Trustees' Annual Report for the period

From 09th April 2020 to 31th July 2021

Charity name: Hungarian School Woking

Charity registration number: 1188993

Objectives and Activities

	SORP reference	
Summary of the purposes of the charity as set out in its governing document	Para 1.17	The objective of Hungarian School Woking is to provide Hungarian language and cultural education for children who live in Woking and the surrounding areas for the benefit of the public. As a supplementary school, the weekend activities will be based on a planned timetable and led by teachers and volunteers.
Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts.	Para 1.17 and 1.19	The structure of the school-year remained 2 semesters with 9 meetings in each semester. Because of the outbreak of the Covid-19 pandemic, we were not able to continue our activities after the 14th of March 2020 in face to face. Then we used Zoom to meet and teach the children. We provided local families a regular opportunity to meet and practice the Hungarian language, contributing to their general well-being as a member of a community with similar interests in their cultural heritage and folklore traditions. We organised 4 outdoor activities, day trips and tradition St Nicholas day.
Statement confirming whether the trustees have had regard to the guidance issued by the Charity Commission on public benefit	Para 1.18	The trustees of the Hungarian School Woking Charity present their annual report and audited accounts for the year ended July 2021 and confirm they comply with the requirements of the Charities Act 2011, the trust deed and the Charities SORP (FRS 102).

Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	<p>The charity achieved its aims through delivering regular education of Hungarian language, folk songs, dance, literature, history, traditional art and craft to children aged 0-18 years as well as to adults.</p> <p>The 2019-2020` academic year did not work out as planned as we could not have any face to face activity from March 2020. In view of events during the COVID19 crisis, we proposed that memberships paid for the second half of this year will carry forward to the next academic year, in order to compensate those members who already paid their membership when we had to switch to online sessions.</p> <p>Members with financial or other disadvantages can participate in activities free or at reduced price to ensure events are open to all. The charity also provides support and advice for people in need and aids personal development and employability through volunteering opportunities and coaching.</p> <p>The functional year had been a busy one for the Hungarian School Woking, with about 140 participants taking part in our regular activities. Unfortunately, in the second term we had to close our doors, due to the pandemic and were not able to gather for any regular classes in the latter part of 2020 summer term. On the other hand, we were able to organise successful online sessions to carry out our regular activities as well as organised day trips, open events for children and their families.</p>

Statement explaining the policy for holding reserves stating why they are held	Para 1.22	We try and keep a reserve of approx. a year of rent we need to pay for the venue we rent so that even with a low number of members we can get through the year without lowering the bar on the quality or value we provide to our members.
