STRUCTURE and MANAGEMENT GOVERNANCE DOCUMENT

KD Foundation is constituted as a charitable Trust and was registered with the Charity Commission on 6th April 2020, under the charity number 1188932. It is governed by a Deed of Trust.

ORGANISATIONAL STRUCTURE

The Trustees are responsible for the general control and management of the Foundation.

The Trustees give their time freely and receive no monetary compensation or any other financial benefits.

The Trustees meet regularly, and when specific need arises. They are responsible for all decisions taken in relation to the running and maintenance of the foundation.

KD FOUNDATION

RISK MANAGEMENT

The Trustees assess the risks the Foundation faces and continually try to mitigate any identified risks.

DBS criminal record checks for appropriate personnel are regularly processed and kept up to date.

The Trustees also ensure suitable insurance covers are maintained and the Health and Safety regulations are met.

AIMS AND OBJECTIVES

The object of the Foundation is set out in the Charity's Trust deeds.

- The charity provides relief to the vulnerable people of our society globally by providing them necessities including food, clothing, education, health, and medications. The charity also helps in environmental activities to tackle our climatic issues.

The Trustees review these objectives regularly to ensure demands and needs of the community are met.

STRATEGIES

We ensure our Foundation is a welcoming venue for all sectors of the community, as well as people of different faiths.

We distribute donations to the needy in the UK, and internationally (particularly Pakistan, India, Bangladesh, Africa, United States, and other disaster-struck areas) to cover their basic needs of shelter, food, clothing and urgent financial support.

An important part of our strategy is community welfare and education. Most of our activities are free and supported by donations.

KD FOUNDATION

USE OF VOLUNTEERS

Volunteers play an important role in both our faith and community work. Since we are starting up, we have no people regularly giving their time. We encourage all members of our Foundation to be involved in voluntary activities and to share skills with others.

GRANT MAKING POLICY

The Foundation relies mainly on donations for various disaster appeals arising from natural calamities around the world, where fundraising and aid decisions are made by the Trustees.

The Foundation also donates money to educational and welfare charities in those countries. Whenever possible, our Trustees personally oversee the distribution of funds in the affected areas. We work with partner organizations, when necessary, to identify the direness of the circumstances, and allocate the donations accordingly.

The donation procedure is strictly controlled by the Donation Request and Award approved by the trustees.

Reserves Policy
