#### **Our Aim**

To provide Dance tuition to young people in our community. To teach sportsmanship, breed confidence and practice and promote equality amongst our members. To provide a place where parents can also make friends.

We choreograph various aged themed 'team routines' for our dancers to perform locally and at competition throughout the north west.

We are run by volunteers and there are no paid employees.

#### **Our Objective**

To provide an enjoyable hobby for young people and young adults by way of dance. To provide them with a safe, friendly environment where they can not only dance but make friends from within and across the North-West. We want each dancer to increase confidence, be proud of their achievements through working as a team whilst keeping the costs as low as possible to parents. Our objective this year was to provide uniforms by way of tracksuits free of charge to every dancer. This was achieved by way of a grant from Sir John Fisher.

#### **This Year**

We are proud of ourselves this year coming out a Covid period and maintaining all our members and even managing to provide donations to our local community eg meals for key workers. Tracksuits have been bought and are in use by all our members. We continue to fundraise which includes profits from a tuck shop, our open evening, various raffles and bag pack. Most of our fundraising goes towards our bus costs and this enables our dancers to travel throughout the north west for a contribution fee of £10 as bus costs have risen considerably this year due to fuel increases.

#### **Next Year Aim**

We hope to raise funds to subsidise our end of year championship competition in September 2024 to be held at Pontins in Southport.

The cash in the bank at the end of year consists of fees paid by parents which cover rent of the building, some bus and dress costs. The amount also includes a grant received from Sir John Fisher for a contribution towards a dance weekend to be held at Pontins. This amount was unspent at the time of publishing the accounts.
