Aims and Organisation

Lions Clubs International

The Southbourne (West Sussex)Lions Club (CIO) is a local club formed as part of Lions Clubs International voluntary service organisation that helps, supports and guides local clubs to serve their local communities. Clubs are chartered as separate entities with their own constitution but have links to other clubs in their Zone, to their District in the South East of England, the Multiple District of the British Isles and to Lions Clubs International. Linkages with other Lions Clubs and the Lions Clubs structures provides a vehicle for the exchange of ideas and through co-operation the clubs work together to help on national and international charitable projects.

Southbourne (West Sussex) Lions Club (CIO)

The Club is a voluntary organisation, which exists to help the local community and support, as it sees fit, Lions Clubs' national and international projects.

The objects of each Lions Club are to:

- create and foster a spirit of understanding among the peoples of the world;
- promote the principles of good government and good citizenship;
- take an active interest in the civic, cultural, social and moral welfare of the community;
- unite the clubs in the bonds of friendship, good fellowship and mutual understanding;
- provide a forum for the open discussion of matters of public interest; provided, however, that partisan politics and sectarian religion shall not be debated by club members;
- encourage service-minded people to serve their community without personal financial reward, and to encourage efficiency and promote high ethical standards in commerce, industry, professions, public works and private endeavours.

Membership

The Lions Club's membership at the beginning of the year was 21 with 8 men and 13 women. At the end of the year the membership was 23 with 9 men and 14 women.

In undertaking its work the Charity relies on the members of the Southbourne Lions Club. Their time is given freely and without charge and without this support the charity would not be able to function.

The Club is managed by its members and meets monthly at a "Business Meeting". The Club elects and appoints annually a number of Officers and Trustees. Detailed affairs relating to Fund-raising and decisions on Community Service proposals and donations are considered at regular monthly committee meetings.

The Club follows MD105 Safety Policy and Data Protection Policy.

Administration of the Club

The administration of the Club, is wholly financed by its members. All time to organise activities to raise funds and provide community service is given freely by the members and friends of the club, for no payment or reward. Club members pay an annual subscription of £60, paid half yearly. These subscriptions and fund raising social events for members pay for the members' dues which are paid to support Lions District, Lions Multiple District and Lions Club International administration and for the administration of the Club. These monies relating to the administration of the club are held entirely separately from the charitable and charity fund-raising monies in a separate "Administration Account" bank account.

CIO Composition

The Charity Account is managed by six Trustees, who are, ex-officio, the Club President, Secretary and Treasurer plus three elected Trustees. One new Trustee is elected each year to serve for a three year period. Trustees may be re-elected to serve. The Trustees are elected at the same time, as the Lions Club Officers and Directors by the members of the Lions Club. Trustees are encouraged to attend the Lions District 105SE Spring Forum where guidance is given on the role of Trustees.

The Club's charitable work and donations are administered through the Trust. All financial donations are individually approved by a majority of the Trustees, subject to there being a quorum of 3; the Chairperson, Lion President, having a casting vote.

Purposes of the CIO

The Charitable purposes of the CIO fall into the following general categories:

- The improvement of health or the saving of lives.
- The relief of those in need, by reason of youth, age, ill-health, disability, or other disadvantage.
- The advancement of citizenship or community development.
- The relief of financial hardship.
- The advancement of environmental protection or improvement.

Finance and Activities

Income

Members, with the assistance of friends of the Club, undertake a variety of fund-raising activities throughout the year such as:-

- Christmas house to house and static collections in the local area. Each December the Club takes "Santa" on a float around some areas of Southbourne, Bosham, Emsworth and surrounding villages collecting public donations. Static collections are also made at local Squares and Farm Shop. These collections are arranged under licence from, Chichester District Council and Havant Borough Council, and also with the permission of the Farm Shop.
- Stalls at local fetes selling plants and a selection of donated items.

Income derived from donations and fund-raising is accounted for through the Charity Account, after the deduction of valid expenses only. These funds may then only be donated to causes chosen on the recommendation of the Club's Welfare Committee and the Lions Club members and approved by the Trustees.

Donations made by the CIO

The Trustees approved a number of donations to local organisations and individuals based on recommendations from the Welfare Committee / Club members.

A list of the donations approved by the Trustees is enclosed with the accounts.

Community Service Activities

Apart from financial donations the Club supported the "Message in your Wallet" (MIYW) and "Message in a Bottle" (MIAB) schemes, giving out thousands of information cards with vital information that the Emergency Services may need.
