Report of the Trustees for the Year
Ended 31 March 2025

The trustees present their report with the financial statements of the charity for the year ended 31 March 2025. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice (SoRP) applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

The present charity's main objects have been to advance and promote the Christian faith by proclaiming the doctrine, beliefs and practices of Christianity.

In support of these objectives, the main activities of the Church historically have been grouped around the areas of:

- Meeting together for personal and corporate support, development and worship.
- Community outreach and service:
 - o Family Games night
 - o Loving Community Kidz weeks
 - o Monthly Communion Service at Wharfedale View – Extra Care Housing facility for the over 60s
 - o Monthly Ladies' gathering
 - o Community Fun Days
 - o Men's Fortnightly Darts evening
- **Support** - giving financial and practical support locally and across the world.
- **Partnership** - links to other local churches, Ground Level Network, Evangelical Alliance and the wider Christian community.

Public benefit

The trustees are satisfied with the performance of the charity during the year and in planning the activities the trustees have had regard to the Charity Commission's guidance on public benefit.

ACHIEVEMENT AND PERFORMANCE

Charitable activities

The church and hall buildings have continued to be used through the year and provided a base for facilities for the community to hire the Church and annex building.

New Life Community Church continues to rent the Church and annex on a long-term basis from the Church of England Diocese. Internal improvements have continued in the church and annex including:

- Restoration to the floor caused by roof damage and pest control in the ceiling at a cost of £833

The church has encouraged the personal growth of its members and those engaging in our worship gatherings. Some of the means for this encouragement has been through the main Sunday worship and midweek Bible study meetings.

We are concerned about and engage in helping communities and groups around the world. This includes those who are suffering from natural disasters, environmental and economic problems, as well as those undergoing persecution.

Our Vision and Mission continue as we Love God, Love people, and love our town of Yeadon.

Tithes and special offerings

Report of the Trustees
for the Year Ended 31 March 2025

During the year, the church has been able to send financial support to various organisations in the international community, namely Samaritans Purse, Compassion, Release International, Metro World Child, One by One

FINANCIAL REVIEW

Principal funding sources

The church raises most of the general funds it needs to carry on its activities from within its own membership and congregation. The church is also heavily dependent on its membership and congregation working as volunteers in all aspects of the church's activities. Given the current economic conditions and the demographic of the local area we are encouraged by the generosity of our membership and congregation.

Reserves policy

The committee has a reserves policy in order to meet its potential liabilities and has monitored and revised it as the circumstances changed. Reserves are set aside in support of the church's commitment for the long-term occupancy of the buildings and for the support of our senior leader.

In the Trustees' view, the reserves should provide the charity with adequate financial stability and the means for it to meet its charitable objectives for the foreseeable future.

The trustees propose to maintain the charity's reserves at a level which is at least equivalent to three months' operational expenditure (Rent, Minister's Salary, Utilities). The trustees' review has been done giving careful regard to its manner of operation and likely funding streams.

The trustees review the amount of reserves that are required to ensure that they are adequate to fulfil the charity's continuing obligations on an annual basis at their Trustees meeting.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The charity is controlled by its governing document and constitutes a Charitable Incorporated Organisation (CIO) as defined by the Charities Act 2011.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Organisational structure

The church is a Charitable Incorporated Organisation (CIO). The initial trustees of the charity comprise of two external and three internal people including the Senior Leader who is automatically a trustee as long as he holds that office. One of the external trustees stepped down in April 2024, and from June 2024, following the Senior Leader's resignation the Trust had two internal Trustees and one external Trustee. Following the appointment of Geoff Newton in February 2025, he automatically became a Trustee.

In the present constitution, new trustees are appointed for a term of three years by resolution passed at a properly convened meeting of the charity trustees.

The leaders of the church (including the Senior Leader) are responsible for the spiritual affairs of the Church. Leaders are appointed by the Senior Leader who is in turn appointed by the trustees.

Induction and training of new trustees

All new trustees are given the Charity Commission information for trustees that explain the role of a trustee and what is expected of them.

Independent examiner's report to the trustees of New Life Community Church ('the CIO')
I report to the charity trustees on my examination of the accounts of the CIO for the year ended 31 March 2025.

Responsibilities and basis of report

As the charity's trustees of the CIO you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of your charity's accounts as carried out under section 145 of the Act. In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5) (b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the CIO as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

The financial statements of the CIO, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland'. The financial statements have been prepared under the historical cost convention.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Equipment and furniture	- 10% on cost
Computer equipment	- 20% on cost

Taxation

The charity is exempt from corporation tax on its charitable activities.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

Hire purchase and leasing commitments

Rentals paid under operating leases are charged to the Statement of Financial Activities on a straight line basis over the period of the lease.

Fund details

Building fund Donations received towards the purchase and maintenance of the church building.

Youth fund Donations received towards youth and community work.

Operational reserve Represents unrestricted funds designated by the trustees and is not linked to a specific bank account.

Marshall Park FC Grants, sponsorship and donations received for the running of Marshall Park FC.

10. RELATED PARTY DISCLOSURES

Rev D Thompson (a trustee of the charity) received a salary of £17,537 (2024: £31,200) for his employment as senior minister and not in his role as a trustee.

Mr Geoff Newton (a trustee of the charity) received a salary of £5,000 for his employment as senior minister and not his role as a trustee.

11. PRIOR PERIOD ADJUSTMENT

During the year the trustees identified a payroll accrual of £1,170 relating to the year ended 31 March 2024 which had not been recognised in the financial statements for that year. The opening unrestricted funds at 1 April 2024 have been reduced by £1,170 to correct this error. The comparative figures for the year ended 31 March 2024 have not been restated.

During the year, the trustees identified that the operational reserve of £12,000 had been incorrectly classified as a restricted fund in prior periods. As the reserve represents unrestricted funds designated by the trustees, the opening fund balances have been restated to reclassify this amount from restricted to unrestricted funds. Comparative figures have not been restated as the trustees consider the impact on prior year fund movements to be immaterial.

12. ACCRUALS

Independent examiner's fee

No accrual has been made for the independent examiner's fee in respect of the year ended 31 March 2025, as the amount had not been agreed at the reporting date and could not be reliably estimated. The fee will be recognised in the period in which it is incurred.

Gift Aid

Gift Aid income is recognised when a valid claim is submitted to HM Revenue & Customs. No Gift Aid income has been recognised in the year ended 31 March 2025 in respect of donations received during the year, as a claim had not been submitted at the reporting date. Any Gift Aid recoverable will be recognised in the period in which the claim is made.

New Life Community Church

Report of the Trustees for the Year Ended 31 March 2024

ACHIEVEMENT AND PERFORMANCE

Charitable activities

The church and hall buildings have continued to be used through the year and provided a base for facilities for the community to hire the Church and annex building.

New Life Community Church continues to rent the Church and annex on a long term basis from the Church of England Diocese. Internal improvements have continued in the church and annex including:

- extensive rewiring and lighting improvements to the main church building £3,500
- replacing the roof, guttering, fascia boards and downpipes following extensive storm damage £20,300

The church continues to be part of the wider Christian community. Some of the ways we have done this are through our ongoing relationship with the Ground Level network of churches. Also, having meetings in person with Aireborough Churches Together. Our senior leader continues to Chair the meetings, as well as continuing to network with many other leaders and churches. Our monthly Open Space leadership forum which encourages pastoral leaders locally, nationally and internationally continues to meet and provide excellent teaching and support.

The church has encouraged the personal growth of its members and those engaging in our worship gatherings. Some of the means for this encouragement has been through the main Sunday worship and midweek Bible study meetings.

We are concerned about and engage in helping communities and groups around the world. This includes those who are suffering from natural disasters, environmental and economic problems, as well as those undergoing persecution.

The care shown by those attending New Life Community Church has been demonstrated by generous giving in response to specific disasters. As a church at the end of each financial year we tithe 10% of our offerings both to home and away missions. Many members of the church continue to give sacrificially of their time and energy to enable the church to fulfil its objectives.

The Trustees have met regularly and continued to update their policies in line with the latest good practices. Reverend Denver Thompson, our senior leader, has been liaising and working closely with the Trustees. This year we have increased our outward focus into our community as mentioned above.

Our Vision and Mission continues as we Love God, Love people, and Love our town of Yeadon.

Tithes and special offerings

During the year, the church has been able to send financial support to various organisations in the international community, namely Samaritans Purse, Release International, St George's Crypt, Metro World Child, One by One and Kidz Klub.

FINANCIAL REVIEW

Principal funding sources

The church raises most of the general funds it needs to carry on its activities from within its own membership and congregation. The church is also heavily dependent on its membership and congregation working as volunteers in all aspects of the church's activities. Given the current economic conditions and the demographic of the local area we are encouraged by the generosity of our membership and congregation.

The church is grateful to a number of organisations and various individuals who have provided grants, donations and sponsorship to support much of its work in the community. Income has been boosted by the following:

Organisation	Fund	Amount
Voluntary Action	General fund	£1,000
AVS	General fund	£500
Otley Action	General fund	£400
Lighthouse Christian Centre	Building fund	£6,000
Leeds City Council	Youth fund	£450
AVSED	Youth fund	£434
Leeds City Council	Marshall Park FC	£1,455
Moorfield Garage	Marshall Park FC	£500
First Response Group	Marshall Park FC	£700
Private Donations	All areas	£6,250

Reserves policy

The committee has a reserves policy in order to meet its potential liabilities and has monitored and revised it as the circumstances changed. Reserves are set aside in support of the church's commitment for the long-term occupancy of the buildings and for the support of our senior leader.

In the Trustees' view, the reserves should provide the charity with adequate financial stability and the means for it to meet its charitable objectives for the foreseeable future.

The trustees propose to maintain the charity's reserves at a level which is at least equivalent to three months' operational expenditure (Rent, Minister's Salary, Utilities). The trustees' review has been done giving careful regard to its manner of operation and likely funding streams.

The trustees review the amount of reserves that are required to ensure that they are adequate to fulfil the charity's continuing obligations on an annual basis at their Trustees meeting.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The charity is controlled by its governing document and constitutes a Charitable Incorporated Organisation (CIO) as defined by the Charities Act 2011.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Organisational structure

The church is a Charitable Incorporated Organisation (CIO). The trustees of the charity comprise of two external and three internal people including the Senior Leader who is automatically a trustee as long as he holds that office.

In the present constitution, new trustees are appointed for a term of three years by resolution passed at a properly convened meeting of the charity trustees.

The leaders of the church (including the Senior Leader) are responsible for the spiritual affairs of the Church. Leaders are appointed by the Senior Leader who is in turn appointed by the trustees.

Induction and training of new trustees

All new trustees are given the Charity Commission information for trustees that explain the role of a trustee and what is expected of them.

Events following the reporting period

Following the reporting period, there was a situation which was dealt with which lead to the departure of the Senior Leader.

Independent examiner's report to the trustees of New Life Community Church ('the CIO')

I report to the charity trustees on my examination of the accounts of the CIO for the year ended 31 March 2024.

Responsibilities and basis of report

As the charity's trustees of the CIO you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of your charity's accounts as carried out under section 145 of the Act. In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5) (b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the CIO as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the CIO, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland'. The financial statements have been prepared under the historical cost convention.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Equipment and furniture - 20% on cost

Taxation

The charity is exempt from corporation tax on its charitable activities.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

Hire purchase and leasing commitments

Rentals paid under operating leases are charged to the Statement of Financial Activities on a straight line basis over the period of the lease.

The present charity's main objects have been to advance and promote the Christian Faith by proclaiming the doctrine, beliefs and practices of Christianity.

In support of these objectives, the main activities of the Church historically have been grouped around the areas of:

- **Community outreach and service:**

- o Jugglers toddler group
- o Family Games night
- o Loving Community Kidz weeks

- o Marshall Park Football Club
- o Monthly Men's gathering
- o Monthly Ladies' gathering
- o Warm Spaces location
- o Community Fun Days

New Life Community Church

Report of the Trustees for the Year Ended 31 March 2023

ACHIEVEMENT AND PERFORMANCE

Charitable activities

The church and hall buildings have continued to be used through the year and provided a base for facilities for the community to hire the Church and annex building.

New Life Community Church continues to rent the Church and annex on a long term basis from the Church of England Diocese. Internal improvements have continued in the church and annex including:

- a ceiling repair in the church entrance £1,300
- safety improvements to lights and rewiring the main church c.£9,000
- repairs to the annex roof c.£1,000

The church continues to be part of the wider Christian community. Some of the ways we have done this are through our ongoing relationship with the Ground Level network of churches. Also, having meetings in person with Aireborough Churches Together. Our senior leader continues to Chair the meetings, as well as continuing to network with many other leaders and churches. Our monthly Open Space leadership forum which encourages pastoral leaders locally, nationally and internationally continues to meet and provide excellent teaching and support.

The church has encouraged the personal growth of its members and those engaging in our worship gatherings. Some of the means for this encouragement has been through the main Sunday worship and midweek Bible study meetings.

We are concerned about and engage in helping communities and groups around the world. This includes those who are suffering from natural disasters, environmental and economic problems, as well as those undergoing persecution.

The care shown by those attending New Life Community Church has been demonstrated by generous giving in response to specific causes examples of which, are giving to Ukraine and Syria. Many members of the church continue to give sacrificially of their time and energy to enable the church to fulfil its objectives.

The Trustees have met regularly and continued to update their policies in line with the latest good practices. Reverend Denver Thompson, our senior leader, has been liaising and working closely with the Trustees. This year we have increased our outward focus into our community as mentioned above. Marshall Park Football team was formed in May 2021, and has been very successful again during this season.

Our Vision and Mission continues as we Love God, Love people, and Love our town of Yeadon.

Tithes and special offerings

During the year, the church has been able to send financial support to various organisations in the international community, namely:

Samaritan's Purse	£585
Release International	£837
Ukrainian Association Leeds	£479
Metro World Child UK	£100
Syria Earthquake Relief	£1,880

FINANCIAL REVIEW

Principal funding sources

The church raises most of the general funds it needs to carry on its activities from within its own membership and congregation. The church is also heavily dependent on its membership and congregation working as volunteers in all aspects of the church's activities. Given the current economic conditions and the demographic of the local area we are encouraged by the generosity of our membership and congregation.

The church is grateful to a number of organisations who have provided grants and sponsorship to support much of its work in the community. Income has been boosted by the following:

AVS	General fund	£100
Benefact Trust	Building fund	£1,800

AVSED	Youth fund	£365

Moorfield Garage	Marshall Park FC	£500
Turner and Wood	Marshall Park FC	£300
Jordan Sinott Trust	Marshall Park FC	£2,000
Arnold Clark Cars	Marshall Park FC	£1,000
Spoted Foundation	Marshall Park FC	£500

Reserves policy

The committee has a reserves policy in order to meet its potential liabilities and has monitored and revised it as the circumstances changed. Reserves are set aside in support of the church's commitment for the long-term occupancy of the buildings and for the support of our senior leader.

In the Trustees' view, the reserves should provide the charity with adequate financial stability and the means for it to meet its charitable objectives for the foreseeable future.

The trustees propose to maintain the charity's reserves at a level which is at least equivalent to three months' operational expenditure (Rent, Minister's Salary, Utilities). The trustees' review has been done giving careful regard to its manner of operation and likely funding streams.

The trustees review the amount of reserves that are required to ensure that they are adequate to fulfil the charity's continuing obligations on an annual basis at their Trustees meeting.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The charity is controlled by its governing document and constitutes a Charitable Incorporated Organisation (CIO) as defined by the Charities Act 2011.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Organisational structure

The church is a Charitable Incorporated Organisation (CIO). The trustees of the charity comprise of two external and three internal people including the Senior Leader who is automatically a trustee as long as he holds that office.

In the present constitution, new trustees are appointed for a term of three years by resolution passed at a properly convened meeting of the charity trustees.

The elders of the church (including the Senior Leader) are responsible for the spiritual affairs of the Church. Elders are presently appointed from amongst the members of the church, by a Church General Meeting, on the nomination of the trustees.

Prior to 1 December 2022, this charity's activities were carried out by an unincorporated charity of the same name (registered under charity number 519481). On 1 December 2022, the assets, undertakings and liabilities of the unincorporated charity were transferred to this CIO entity to have a more robust structure to operate from moving forward.

The old unincorporated charity will be wound up in the near future and removed from the Charity Commission's register.

Induction and training of new trustees

All new trustees are given the Charity Commission information for trustees that explain the role of a trustee and what is expected of them.

Independent Examiner's Report to the Trustees of
New Life Community Church

Independent examiner's report to the trustees of New Life Community Church ('the CIO')

I report to the charity trustees on my examination of the accounts of the CIO for the year ended 31 March 2023.

Responsibilities and basis of report

As the charity's trustees of the CIO you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of your charity's accounts as carried out under section 145 of the Act. In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5) (b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the CIO as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

1. INCORPORATION OF THE CHARITY

Prior to 1 December 2022, this charity's activities were carried out by an unincorporated charity of the same name (registered under charity number 519481). On 1 December 2022, the assets, undertakings and liabilities of the unincorporated charity were fully transferred to this CIO entity to have a more robust structure to operate from moving forward.

In accordance with the Charities SORP (FRS 102), merger accounting has been applied in these accounts to present the assets, liabilities and funds as though they had always been part of this charity.

This charity was newly established and did not have any activity prior to the transfer. Therefore the components for the previous reporting period were all attributable to the unincorporated charity. Below is an analysis of the principle components of the Statement of Financial Activities pre and post incorporation in the current reporting period.

	Charity 519481 (pre transfer)	Charity 1189002 (pre transfer)	Charity 1189002 (post transfer)	Combined total

2. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the CIO, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland'. The financial statements have been prepared under the historical cost convention.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Equipment and furniture - 20% on cost

Taxation

The charity is exempt from corporation tax on its charitable activities.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.
