Objectives and Activities

The primary objective of All Believers Chapel (ABC) is to educate the public about the Christian faith with the Holy Bible through our Church services, Christian workshop and seminars. We also aim to support the needs of our members with a welfare scheme.

The Main Activities Include:

- Weekly Church Services
- Weekly and monthly prayer meetings
- Regular youth meetings
- Assisting members of the community to celebrate special occasions (e.g. weddings and baby dedications)

Trustees have regularly reviewed and familiarise itself with the guidance issued by the Charity Commission during the six major meetings of the board of trustees.

Achievements and Performance

All Believers Chapel hosts regular services and gatherings that allow our community to grow, whether that be spiritually, financially or emotionally.

Worship and Prayers

All Believers Chapel has offered a range of services during the week and over the course of the year that our community find both beneficial and spiritually fulfilling.

We host weekly Sunday services where we worship and delve into scriptural truths to grow spiritually. and a Sunday congregational service where members of the community come to learn about the Christian faith and receive counselling from the bible. We also host a non-denominational Saturday morning prayer service for the community.

In addition to in person meetings, we also share weekday devotional on WhatsApp to all members. This year, we started livestreaming our services for the wider community to access.

Children's Church

This year, we have successfully run a regular Sunday Children's service where members of the community are given the opportunity to bring their children to learn about the Christian faith.

Departmental Activities

We have also had regular departmental meetings. During these meetings, members of the community are welcome to interact, socialize, and learn about practical Christianity and its societal impact. These meetings are in groups of Men, Women and Youth. This year, we established a new group named 'the Connectors', who bridge the gap between those aged 25-35. The youth ministry has also presented educational performances, including short skits and plays.

Family Fun Day

We also had community games at Cross Flatts park where members of the community were given the platform to come play games and socialise with their families. The aim of this was to bring the church nearer to the community and give the opportunity for members of the community to interact with each other, creating community bonding.
