Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	<p>We have provided 20 holidays to children with life limiting conditions and their families and those recently bereaved of their child.</p> <p>Feedback from our beneficiaries tells us that these holidays benefit the whole family. The location is local therefore families can have their carers/nurses join them for night shifts with their poorly child so parents can sleep and day shift carers to ensure siblings get to spend time with their parents too. This makes a holiday much more viable for many of our families. Families love the access to the hot tub providing hydrotherapy for their seriously ill child and a chance to relax for the rest of the family.</p> <p>We are often told the breaks away are a welcome rest from the everyday life of hospital appointments, paperwork and care where the family can just be together and make special memories.</p> <p>We are well supported and used by local services such as the local childrens hospice, paediatric complex care team and community nurse team.</p>

Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts.	Para 1.17 and 1.19	In our first year we have managed to support a number of children with life limiting illness and families in many ways, despite launching the charity during the first lockdown due to Covid. We have provided 16 families with a holiday or short break at Lady's Mile holiday park in Devon with much needed access to a hot tub for hydrotherapy. We also provide a hamper on arrival. These holidays give families a break away from the pressures of home and hospital life with a seriously ill child, the holidays are not far from home so a child's night carers and day carers can still support the family allowing parents and siblings to relax a little. We get referrals in for these holidays from a local children's

		<p>hospice, complex care community nurses and other charities.</p> <p>We have Posted out 12 sensory toy bags to seriously ill children who were isolating due to Covid.</p> <p>And have posted out 12 care packages to parents and siblings who also had to isolate. With the intention to make people feel less isolated and part of a community that cares.</p> <p>We have also run a telephone support line offering emotional support, advocacy and signposting with over 50 hours of telephone and messenger support given.</p> <p>Mostly emotional support, a listening ear for families feeling even more isolated and worried because of covid.</p>
Statement confirming whether the trustees have had regard to the guidance issued by the Charity Commission on public benefit	Para 1.18	All of the Stanley Beau Foundation trustees have had regard to and have read and understood the guidance issued by the charity commission on public benefit.
