REPORT OF THE TRUSTEES

FOR THE YEAR END 31 DECEMBER 2022

The Trustees have pleasure in submitting the Report and Accounts for the year ended 31 December 2022.

Legal Status

Longmeadow Evangelical Church was registered as a Charitable Incorporated Organisation on 7 April 2020, Charity Number 1188950.

Longmeadow Evangelical Church was constituted in 1959 as a church and was governed by the Constitution and Notes adopted on 24 October 1959, and amended on 15 September 1962. A new constitution and church practices was adopted on 2 December 2008. The church was registered as a charity on 3 February 2010. A new constitution establishing a Charitable Incorporated Organisation (CIO) was approved by the Charity Commission on 7 April 2020.

Objects of the charity

The charity, which is a church, is governed by a Constitution and is constituted as a charitable incorporated organisation. The charity's principal objects, as set out in its governing document, are:

- 1) the advancement of the Christian faith in accordance with the Basis of Faith primarily but not exclusively within Stevenage and the surrounding neighbourhood; and
- 2) such other charitable purposes as shall, in the opinion of the members of the Church in general meeting, further the work of the Church

Aims and Organisation

Longmeadow Evangelical Church is a fellowship of believers in the Lord Jesus Christ gathering together in His Name in the Longmeadow neighbourhood of Stevenage and affiliated to the Fellowship of Independent Evangelical Churches (FIEC). We are a gathering of ordinary people who by faith in Jesus have been adopted by God our Father. So with prayer and love we seek to: listen to His voice in the Bible, serve one another, and share His good news in the power of the Holy Spirit. Longmeadow Evangelical Church; it's trustees, elders and members are committed to following these New Testament principles.

Our vision is to encourage and serve one another so that we grow in our love for God and make the most of where He has placed each of us; to support and mentor members in training for gospel work; to plant a new church or revitalise an existing church, as the Lord grants the opportunity.

The church employs two full-time pastors, one part-time pastoral worker to assist primarily with ministry to women, and one part-time church administrator.

The two pastors are also elders and trustees of the church. The elders are required by constitution to call a meeting of the members to conduct Church Business at least once in each quarter of the year.

Summary of the charity's main activities and achievements

The church seeks to fulfil its charitable object of advancing the Christian faith in accordance with its Basis of Faith in the following ways which bring benefit to the community of Stevenage in which it is situated.

Every Sunday the Church holds two services of worship at its Oaks Cross building which include preaching and/or Bible teaching; age-related activities are also provided in the morning for children and teenagers. All of these meetings are open to the general public, whom we regularly invite by word of mouth and through door to door leaflets and visitation.

Our weekday activities for children include an evening group for 6 to 11 year olds, and an evening group for those aged 11 to 16.

Home groups are also held on various days and evenings during the week.

The pastors of the Church take funeral services for deceased members of the community who are not members of, nor attend, this Church. From time to time we engage in various activities such as family fun days which are for the benefit of all members of the public. The Church building is regularly used as a public polling station by Stevenage Borough Council.

The Church assists with the religious education of local school children, with the pastors taking assemblies in local primary schools.

We support the local branch of Good News for Everyone!, which has as its main activity the distribution of Bibles to local Year 7 school children, hotels, sheltered accommodation for senior citizens and hospitals.

The Church promotes the spread of Biblical Christianity which has brought significant public benefit to society. Some of the Church's current members are former offenders and addicts whose lives have been dramatically changed for the benefit of society. The Church also supports the Living Room, a local addiction treatment and counselling centre.

The Church also seeks to fulfil its charitable objects by supporting a number of overseas missionaries working in various countries in relief, education and other Christian activities. In times of disaster the Church also facilitates the collection and sending of funds to various parts of the world where the Church has contacts for emergency relief.

A lasting effect of Covid-19 and lock down restrictions is our continued use of internet technologies to allow engagement with those unable to attend in-person meetings. Sunday services are live-streamed, a number of our small groups have opted to continue to meet online, and our quarterly members' meetings are now held in a hybrid format – allowing members attending both in-person and online to engage in the decision making of the church.

These activities are made possible through the voluntary support of the members and friends.

In planning the activities the Trustees have applied the guidance on public benefit issued by the Charity Commission.

Financial review

We are grateful to the Lord for meeting our financial needs.

We were able to continue our financial support to our mission partners who are serving the Lord both in the UK and in other parts of the world.

During this period total income was £131,967, and total expenditure was £132,346. This meant cash funds held by the charity was £49,097, of which £49,005 is unrestricted and can be used for any charitable purpose.

Once again we want to express our gratitude to all church members who have given so generously towards the work at Longmeadow. Most of all we want to give thanks to God for all his blessings and provision for yet another year.

Reserves policy

The Church seeks to retain reserves at a level which will enable it to continue its activities. Given current regular obligations we seek to hold minimum reserves of £28,000 (which equates to about 3 months' of unrestricted expenditure) so that the charity could continue to operate should income and / or expenditure vary adversely. The unrestricted reserves of the fellowship at the year end were £49,002.

Governance

The trustees are those who exercise oversight as elders within the church. New elders are appointed by nomination of the elders from the membership of the church and subject to the approval of the church membership at a business meeting of the church. Each elder is required to be fully in agreement with the Basis of Faith.

Risk statement

The charity is exposed to various risks - be they operational, financial or reputational. The trustees review the charity's activities regularly to identify significant risks and, where possible, they take appropriate measures to mitigate those risks.

Responsibilities of trustees

Charity law requires us as Trustees to prepare financial statements for each accounting year which record the receipts and payments of the charity for the year.

We are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and enable us to ensure that the financial statements comply with the Charities Act 2011.

We also have a responsibility to safeguard the assets of the charity and to take reasonable steps to prevent fraud or any other irregularities.
