-	2,300	3,300
	<u>144,006</u>	<u>30,951</u>	<u>2,334</u>	<u>335,389</u>	<u>512,680</u>

Of the above expenditure, £272,209 is restricted in nature (2021: £nil).

The Trustees believe that at all times the activities undertaken by the charity support the charity's aims and satisfy the requirements issued by the Charity Commission on public benefit.

4 Allocation of governance and support costs

The breakdown of support costs and how these were allocated between governance and other support costs is shown below.

	Support costs £	Governance costs £	2022 Total £	2021 Total	Basis of apportionment
Staff costs	143,006	1,000	144,006	-	Time spent
Other staff costs	7,553	-	7,553	-	Time spent
Office costs	14,996	-	14,996	-	Invoiced cost
Travel	1,251	-	1,251	-	Invoiced cost
Bank and merchant charges	9,799	-	9,799	-	Invoiced cost
Professional fees	13,504	900	14,404	-	Invoiced cost
Independent Examination fees	-	900	900	-	Governance
Depreciation	2,334	-	2,334	-	Asset use
Sundry expenses	619	-	619	-	Invoiced cost
	<u>193,062</u>	<u>2,800</u>	<u>195,862</u>	<u>-</u>	

Governance costs for the period ended 31 December 2021 were £nil.

Dogstar Foundation

Notes to the financial statements For the year ended 31 December 2022

5 Staff costs and numbers

	2022	2021
	£	£
Staff costs:		
Wages and salaries	134,349	-
Social security costs	7,596	-
Pensions	2,061	-
	<u>144,006</u>	<u>-</u>

The average number of employees was 4 (2021: nil).

The charity considers its key management personnel to comprise the trustees and the staff team. The total employment benefits of the key management personnel were therefore as outlined above.

No employee received remuneration of more than £60,000 (2021: none).

6 Trustees

The Trustees received no remuneration nor were reimbursed any expenses during the year (2021: none).

7 Taxation

The Charity is a registered charity and exempt from Corporation Tax.

Section B Structure, governance and management

Description of the charity's trusts

Type of governing document (eg. trust deed, constitution)	Constitution
How the charity is constituted (eg. trust, association, company)	CIO - ASSOCIATION
Trustee selection methods (eg. appointed by, elected by)	Appointment by members

Additional governance issues (Optional information)

You **may choose** to include additional information, where relevant, about:

- policies and procedures adopted for the induction and training of trustees;
- the charity's organisational structure and any wider network with which the charity works;
- relationship with any related parties;
- trustees' consideration of major risks and the system and procedures to manage them.

The four initial Trustee appointments having been made, to register and set the CIO Charity up and manage the transition will be complimented by additional trustee appointments during 2022.

Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

1. To Prevent and alleviate, for the public benefit, the suffering of companion and community (Stray) dogs and cats in Sri Lanka through the provision of veterinary care, including sterilisation, vaccinations, treatment and research for disease
2. To advance public education in the health care and management of such animals

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

Improving the health and welfare of companion animals by provision of veterinary care and sterilisation to reduce the number of unwanted animals. Provide rabies vaccination to protect both dog/cat populations and local human community from rabies. Provide continuing education to communities, veterinary practitioners, veterinary students and veterinary internees in all aspects of animal welfare.

All Trustees have signed the Charity Commission Trustee Eligibility Declaration.

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

Summary of the main achievements of the charity during the year

The Charity has been set up as a Charitable Incorporated Organisation (CIO) to further develop Dogstar Foundation Charity 1133431, and the work it does.

As part of the change in legal status to a Charitable Incorporated Organisation (CIO) the Charity will take over all operations, funds, assets, liabilities of Dogstar Foundation (registered Charity number 1133431), operating since 2010, on 1st January 2022.

Section E Financial review

Brief statement of the charity's policy on reserves

Details of any funds materially in deficit

Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.

From 01/01/2022, the Charity will take over all operations, funds, assets, liabilities of Dogstar Foundation (registered Charity number 1133431)

Samantha Green

Section B Structure, governance and management

Description of the charity's trusts

Type of governing document (eg. trust deed, constitution)	Constitution
How the charity is constituted (eg. trust, association, company)	CIO - ASSOCIATION
Trustee selection methods (eg. appointed by, elected by)	Appointment by members

Additional governance issues (Optional information)

You **may choose** to include additional information, where relevant, about:

- policies and procedures adopted for the induction and training of trustees;
- the charity's organisational structure and any wider network with which the charity works;
- relationship with any related parties;
- trustees' consideration of major risks and the system and procedures to manage them.

The four initial Trustee appointments have been made to register and set the CIO Charity up.

Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

1. To Prevent and alleviate, for the public benefit, the suffering of companion and community (Stray) dogs and cats in Sri Lanka through the provision of veterinary care, including sterilisation, vaccinations, treatment and research for disease
2. To advance public education in the health care and management of such animals

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

Improving the health and welfare of companion animals by provision of veterinary care and sterilisation to reduce the number of unwanted animals. Provide rabies vaccination to protect both dog/cat populations and local human community from rabies. Provide continuing education to communities, veterinary practitioners, veterinary students and veterinary internees in all aspects of animal welfare.

All Trustees have signed the Charity Commission Trustee Eligibility Declaration.

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

Summary of the main achievements of the charity during the year

The Charity has been set up as a CIO to further develop Dogstar Foundation Charity 1133431, and the work it does. That transition will developed and managed by the Trustees.

Four Trustees appointed

New bank account opened for the transition

Section E Financial review

Brief statement of the charity's policy on reserves

--

Details of any funds materially in deficit

--
