Public Benefit Statement

Anglican Asian Living Church is a Christian Church, functioning under a Bishop's Mission Order within the Diocese of Oxford of the Church of England. We seek to equip our members and those with whom we work in the wider community to live in a way that reflects the Christian faith and its focus on generous love. We seek to work in a positive way alongside and with communities of different faiths and philosophies whilst sharing openly the faith in God which guides our work. We believe our work transforms communities in ways that enhance human life and build a society of respect, tolerance, peace and spiritual health.

Statement of Activities

The year started well with our usual services lead by our four worship leaders Sunita, Krishna, Robin and Salina. The sermon and communion has been lead by our ministers Revd Geoff, Revd Mark, Revd Liam and Alison. We celebrated with a service on New Years Day for the AALC to

progress further in its structure, growth both spiritually and numerically. The AALC has successfully been approved for the BMO (Bishops' Mission Order).

The AALC continues as a registered charity with four Trustees at the moment (including the present Rector of Cowley Parish). We all get together quarterly to review how the AALC is running, the accounts and Congregation suggestions to improve and develop the AALC. The Trustees of the AALC charity are in charge of the decision making and a Church committee looks after the day to day running of the church. There is a strong choir and music team, an active Sunday School and Youth group. There are presently four trained Worship Leaders and a Secretary of the AALC. There are various other teams in the AALC which do valuable duties as well.

The AALC Services are every Sunday at 1:30pm in the St James Church and every last Sunday of the month we have a youth service which is led by our youth in the AALC and the youth leaders. We have done this for many years now and it's a great opportunity to encourage the next generation to grow spiritually.

The AALC also went back to having face to face Wednesday meetings at congregation members' houses since COVID and these were reintroduced this year. There were many church members in the AALC which missed the personal worship together and this was brought back in. The rota for this is done by Sunita Masih (AALC Secretary) who liaises with all the families and ensures everyone's well-being is positive.

In January we had Bishop Steven join us for a special confirmation service for Henna, Matthew and Ethan. During this service Sunita Masih was also welcome into the Church of England which is a great achievement to develop our church further.

A huge thanks to Parish of Cowley Team Ministry for providing valuable ordained spiritual, pastoral and sacramental support for the AALC. The Parish and the Archdeacon of Oxford were quite happy to guide the AALC in gaining BMO status in the Parish of Cowley. All the congregation appreciate the ministers' efforts and as a thank you every Sunday, we donate them £40 which is given to them from the AALC donations from that Sunday.

This year we have also gone back to pre-Covid practices and reintroduced refreshments in the St James Church Centre after the service which was an aspect the trustees decided would be good in improving well-being of our congregation members. The AALC youth team have also organised fundraising events this year most recently the Syria/Turkey Earthquake appeal whereby we did a charity lunch for all the members to donate money for Christian Aid Appeal. Alongside this we have also organised special events for Easter, Mothers Day, Fathers Day, Youth Services etc.

coming back to the St James Church centre after the service has been very positive for everyone.

We have also ensured that Safeguarding courses are completed for all our church members and Lesley Williams has been supportive in ensuring this training is all up to date for our members and Jasmine Masih has been appointed as our Assistant Safeguarding Office for the AALC and supports Lesley Williams.

Going forward we will continue to work together as one congregation and with the Cowley team parish ministers. We are hoping to organise a seaside trip for the AALC. We also hope to look for a permanent minister for our church as we continue to build our church fund for this opportunity for the future and are hoping to be in a much better position now that we have gained a BMO status.
